(2) The due payment of any amounts payable by the Commission pursuant to any arrangements entered into under this section, and any interest or other charges in relation thereto, is hereby guaranteed by the Government, and any liability arising from the guarantee shall be payable out of money provided by Parliament.

(3) Where the approval of the Governor in relation to any arrangements is expressed to be given under this section, the succeeding sections of this Division do not apply to or in respect of the arrangements, but this subsection does not prevent the borrowing of money under section 39 for the discharge or partial discharge of any indebtedness to any person or body referred to in subsection (1).
