**CONSTITUTION AND PARLIAMENTARY ELECTORATES AND  
ELECTIONS (AMENDMENT) ACT 1990 No. 111**

NEW SOUTH WALES

**Act No. 111, 1990**

An Act to amend the Constitution Act 1902 and Parliamentary Electorates and Elections Act 1912 with respect to electoral redistributions, the nomination of candidates, party affiliation on ballot-papers, postal voting and offences, and in other respects; and to make consequential amendments to other Acts. [Assented to 18 December 1990]

**The Legislature of New South Wales enacts:**

**Short title**

1. This Act may be cited as the Constitution and Parliamentary Electorates and Elections (Amendment) Act 1990.

**Commencement**

2. This Act commences on a day or days to be appointed by proclamation.

**Amendment of Constitution Act 1902 No. 32**

3. The Constitution Act 1902 is amended by inserting after section 28 the following section:

**Special distribution to maintain equal number of voters in each electoral district**

28A. (1) A distribution of New South Wales into electoral districts shall be made forthwith after more than one-quarter of the number of electoral districts has been malapportioned for a period of more than 2 months.

(2) For the purposes of this section, an electoral district is malapportioned at any particular time if the number of persons then entitled to vote at a general election of Members of the Legislative Assembly in the electoral district differs from the average electoral district enrolment at that time to a greater extent than 5 per cent more or less.

(3) The average electoral district enrolment is the quotient obtained by dividing the number of persons entitled to vote at general election of Members of the Legislative Assembly in all electoral districts by the number of those districts.

(4) A distribution shall not be made under this section

- (a) the distribution would commence within 1 year before the expiry of the Legislative Assembly by the effluxion of time; or
- (b) a distribution has already been made since the last general election of Members of the Legislative Assembly (whether under this section or not); or

(c) a distribution is required to be made apart from this section.

**Explanatory note**

The proposed amendment provides an additional ground on which a distribution of electoral districts for the Legislative Assembly is to be undertaken, namely, the fact that more than a quarter of electoral districts have ceased to have an equal number of voters (within a margin of 5% more or less). The additional ground is similar to that which applies to the redistribution of electoral divisions of the House of Representatives (except that in the case of Commonwealth distributions more than a third of the divisions must be malapportioned within a margin of 10% more or less). At present a distribution is required by section 27 of the Act to be undertaken every second general election and after any change in the number of Members of the Legislative Assembly.

**Amendment of Parliamentary Electorates and Elections Act 1912 No. 41**

4. The Parliamentary Electorates and Elections Act 1912 is amended as set out in Schedule 1.

**Amendment of Constitution Further Amendment (Referendum) Act 1930 No. 2**

5. The Constitution Further Amendment (Referendum) Act 1930 is amended as set out in Schedule 2.

**Amendment of Election Funding Act 1981 No. 78**

6. The Election Funding Act 1981 is amended as set out in Schedule 3.

**Explanatory notes**

7. Matter appearing under the heading "Explanatory note" in this Act does not form part of this Act.

**SCHEDULE 1—AMENDMENT OF PARLIAMENTARY  
ELECTORATES AND ELECTIONS ACT 1912**

(Sec. 4)

(1) Section 3 (**Definitions**):

In section 3 (1), insert the following definitions in alphabetical order:

**"Abbreviation"**, in relation to the name of a party, includes an alternative name of the party.

**"Endorsed"** means endorsed, selected or otherwise accredited to stand as a representative of a party.

**"Party"** means a body or organisation, incorporated or unincorporated, having as one of its objects or activities the promotion of the election to the Assembly or the Council of a candidate or candidates endorsed by it or by a body or organisation of which it forms a part.

**"Registered officer"** of a registered party means the person shown in the Register of Parties under Part 4A as the registered officer of the party, and (except in Part 4A) includes a person shown in that Register as a deputy registered officer of the party.

**"Registered party"** means a party registered in accordance with Part 4A.

**Explanatory note:** The amendment inserts definitions required by other proposed amendments.

(2) Section 13 (**Redistribution of electoral districts by commissioners etc.**):

After section 13 (5), insert:

(6) The commissioners shall also obtain, and consider, the advice of a recognised demographer before determining the boundaries of electoral districts.

**Explanatory note:** The amendment requires the commissioners who carry out a redistribution of electoral districts to obtain and consider the advice of a recognised demographer.

SCHEDULE 1—AMENDMENT OF PARLIAMENTARY  
ELECTORATES AND ELECTIONS ACT 1912—*continued*

(3) Section 35 (**Registration of claims**):

(a) Omit section 35 (4), insert instead:

(4) If a claim under section 34 by a person to have the person's name placed on the roll for a subdivision is received during the period commencing at 6 p.m. on the date of issue of the writ for the election and ending on the close of polling at the election, the claim is not to be considered until after the expiration of that period.

**Explanatory note:** The amendment provides for the roll for an election to be closed at 6 p.m. on the date the writ for the election is issued (instead of 3 days after the issue of the writ).

(b) After section 35 (5), insert:

(6) The regulations may make provision for or with respect to the giving of notice by the Electoral Commissioner to an elector of his or her enrolment and the signing of that notice by the elector.

**Explanatory note:** The amendment restores the regulation-making power which was contained in section 35 (1A) but which was repealed in connection with other amendments made to the section in 1987. The enrolment advice card is used by electors as evidence of their enrolment and of their age.

(4) Section 50:

Omit the section, insert instead:

**Roll for purposes of election**

50. (1) The Australian Electoral Officer for New South Wales must, after the issue of the writ and before the day of nomination for an election in any district, certify, sign and transmit to the State returning officer for the district a printed copy of the roll for each subdivision in the district as in force at 6 p.m. on the day of the issue of the writ.

(2) A copy of the roll so transmitted to the State returning officer is the electoral roll for the subdivision.

SCHEDULE 1 - AMENDMENT OF PARLIAMENTARY  
ELECTORATES AND ELECTIONS ACT 1912 - *continued*

(3) The regulations may make provision for or with respect to the supply and certification of a composite roll for a district made up of all rolls for a subdivision.

(4) A registrar must comply with any direction of the Australian Electoral Officer for New South Wales given to enable that Electoral Officer to comply with this section.

(5) If the Electoral Commissioner is satisfied that the Australian Electoral Officer for New South Wales, or any other person, refuses or has failed to perform any duty under this section, the Electoral Commissioner (or a person authorised by the Electoral Commissioner) may perform that duty and, for that purpose, has all the powers, authorities, duties and functions of the Australian Electoral Officer for New South Wales or any registrar.

**Explanatory note:** The amendment transfers to the Australian Electoral Officer for the State the responsibility for certifying and transmitting a printed roll to the returning officer for the purposes of an election. At present the obligation is imposed on each Commonwealth divisional returning officer in the State but, because of the computerised facilities for keeping the roll, only the Australian Electoral Officer for the State is in a position to transmit a printed copy of the roll. The opportunity has been taken to remove obsolete provisions relating to supplementary rolls.

(5) Section 55 (Regulations):

Omit the section.

**Explanatory note:** The amendment repeals a general regulation-making power for the purposes of Part 4 of the Act as a consequence of the consolidation of those powers in section 176.

(6) Part 4A:

After Part 4, insert:

- (a) by the registered officer of the party; or
- (b) if the application is to change the registered officer of the party - by the secretary of the party or by a member of the party who is a member of Parliament.

(3) The provisions of this Part relating to an application for the registration of a party apply (subject to the regulations) to an application for the amendment of the Register of Parties. For that purpose, the application is to be regarded as an application for registration setting out particulars as proposed to be amended.

(2) Subsection (1) does not prevent the cancellation of the registration of any party whose name is so inserted in the Register of Parties.

(3) The Electoral Commissioner is required to enter in the Register of Parties, as the registered officer of a party whose name is so inserted in the Register, the name of the person who was, immediately before the commencement of this Part, the party agent of the party within the meaning of the Election Funding Act 1981.

**Explanatory note:** The proposed Part 4A transfers from the Election Funding Act 1981 provisions relating to the registration of political parties. Because of the proposal for the insertion of party names on ballot-papers and for the nomination of candidates by the official agents of parties, registration will in future not be limited to

SCHEDULE 1 - AMENDMENT OF PARLIAMENTARY  
ELECTORATES AND ELECTIONS ACT 1912 - *continued*

registration for election funding purposes. As a result of the transfer of the registration provisions:

- (a) the Electoral Commissioner (instead of the Election Funding Authority) will be responsible for registration; and
- (b) registration of new parties will be prohibited after the issue of the writ for an election and before polling day, and
- (c) the registered name of a party to be used on ballot-papers will be limited to 6 words; and
- (d) provision is made for the nomination of the agent of the party (to be known as the registered officer of the party); and
- (e) provision is made for the party to nominate whether it wishes to be registered for the purposes of election funding.

- (f) From section 79 (7A) (a), omit "\$500", insert instead "\$250".

**Explanatory note:** The amendment reduces from \$500 to \$250 the deposit payable by a candidate nominated for election to the Legislative Assembly. The deposit will be the same as that currently applying in the case of elections to the House of Representatives.

- (g) From section 79 (7A) (c), omit "more than one-fifth of the total number of first preference votes polled by the successful candidate in the election", insert instead "at least 4 per cent of the total number of first preference votes polled in the district".

**Explanatory note:** At present, a candidate's deposit in an Assembly election is returned only if the candidate is elected or if the number of first preference votes of the candidate exceeds one-fifth of the total number of first preference votes of the elected candidate. The amendment provides instead for the deposit to be returned if the candidate is elected or if the number of first preference votes of the candidate exceeds 4% of the total number of first preference votes. The amendment follows the requirement for the return of deposits that currently applies for elections to the House of Representatives.

(9) Section 81B (**Nomination of Council candidates**):

**Explanatory note:** The amendments enable candidates for general elections of the Legislative Council to be nominated (as an alternative to nomination by at least 15 electors) by the registered officer of the party that has endorsed the candidates (being a party or officer registered under proposed Part 4A of the Act).

- (10) Section 81F (Deposit for periodic Council election):

- (a) From section 81F (1), omit "\$750", insert instead "\$500".

- (b) Omit section 81F (3), insert instead:

(3) After the election, the deposit shall be returned to the candidate (or some person authorised by the candidate in writing to receive it) if:

- (a) the candidate is elected; or

included is at least 4 per cent of the total number of first preference votes polled in the election.

**Explanatory note:** At present a candidate's deposit in a Council election is returned only if the candidate is elected or if the total first preference votes of the candidate (or the members of a group of candidates) exceeds one-half of the quota for election. The amendment provides instead for the return of the deposit if the total number of first preference votes exceeds 4% of the total first preference votes. In addition the deposit will be returned if any member of the group is elected. The amendment follows the requirement for the return of deposits that applies for elections to the Senate, except for the additional requirement that the deposit will be returned if any member of the group is elected.

(11) Section 83 (Printing of ballot-papers):

At the end of section 83 (d), insert:

; and

- (e) if required by Division 6B, the names of registered parties or the word "Independent" shall be printed in accordance with that Division.

**Explanatory note:** The amendment is consequential on the amendment made by item (14) relating to party affiliation on ballot-papers.

(12) Section 83B (Printing of ballot-papers):

- (c) From section 83B (5A), omit "1 group voting ticket", insert instead "a group voting ticket".
- (d) Omit section 83B (5B).

SCHEDULE 1 - AMENDMENT OF PARLIAMENTARY  
ELECTORATES AND ELECTIONS ACT 1912 - *continued*

amendments made by items (13) and (38) relating to multiple group voting tickets for Council elections.

(13) Section 83C (**Group voting tickets**):

- (a) From section 83C (1) and (6), omit "or 2 group voting tickets" wherever occurring, insert instead "2 group voting tickets or 3 group voting tickets".
- (b) After section 83C (4) (a), insert:
  - (a1) if all the candidates included in the group have been endorsed by the same registered party - by the registered officer of the party;
  - (a2) if the candidates included in the group have been endorsed by different registered parties - by the registered officer of each of those parties;
- (c) Omit section 83C (7).

**Explanatory note:** The amendments (paragraphs (a) and (c)) enable a group of candidates at a Council election to register 3 group voting tickets instead of only 1 or 2. At present if 2 group voting tickets are registered there are 2 voting ticket squares placed on the ballot-paper (one for each ticket). It is proposed instead to provide only 1 voting ticket square on the ballot-paper and to divide the votes cast for the group equally in accordance with the 2 or 3 voting tickets registered (see item (38)). The proposed system is the same as that applying to Senate elections. Paragraph (b) enables an official agent of the party as well as the candidates in a group to lodge a group voting ticket for registration.

(14) Part 5, Division 6B:

After Division 6A of Part 5, insert

**Division 6B - Party endorsement on ballot-papers**

**Notification of party endorsement**

83D. (1) The registered officer of a registered party may request that either the registered name of that party or the registered abbreviation of the name of that party be printed on the ballot-papers for an election adjacent to the name of a candidate who has been endorsed by that party.

(4) If:

(a) any such request has been made in respect of candidates in a periodic Council election; and

(b) the candidates propose to lodge a group voting ticket for the purposes of the election,

the request may include a further request that the name of the registered party that endorsed the candidates, or a composite name formed from the registered parties that endorsed the candidates, be printed on the ballot-papers adjacent to the candidates' group voting ticket square.

(5) A reference in this section to a registered name or abbreviation is a reference to a name or abbreviation entered in the Register of Parties under Part 4A

(c) tickets lodged by the same group are displayed in the same column; and

(18) Section 106 (**Disputed vote**):

(a) After section 106 (1), insert:

(1A) If a person whose name has been noted (on the certified copy of the roll used at the polling-place for the subdivision in which the elector is enrolled) as that of an elector to whom a postal ballot-paper or pre-poll vote has

been issued claims to vote in the election at that polling-place, the returning officer or deputy shall put to the person the prescribed questions. **Explanatory note:** The amendments (paragraphs (a) and (b)) transfer to the Act the provisions of Regulation 11 under the Act relating to disputed votes cast by voters who have been recorded as having been issued with a postal or pre-poll vote.

- (c) In section 106 (2) (a) (i), omit “a day that is 3 days after”.

**Explanatory note:** The amendment (paragraph (c)) is consequential on the amendment made by item (3) relating to the close of the roll.

(19) Section 112 (**False answer to questions etc. or double voting**):

From section 112 (1), omit “he shall be guilty of a misdemeanour, and be liable to penalty not exceeding \$1,000 or to imprisonment for a period not exceeding 6 months, or both.”, insert instead:

**Explanatory note:** The amendment increases the maximum penalty for double voting, for false statements relating to the entitlement to vote etc. from a fine of \$1,000 or imprisonment for 6 months (or both) to a fine of 100 penalty units (currently equivalent to \$10,000) or imprisonment for 3 years (or both). The offence may be dealt with summarily instead of on indictment.

SCHEDULE 1 - AMENDMENT OF PARLIAMENTARY

- (c) After section 114AA (11) (a), insert:
  - (a1) in the case of an elector to whom subsection (1) (a1) applies, the period of registration, the fact that the elector is registered under subsection (1) (a1) and the address of the place outside New South Wales to which ballot-papers are to be sent;
- (d) Omit section 114AA (15).
- (e) After section 114AA (17), insert:
  - (18) The regulations may provide that the functions of a registrar under this section in relation to the registration of an elector to whom subsection (1) (a1) applies are to be exercised by the Electoral Commissioner instead of the registrar. For that purpose, the regulations may provide for the Electoral Commissioner to keep a separate register and may make any other necessary modifications to the operation of this section.

**Explanatory note:** The amendments allow electors who will be outside the State to register as general postal voters during the period of their absence. This category of general postal voter is not recognised for Commonwealth elections and will apply in the case of New South Wales elections only. Since registration is effected by Commonwealth Divisional returning officers, the amendment empowers the making of regulations to transfer the registration function to the Electoral Commissioner if necessary.

ELECTORATES AND ELECTIONS ACT 1912 - *continued*

(21) Section 114AB:

Omit the section, insert instead:

- (a) a postal vote certificate printed on an envelope addressed to the returning offices, and
- (b) one postal ballot-paper for a periodic Council election, or one postal ballot-paper for an Assembly general election or by-election, or both, as the case requires.

**Explanatory note:** The amendment requires a returning officer to dispatch the relevant ballot-papers to registered general postal voters on the issue of a writ instead of dispatching an application for a postal vote. At present only registered general postal voters who cannot sign their name are entitled to a ballot-paper without making an application. In the case of the new category of general postal voters who are absent from the State, ballot-papers will be dispatched to the overseas or interstate address nominated by the voter.

(22) Section 114D (**Issue of certificate and ballot-paper**):

At the end of section 114D (2), insert:

- (b) From section 114L (c), omit "locked and".

**Explanatory note:** Consequential amendment to authorise the use of cardboard ballot-boxes.

(25) Section 114O:

(26) Section 11 4P (**Application for permission to vote before polling day**):

In section 11 4P (1), after "enrolled", insert "(or, if the elector so wishes, to some other district returning officer)".

**Explanatory note:** The amendment allows pre-poll voting at the office of any returning officer instead of the returning officer for the subdivision in which the elector is enrolled.

**Explanatory note:** Consequential amendment - item (26).

(29) Section 114X (**Preliminary scrutiny of ballot-papers of electors under section 114Q**):

**Explanatory note:** At present applications to vote by post made to interstate or overseas postal voting offices must be made by the close of business on the day preceding polling day. The amendment provides that applications to overseas postal voting offices must be made by the close of business on the Thursday preceding polling day. Section 114ZB (3) precludes the sending out by post of the postal voting papers after the close of business on the Wednesday preceding polling day.

(32) Section 114ZB (**Procedure for voting before polling day**):

(a) Omit section 122A (4), insert instead:

(4) For the purposes of determining the voter's intention under subsection (1), a tick or a cross placed in a square on a ballot-paper is not sufficient by itself to indicate that the voter intends to give a first preference vote to the candidate concerned.

(b) From section 122A (5), omit "or a tick" and "and any such tick were the number "1" ".

**Explanatory note:** The amendment (paragraph (a)) omits the provision which ensures that a voter records a valid first preference

vote (in an Assembly election) if the voter (instead of using the numeral "1") places a tick or a cross in one voting square and does not mark any other voting square. A tick or cross is no longer to be sufficient by itself to indicate a first preference vote.

(38) Section 129EA:

Omit the section, insert instead:

129EA. (1) If a voter records a vote on a ballot-paper by placing the number "1" in one of the group voting ticket squares, the ballot-paper is (subject to this section) taken to have recorded on it a vote in accordance with the relevant group voting ticket lodged for the election.

If there is an odd number of ballot-papers, the additional ballot-paper is taken to have recorded on it a vote in accordance with the group voting ticket determined by lot by the Electoral Commissioner.

(3) If a group has lodged 3 group voting tickets, one-third of the ballot-papers are taken to have recorded on them votes in accordance with one group voting ticket, one-third in accordance with another one of the tickets and the other one-third in accordance with the remaining ticket. If the number of ballot-papers is not divisible by 3, the additional 1 or 2 ballot-papers are taken to have recorded on them votes in accordance with such 1 or 2 of the group voting tickets determined by lot by the Electoral Commissioner.

**Explanatory note:** The amendment is consequential on the amendment made by item (13) which enables a group of candidates at a Council election to register 3 group voting tickets instead of only 1 or 2. At present if 2 group voting tickets are registered there are 2

SCHEDULE 1 - AMENDMENT OF PARLIAMENTARY  
ELECTORATES AND ELECTIONS ACT 1912 - *continued*

The above amendment makes provision for the division of the votes cast for the group equally in accordance with the 2 or 3 voting tickets registered. The proposed system is the same as that applying to Senate elections.

(39) Section 147 (**Bribery etc.**):

Omit "shall be guilty of a misdemeanour, and be liable to be fined any sum not exceeding \$1,000, or to be imprisoned for any term not exceeding 6 months, or to be both fined and imprisoned within such limits; and shall also be incapable of voting at such election.", insert instead:

Omit the Division.

**Explanatory note:** The amendment repeals provisions for the registration of parties as a consequence of the proposed transfer of those provisions to the Parliamentary Electorates and Elections Act 1912.

(3) Section 57 (**Determination of credits to funds**):

From section 57 (1) and (2), omit "day that is 3 days after the issue of the writs" wherever occurring, insert instead "day of the issue of the writs".

**Explanatory note:** Consequential on amendment made by Schedule 1 (3) relating to the close of the roll for an election.

(4) Section 59 (**General entitlements of parties**):

(a) Omit section 59 (2) (a) and (a1), insert instead:

(a) it is a registered party as at the polling day for the general election;

**Explanatory note:** consequential amendment. The amendment confirms that a party is excluded from election funding unless registered on polling day. However, under the amendments proposed by Schedule 1, a party must be registered before the issue of the writ for the election because parties may not be registered for the first time during the election period.

(b) Omit section 59 (2) (e), insert instead:

(e) the total number of first preference votes polled in favour of the members of the group at the periodic Council election is not less than one-half of the quota referred to in clause 7 of the Sixth Schedule to the Constitution Act 1902.

**Explanatory note:** At present the entitlement of a registered party to election funding for general elections depends on whether the endorsed candidates of the party in the Council election received sufficient votes to secure the return of their deposits, namely, one-half of the election quota. The proposed Act alters the circumstances in which deposits are required to be returned. The amendment ensures

that the alteration does not affect the current requirements relating to the eligibility of parties for election funding.

Omit section 60 (2) (d), insert instead:

- (d) the total number of first preference votes polled in favour of the members of the group at the periodic Council election is not less than one-half of the quota referred to in clause 7 of the Sixth Schedule to the Constitution Act 1902.

**Explanatory note:** The amendment is similar to that made to section 59 (item (4)) but relates to the eligibility of independent groups at Council elections for election funding.

(6) Section 61 (**General entitlements of independent candidates in Council elections**):

Omit section 61 (2) (c), insert instead:

- (c) he is elected or the total number of first preference votes polled in his favour at the periodic Council election is not less than one-half of the quota referred to in clause 7 of the Sixth Schedule to the Constitution Act 1902.
