6A Administration of the applied provisions as Commonwealth laws

- (1) It is the intention of Parliament that the applied provisions should be administered and enforced as if they were provisions applying as laws of the Commonwealth instead of being provisions applying as laws of the State.

- (2) To that end:
 - (a) Commonwealth authorities have the same powers to enforce the applied provisions as they have to enforce the Commonwealth Act and the Commonwealth Regulations, and
 - (b) the laws of the Commonwealth apply to offences against the applied provisions as if they were offences against the Commonwealth Act or the Commonwealth Regulations, and
 - (c) the laws of the State do not apply to offences against the applied provisions.
- (3) In the application of provisions of the Commonwealth Act and the Commonwealth Regulations under this Act, any function or power conferred on a Commonwealth authority by or under those provisions may be exercised or performed (in respect of carriage to which this Act applies and matters connected with that carriage) by that Commonwealth authority.

6B Alternative arrangements for administration of applied provisions

- (1) The regulations may provide that:
 - (a) any or all of the provisions of section 6A do not have effect, and
 - (b) any or all of the functions or powers conferred on a Commonwealth authority by or under the applied provisions may be exercised or performed by a person or authority specified in the regulations.
- (2) To the extent that, because of regulations referred to in subsection (1), the laws of the Commonwealth do not apply to an offence against the applied provisions, the offence is to be regarded as an indictable offence under the laws of the State, but may, with the consent of the prosecutor and the defendant, be dealt with summarily.

[10] Section 7 Regulations

Insert after section 7 (6):

- (7) The Governor may make regulations, not inconsistent with this Act, for or with respect to any matter that by this Act is required or permitted to be prescribed or that is necessary or convenient to be prescribed for carrying out or giving effect to this Act.
