**Division 3 The co-operative principles**

**6 Co-operative principles** (cf Vic Act s 6)

In this Act, a reference to *co-operative principles* is a reference to the principles adopted by the International Co-operative Alliance, being the following principles:

**Voluntary and open membership**

Co-operatives are voluntary organisations, open to all persons able to use their services and willing to accept the responsibilities of membership, without gender, social, racial, political or religious discrimination.

**Democratic member control**

Co-operatives are democratic organisations controlled by their members, who actively participate in setting their policies and making decisions. Men and women serving as elected representatives are accountable to the membership. In primary co-operatives members have equal voting rights (one member, one vote) and co-operatives at other levels are organised in a democratic manner.

### **Member economic participation**

Members contribute equitably to, and democratically control, the capital of their co-operative. At least part of that capital is usually the common property of the co-operative. They usually receive limited compensation, if any, on capital subscribed as a condition of membership. Members allocate surpluses for any or all of the following purposes: developing the co-operative, possibly by setting up reserves, part of which at least would be indivisible; benefiting members in proportion to their transactions with the co-operative; and supporting other activities approved by the membership.

### **Autonomy and independence**

Co-operatives are autonomous, self help organisations controlled by their members. If they enter into agreements with other organisations, including governments, or raise capital from external sources, they do so on terms that ensure democratic control by their members and maintain their co-operative autonomy.

### **Education, training and information**

Co-operatives provide education and training for their members, elected representatives, managers and employees so they can contribute effectively to the development of their co-operatives. They inform the general public, particularly young people and opinion leaders, about the nature and benefits of co-operation.

### **Co-operation among co-operatives**

Co-operatives serve their members most effectively and strengthen the co-operative movement by working together through local, national, regional and international structures.

### **Concern for the community**

While focusing on member needs, co-operatives work for the sustainable development of their communities through policies accepted by their members.

## **7 Interpretation to promote co-operative principles**

(cf Vic Act s 7)

- (1) In the interpretation of a provision of this Act or the regulations, a construction that would promote co-operative principles is to be preferred to a construction that would not promote co-operative principles.
- (2) Any requirement in this Act that a co-operative function in accordance with co-operative principles is not to be construed:
  - (a) as requiring the co-operative to function in accordance with all of the principles set out in section 6, or
  - (b) as authorising the co-operative to contravene any other provision of this Act or of its rules.
- (3) The Governor may, by order published in the Gazette, amend the principles set out in section 6 so as to cause those principles to be the co-operative principles adopted from time to time by the International Co-operative Alliance.

## **Division 4 Application of Corporations Law to co-operatives**

### **8 Corporations Law applying under its own force**

(cf Vic Act s 8)

- (1) The provisions of the *Corporations Law* (other than the provisions of the *Corporations Law* mentioned in subsection (2)) are excluded from applying under their own force to co-operatives.

  - (d) provisions that confer or impose functions on a co-operative as a member, or former member, of a corporation, or
  - (e) provisions that relate to dealings by a co-operative in securities of a body corporate, other than securities of the co-operative itself, or
  - (f) provisions that confer or impose functions on a co-operative in its dealings with a corporation, not being dealings in securities of the co-operative, or
  - (g) provisions that relate to securities of a co-operative, other than shares in, debentures of or deposits with a co-operative, or
  - (h) provisions relating to the futures industry, or
  - (i) provisions relating to participants in the securities industry, or
  - (i) provisions relating to the conduct of securities business, or
  - (k) provisions relating to dealers' accounts and audit, or
  - (l) provisions relating to money and scrip of dealers' clients, or
  - (m) provisions relating to registers of interests in securities, or
  - (n) provisions relating to powers of Court to cure procedural irregularities and to make other orders.
- (3) To remove doubt it is declared that subsection (1) does not operate to exclude the operation of Parts 1.2A (Disclosing entities), 7.11 (Conduct in relation to securities) and 7.12 (Offering securities for subscription or purchase) of the *Corporations Law*, except in relation to shares in, debentures of or deposits with a co-operative.

- (4) This section does not operate to give rise to any operation of the *Corporations Law*, and does not confer any function under that Law, which that Law would not otherwise have or confer of its own force.
- (5) This section has effect despite any provision of the *Corporations (New South Wales) Act 1990* or the applicable provisions within the meaning of that Act.

**9 Corporations Law adopted by this Act or the regulations** (cf Vic Act S 9)

- (1) The regulations may adopt, with or without specified modifications, a provision of the *Corporations Law* for application in relation to co-operatives.
- (2) Any provision of this Act or any regulation which adopts provisions of the *Corporations Law* for application in relation to co-operatives operates to apply those provisions as part of this Act and the adopted provisions are to be read as forming part of this Act.
- (3) If a provision of the *Corporations Law* is adopted by any provision of this Act or the regulations, neither the adopted provision nor the adopting provision gives power to the Australian Securities Commission to administer the adopted provision for this Act.

**Part 2 Formation**

**Note.** Each provision of Divisions 1–5 and 8 (other than sections 14 (3) (c), 15 (3) (c), 16 (3) (c) and 19 (1) (c) (ii) (in so far as they may allow a co-operative to have fewer than 5 members), 16 (2) (a), 17 (1), (4), (10) and (11), 19 (1) (d) (ii), 20 (3)–(6) and 23 (2) (b)) is a core consistent provision.

- (2) The provisions of this Schedule mentioned in clause 4 (1) do not apply in relation to a charge on fixtures given by a charge on the land to which they are affixed.

### **11 What if other property is also charged?**

For the purposes of this Division, a charge is to be considered to be a charge on property of a kind to which a particular paragraph of clause 4 (2) applies even though the instrument of charge also charges other property of the co-operative including other property that is of a kind to which none of the paragraphs of that subclause applies.

### **12 Effect of failure to lodge or give notice or document**

A charge on property of a co-operative is not invalid merely because of the failure to lodge with the Registrar, or give to the co-operative or another person, a notice or other document that is required by this Part to be so lodged or given.

## **Division 2 Notice of charge**

### **13 Lodgment of notice of charge and copy of instrument**

- (1) If a co-operative creates a charge, the co-operative must ensure that there is lodged with the Registrar within 45 days after the creation of the charge, a notice in the form approved by the Registrar setting out the following particulars:
  - (a) the name of the co-operative and the date of the creation of the charge,
  - (b) whether the charge is a fixed charge, a floating charge or both a fixed and floating charge,
  - (c) if the charge is a floating charge, whether there is any provision in the resolution or instrument creating or evidencing the charge that prohibits or restricts the creation of subsequent charges,

- (d) a short description of the liability (whether present or prospective) secured by the charge,
  - (e) a short description of the property charged,
  - (f) whether the charge is created or evidenced by a resolution, by an instrument or by a deposit or other conduct,
  - (g) if the charge is constituted by the issue of a debenture or debentures, the name of the trustee (if any) for debenture holders,
  - (h) if the charge is not constituted by the issue of a debenture or debentures or there is no trustee for debenture holders, the name of the chargee,
  - (i) any other information that is prescribed by the regulations.
- (2) If, pursuant to a resolution or resolutions passed by the co-operative, the co-operative issues a series of debentures constituting a charge to the benefit of which all the holders of debentures in the series are entitled in equal priority, and the charge is evidenced only by the resolution or resolutions and the debentures, the notice under subclause (1) must be accompanied by:
- (a) a copy of the resolution or of each of the resolutions verified by a statement in writing to be a true copy, and
  - (b) a copy of the first debenture issued in the series and a statement in writing verifying the execution of that first debenture.
- (3) If, in a case to which subclause (2) does not apply, the charge created by the co-operative was created or evidenced by an instrument or instruments, the notice under subclause (1) must be accompanied by:
- (a) the instrument or each of the instruments, or
  - (b) a copy of the instrument or of each of the instruments verified by a statement in writing to be a true copy, and a statement in writing verifying the execution of the instrument or of each of the instruments.

#### **14 Series of debentures**

In a case to which clause 13 (2) applies:

- (a) the charge is, for the purposes of clause 13, to be considered to be created when the first debenture in the series of debentures is issued, and
- (b) if, after the issue of the first debenture in the series, the co-operative passes a further resolution authorising the issue of debentures in the series, the co-operative must ensure that a copy of that resolution, verified by a statement in writing to be a true copy of that resolution, is lodged within 45 days after the passing of that resolution.

#### **15 Operation of priority provisions in respect of issue of debentures**

If a notice with respect to an instrument creating a charge has been lodged under clause 13 (1), being a charge in respect of an issue of several debentures the holders of which are entitled under the instrument in equal priority to the benefit of the charge, clauses 46–49 have effect as if any charges constituted by those debentures were registered at the time when the charge to which the notice relates was registered.

#### **16 Discounts**

- (1) If a payment or discount has been made or allowed, either directly or indirectly, by a co-operative to a person in consideration of the person's subscribing or agreeing to subscribe, whether absolutely or conditionally, for debentures, or procuring or agreeing to procure subscriptions, whether absolute or conditional, for debentures, the notice required to be lodged under clause 13 (1) must include particulars as to the amount or rate per cent of the payment or discount.
- (2) If a co-operative issues debentures as security for a debt of the co-operative, the co-operative is not thereby to be regarded, for the purposes of subclause (1), as having allowed a discount in respect of the debentures.

### **19 Acquisition of property subject to charge**

- (1) If a co-operative acquires property that is subject to a charge, being a charge that would have been registrable when it was created if it had been created by a co-operative, the co-operative must, within 45 days after the acquisition of the property:
  - (a) ensure that there is lodged with the Registrar a notice in the form approved by the Registrar in relation to the charge, setting out:
    - (i) the name of the co-operative, and
    - (ii) the date on which the property was so acquired, and
    - (iii) any other particulars required by clause 13 (1), and
  - (b) give to the chargee notice that it has acquired the property and the date on which it was so acquired.
- (2) If the charge referred to in subclause (1) was created or evidenced as mentioned in clause 13 (2), the notice under subclause (1) (a) must be accompanied by:
  - (a) a copy of the resolution or of each of the resolutions referred to in clause 13 (2) verified by a statement in writing to be a true copy, and
  - (b) a copy of the first debenture issued in the series referred to in clause 13 (2) verified by a statement in writing to be a true copy.
- (3) If the charge referred to in subclause (1) was created or evidenced by an instrument or instruments (otherwise than as mentioned in clause 13 (2)), the notice under subclause (1) (a) must be accompanied by:
  - (a) the instrument or each of the instruments, or
  - (b) a copy of the instrument or of each of the instruments verified by a statement in writing to be a true copy.

- (4) Subject to this Division, if particulars in respect of a charge are entered in the Register in accordance with subclause (1), the charge is to be considered to be registered, and to have been registered from and including the time and date entered in the Register under that subclause.

- (5) The Registrar may enter in the Register in relation to a charge, in addition to the particulars expressly required by this Division to be entered, such other particulars as the Registrar thinks fit.

## **20 Provisional registration if stamp duty not paid**

- (1) If:
- (a) a notice in respect of a charge on property of a co-operative is lodged under Division 2, and
  - (b) the notice is not accompanied by a certificate to the effect that all documents accompanying the notice have been duly stamped as required by any applicable law relating to stamp duty,

the Registrar must cause to be entered in the Register the time and date when the notice was lodged and the particulars referred to in clause 19 (1) (a)–(e), but must cause the word “provisional” to be entered in the Register next to the entry specifying that time and date.

- (2) Subclause (1) applies whether the notice was lodged during or after the period within which the notice was required to be lodged.
- (3) The Registrar must delete the word “provisional” entered in the Register under subclause (1) from an entry relating to a charge if a certificate to the effect set out in subclause (1) (b) has been produced to the Registrar:
- (a) within a period of 28 days, or
  - (b) within such longer period as is prescribed after the notice was lodged, or
  - (c) within such further period as the Registrar, if the Registrar considers it to be appropriate in a particular case, allows.

  - (b) such of the particulars referred to in clause 19 (1) (a)–(e) as are ascertainable, and
  - (c) the word “provisional” next to the entry specifying the time and date.
- (2) If a defective notice in respect of a charge is lodged under clause 19, the Registrar must, by written notice to the person who lodged the defective notice, direct the person to ensure that there is lodged, on or before the day specified in the notice, a notice in relation to the charge that complies with the requirements of Division 2.
- (3) Subclauses (1) and (2) apply whether the defective notice was lodged during or after the period within which the notice was required to be lodged.
- (4) The giving by the Registrar of a direction to the person under subclause (2) does not affect any liability that the co-operative may have incurred or may incur by reason of a contravention of Division 2.
- (5) If the Registrar gives a direction to a person under subclause (2) in relation to a charge and the direction is complied with on or before the day specified in the notice containing the direction, the Registrar must:

- (7) If the Registrar gives a direction to a person under subclause (2) in relation to a charge and the direction is complied with after the day specified in the notice, the Registrar must cause to be entered in the Register in relation to the charge:
- (a) the time at which and day on which the direction was complied with, and
  - (b) the particulars referred to in clause 19 (1) (a)–(e).
- (8) In this clause defective notice means a document that:
- (a) purports to be a notice in respect of a charge on property of a co-operative for the purposes of Division 2, and
  - (b) contains the name of the co-operative concerned and the particulars referred to in clause 13 (1) (g) or (h), as the case requires,
- but does not contain some or all of the other particulars that are required to be included in the notice or is otherwise defective.

## **22 Effect of provisional registration**

- (1) Subject to this clause, if the word “provisional” is entered in the Register next to an entry specifying a time and day in relation to a charge, the charge is to be considered not to have been registered.
- (2) If the word “provisional” is deleted from the Register pursuant to clause 20 or 21 (5), the charge is to be considered to be registered and to have been registered from and including the time and day specified in the Register pursuant to clause 20 or 21(1), as the case may be.

- (3) If the particulars in relation to the charge are deleted from the Register pursuant to clause 21 (6) and those particulars and a time and day are subsequently entered in the Register in relation to the charge pursuant to clause 21 (7) the charge is to be considered to be registered from and including that last-mentioned time and day.

### **23 What if 2 or more charges relate to the same property?**

- (1) If, pursuant to clause 17, a co-operative lodges notices relating to 2 or more charges on the same property acquired by the co-operative (being charges that are not already registered under this Division), the time and day that is to be entered in the Register in relation to each of those charges are the time and day when the first notice was lodged.
- (2) If, in accordance with subclause (1), the time and day that are entered in the Register are the same in relation to 2 or more charges on property acquired by a co-operative, those charges are to have, as between themselves, the respective priorities that they would have had if they had not been registered under this Division.

### **24 Registration of assignment or variation of charge**

- (2) A charge is not void under subclause (1) if:
- (a) a notice in respect of the charge was lodged under clause 13 or 17, as the case requires:
- (i) within the relevant period, or
- (ii) at least 6 months before the critical day, or
- (b) the period within which a notice in respect of the charge (other than a notice under clause 36) is required to be lodged, being the period specified in the relevant clause or that period as extended by the Court under clause 29, has not ended at the start of the critical day and the notice is lodged before the end of that period, or
- (c) in relation to a charge to which clause 17 applies, the period of 45 days after the chargee becomes aware that the property charged has been acquired by a co-operative has not ended at the start of the critical day and the notice is lodged before the end of that period.

**29 Supreme Court may extend required period**

The Court, if it is satisfied that the failure to lodge a notice in respect of a charge, or in respect of a variation in the terms of a charge, as required by any provision of this Schedule:

- (a) was accidental or due to inadvertence or some other sufficient cause, or
  - (b) is not of a nature to prejudice the position of creditors or shareholders,
- or that on other grounds it is just and equitable to grant relief, may, on the application of the co-operative or any person interested and on such terms and conditions as seem to the Court just and expedient, by order, extend the period for such further period as is specified in the order.

- (2) Subclause (1) applies even if a notice in respect of the later charge was lodged under clause 13 within the period mentioned in clause 27 (2) (a).
- (3) Subclause (1) does not apply if it is proved to the satisfaction of the Court that the later charge was given in good faith for the purpose of correcting some material error in the earlier charge or under other proper circumstances and not for the purposes of avoiding or evading the provisions of this Division.

### 31 Effect of provisions on purchaser in good faith

  - (b) within 6 months after the creation of the charge, the chargee purports to take a step in the enforcement of the charge without the Court having, under clause 34, given leave for the charge to be enforced,

the charge, and any powers purported to be conferred by an instrument creating or evidencing the charge, are, and are to be considered always to have been, void.

- (2) Without limiting the generality of subclause (1), a person who:
  - (a) appoints a receiver of property of a co-operative under powers conferred by an instrument creating or evidencing a charge created by the co-operative, or
  - (b) whether directly or by an agent, enters into possession or assumes control of property of a co-operative for the purposes of enforcing a charge created by the co-operative,

### **34 Court may give leave for enforcement of charge**

- (a) immediately after the creation of the charge, the co-operative that created the charge was solvent, and
- (b) in all the circumstances of the case, it is just and equitable for the Court to do so.

### **35 Certain transactions excluded**

- (1) Nothing in clause 33 affects a debt, liability or obligation of a co-operative that would, if that clause had not been enacted, have been secured by a charge created by the co-operative.
- (2) Nothing in clause 33 operates to affect the title of a person to property (other than the charge concerned or an interest in the charge concerned) purchased for value from a chargee under a charge, from an agent of a chargee under a charge, or from a receiver appointed by a chargee under a charge in the exercise of powers conferred by the charge or implied by law, if that person purchased the property in good faith and without notice that the charge was created in favour of a person who is, or in favour of persons at least one of whom is, as the case may be, a relevant person in relation to the charge.
- (3) The onus of proving that a person purchased property in good faith and without notice that a charge was created as mentioned in subclause (2) is on the person asserting that the property was so purchased.

## **Division 6 Assignment, variation or satisfaction of charges**

### **36 Assignment and variation of charges**

- (1) If, after a registrable charge on property of a co-operative has been created, a person other than the original chargee becomes the holder of the charge, the

-

  - (b) prohibiting or restricting the creation of subsequent charges on the property,
- the co-operative must, within 45 days after the variation occurs, ensure that there is lodged with the Registrar a notice setting out particulars of the variation and accompanied by the instrument (if any) effecting the variation or a certified copy of that instrument.
- (3) If a charge created by a co-operative secures a debt of an unspecified amount or secures a debt of a specified amount and further advances, a payment or advance made by the chargee to the co-operative in accordance with the terms of the charge is not to be taken, for the purposes of subclause (2), to be a variation in the terms of the charge having the effect of increasing the amount of the charge or the liabilities (whether present or prospective) secured by the charge.
- (4) A reference in this clause to the chargee in relation to a charge is, if the charge is constituted by a debenture or debentures and there is a trustee for debenture holders, to be construed as a reference to the trustee for debenture holders.

### **37 Satisfaction of, and release of property from, charges**

- (1) If, with respect to a charge registered under this Part:
- (a) the debt or other liability the payment or discharge of which was secured by the charge has been paid or discharged in whole or in part, or
  - (b) the property charged or part of that property is released from the charge,

the person who was the holder of the charge at the time when the debt or other liability was so paid or discharged or the property or part of the property was released must, within 14 days after receipt of a request in writing made by the co-operative on whose property the charge exists, give to the co-operative a memorandum in the form approved by the Registrar acknowledging that the debt or other liability has been paid or discharged in whole or in part or that the property or that part of it is no longer subject to the charge, as the case may be.

- (2) The co-operative may lodge the memorandum with the Registrar and, on the memorandum being lodged, the Registrar must enter in the Register particulars of the matters stated in the memorandum.
- (3) The reference in subclause (1) to the person who was the holder of a charge at the time when the debt or other liability was so paid or discharged or the property or part of the property was released is, if the charge was constituted by a debenture or debentures and there was a trustee for debenture holders, to be construed as a reference to the person who was, at that time, the trustee of debenture holders.
