 - (b) have its registered office at a location that is outside of the territorial limits of the State.

Maximum penalty: 1,000 penalty units.

Note. If a relevant company contravenes this subsection, section 40 operates to make each person who is a director of the company or who is concerned in the management of the company liable for the offence if the person knowingly authorised or permitted the contravention.

- (2) Subsection (1) is taken to extend to acts or omissions occurring during or after the introduction day but before the assent day.
- (3) However, if a relevant company has its registered office at a location outside of the territorial limits of the State on the introduction day, subsection (1) does not make the company liable for an offence provided that the address of the office is changed to a location within the territorial limits of the State within 5 working days after the introduction day.
- (4) It is taken to be a provision of the constitution of each relevant company that:

- (a) the registered office of the company be located within the territorial limits of the State unless the Minister gives written approval for it to be located outside the territorial limits of the State, and
- (b) the address of its registered office not be changed to a location that is outside of the territorial limits of the State without the written approval of the Minister.

- (4) It is taken to be a provision of the constitution of each relevant company that:

Division 3 Transfers of shares by relevant companies

11 Certain transfers of shares in liable entities prohibited

- (1) A relevant company must not transfer to any person any shares that it holds in a liable entity without the written approval of the Minister.

Maximum penalty: 1,000 penalty units.

Note. If a relevant company contravenes this subsection, section 40 operates to make each person who is a director of the company or who is concerned in the management of the company liable for the offence if the person knowingly authorised or permitted the contravention.
- (2) Without limiting subsection (1), an order of the Minister under section 12 instructing a relevant company and its directors and officers to transfer shares constitutes written approval of the Minister for the purposes of that subsection for the transfer of those shares.
- (3) Subsections (1) and (2) are taken to extend to transfers of shares occurring during or after the introduction day but before the assent day.

12 Orders requiring transfer of shares back to relevant company

- (1) If a relevant company transfers shares in contravention of section 11, the Minister may, by order served on the person to whom or which the shares were transferred, instruct the person (and, in the case of a company, its directors and other officers) to take such steps as are

necessary under the Corporations Act and any other relevant law (whether written or unwritten) to transfer those shares back to the relevant company during the day or within the period specified in the order.

- (2) A person must comply with any order made under subsection (1) that is served on the person.

Maximum penalty: 1,000 penalty units.

- (3) If a person holds shares to which an order under subsection (1) applies on trust or for the benefit of another person, any beneficial interest of the other person in the shares is extinguished on the transfer of the shares back to the relevant company.
- (4) No compensation is payable for any of the following:
- (a) the loss of any legal or beneficial interest in shares resulting from the transfer of the shares in compliance with an order under subsection (1) (including the extinguishment of a person's beneficial interest in shares by operation of subsection (3)),
 - (b) any costs or other expenses incurred by a person in complying with an order under subsection (1).

Division 4 Expiry of Part

13 Part expires when external administration period ends

The provisions of this Part cease to have effect at the end of the day on which the external administration period ends.

Division 5 Displacement of Corporations legislation

14 Displacement of certain provisions of Corporations legislation

- (1) Sections 8 and 9 (and section 40 in its application to contraventions of those sections by relevant companies) are declared to be Corporations legislation displacement provisions for the purposes of section 5G of the Corporations Act in relation to the provisions of the Corporations legislation generally.

Note. Chapter 2B of the Corporations Act makes provision with respect to the registered offices of companies and places of business of companies. See also section 121 (Registered office) of that Act.

Chapter 2C of the Corporations Act makes provision for the keeping of registers (including Member Registers) by companies. See, in particular, sections 169 (Register of members), 172 (Location of registers) and 178 (Overseas branch registers) of that Act.

Section 5G (9) of the Corporations Act provides that if a provision of a law of a State or Territory provides that a provision is included, or taken to be included, in a company's constitution, the provision is included in the company's constitution even though the procedures and other requirements of that Act are not complied with in relation to the provision.

Section 5G (11) of the Corporations Act provides that if a State law declares a provision of a State law to be a Corporations legislation displacement provision, any provision of the Corporations legislation with which the State provision would otherwise be inconsistent does not apply to the extent necessary to avoid the inconsistency.

However, section 5G (3) of the Corporations Act provides that section 5G will only apply to a provision of a law of a State or Territory enacted after the commencement of that Act if a law of the State or Territory declares the provision to be a Corporations legislation displacement provision for the purposes of that section.

- (2) Section 11 (and section 40 in its application to contraventions of that section by relevant companies) are declared to be Corporations legislation displacement provisions for the purposes of section 5G of the Corporations Act in relation to the provisions of the Corporations legislation generally.

Note. Chapters 2H and 2J of the Corporations Act make provision with respect to the issue of shares and transactions affecting share capital.

Section 5G (11) of the Corporations Act provides that if a State law declares a provision of a State law to be a Corporations legislation displacement provision, any provision of the Corporations legislation with which the State provision would otherwise be inconsistent does not apply to the extent necessary to avoid the inconsistency.

- (3) Sections 10 and 12 (and section 40 in its application to contraventions of those sections by relevant companies) are declared to be Corporations legislation displacement provisions for the purposes of section 5G of the Corporations Act in relation to the provisions of the Corporations legislation generally.

Note. Section 5G (5) of the Corporations Act provides that if a provision of a law of a State or Territory specifically:

- (a) authorises a person to give instructions to the directors or other officers of a company or body, or
- (b) requires the directors of a company or body to:
 - (i) comply with instructions given by a person, or
 - (ii) have regard to matters communicated to the company or body by a person, or
- (c) provides that a company or body is subject to the control or direction of a person,

a provision of the Corporations legislation does not:

- (d) prevent the person from giving an instruction to the directors or exercising control or direction over the company or body, or
- (e) prohibit a director from complying with the instruction or direction, or
- (f) impose a liability (whether civil or criminal) on a director for complying with the instruction or direction.

Section 5G (11) of the Corporations Act provides that if a State law declares a provision of a State law to be a Corporations legislation displacement provision, any provision of the Corporations legislation with which the State provision would otherwise be inconsistent does not apply to the extent necessary to avoid the inconsistency.

Part 3 External administration of liable entities

Division 1 General

15 External administration period

- (1) For the purposes of this Act, the *external administration period* means the period:
 - (a) commencing on the assent day, and
 - (b) ending at the end of the day appointed by the Governor under subsection (2) for the termination of the external administration under this Part.
- (2) The Governor may, by proclamation published in the Gazette, fix a day for the termination of the external administration of each liable entity under this Part.
- (3) The Governor may, by proclamation published in the Gazette, revoke a proclamation published under subsection (2), in which case the revoked proclamation is taken never to have been published.
- (4) A revoking proclamation has effect only if published before the day fixed under subsection (2) by the proclamation it revokes.
- (5) The revocation of a proclamation published under subsection (2) does not prevent publication of a further proclamation under that subsection.

16 External administration must be conducted under this Part

- (1) During the external administration period:
 - (a) any external administration of a liable entity is to be conducted only in accordance with the provisions of this Part, and
 - (b) no proceedings may be brought or continued in a court or other tribunal for the external administration of a liable entity otherwise than in accordance with the provisions of this Part.
- (2) Nothing in this Part is intended to prevent or limit any liable entity or any of its directors or other officers from providing assistance to ASIC.
- (3) In this section, *external administration* means any scheme of arrangement, receivership, winding up or other kind of external administration.

Division 2 Management of liable entities

17 Management during external administration period

Subject to the provisions of this Part and Part 2, each liable entity is to be managed during the external administration period in accordance with any applicable provisions of the Corporations Act or any other legislation, the constitution of the entity and the general law.

18 Conduct of business during external administration period

- (1) Subject to this Part, during the external administration period the powers of each liable entity must be exercised so as to:
- (a) carry on the business of the entity so far as is necessary for the management of claims made against the entity, and
 - (b) pay claims made against the entity in accordance with the provisions of this Part.

Note. Part 2B.1 of the Corporations Act makes provision for the powers of companies and how they are to be exercised. In particular, section 124 of that Act provides that a company has the legal capacities and powers of an individual. However, section 124 (3) of that Act makes it clear that nothing in that section authorises a company to do an act that is prohibited by a law of a State or gives a right to a company that a law of a State denies to it.

- (2) Without limiting subsection (1), a liable entity may also:
- (a) make any compromise or arrangement with persons having or alleging that they have any claim (present or future, certain or contingent, ascertained or sounding only in damages) against the entity or by which the entity may be rendered liable, and
 - (b) enforce any calls, liabilities to calls, debts, liabilities capable of resulting in debts and any claims (present or future, certain or contingent, ascertained or sounding only in damages) subsisting or supposed to subsist between the entity and a contributory or other debtor or person apprehending liability to the entity, and
 - (c) compromise any call, debt, liability or claim referred to in paragraph (b), and all questions in any way relating to or affecting the property of the entity or the external administration of the entity under this Part, on such terms as are agreed, and take any security for the discharge of, and give a complete discharge in respect of, any such call, debt, liability or claim, and
 - (d) do all such other things:
 - (i) as are necessary for the purposes of exercising a power under subsection (1) or paragraph (a), (b) or (c) or of the external administration of the entity under this Part, or
 - (ii) that the entity is directed, required, authorised or permitted to do by or under this Part.

- (3) An exercise of a power by a liable entity is not invalid merely because it is exercised in contravention of subsection (1) or (2).
- (4) However, nothing in subsection (3) prevents:
 - (a) the making of an application to the Supreme Court under section 32 for an order to remedy or restrain a contravention of subsection (1) or (2), or
 - (b) the Supreme Court from granting any relief under section 32 on any such application.

19 Directions from Minister

- (1) The Minister may, by written order served on a liable entity, direct the entity to do, or not to do, any thing that the Minister is satisfied is necessary or appropriate for the external administration of the entity in accordance with the provisions of this Part.
- (2) A liable entity is required and authorised to comply with any direction given to it under an order made under subsection (1) that is served on it.

20 Notification that liable entity under external administration

Each liable entity is authorised and required during the external administration period to set out in every public document, and in every negotiable instrument, of the entity, after the name of the entity where it first appears, the expression “under NSW external administration”.

21 Liable entity may continue to trade while insolvent

A liable entity and its directors and other officers are specifically authorised during the external administration period to conduct the business of the entity in the manner directed, required, authorised or permitted by or under this Part even if:

- (a) the entity is insolvent, or
- (b) the entity will become insolvent by reason of conducting its business in such a manner.

22 Deregistration of liable entities

A liable entity, any director or other officer or member of such an entity or any other person may not make an application during the external administration period for the deregistration of a liable entity under the Corporations Act without the written consent of the Minister.

Division 3 Making and payment of claims

23 Claims payable only as permitted by this Division

- (1) During the external administration period, claims against a liable entity may be paid only in the manner permitted by this Division.
- (2) A person who has a claim against a liable entity may bring proceedings during the external administration period to enforce payment of the claim, but only to the extent authorised or permitted by this Division.
- (3) Accordingly, no court or other tribunal has any jurisdiction or power during the external administration period to entertain proceedings or grant any relief in respect of any claim against a liable entity other than in accordance with the provisions of this Division.

24 Determination of whether sufficient funds

In determining whether or not there are or will be sufficient funds for the payment of claims against a liable entity, regard is to be had to the amount of funding that is or will be available for the payment of such claims (whether from the funds of the entity itself or from contributions of funds made by any other person).

25 Payments during period of sufficient funds

If there are sufficient funds to do so, a liable entity is authorised to pay all claims against it in full and as and when they fall due for payment.

26 Minister may apply to Supreme Court if insufficient funds

- (1) If there are or will be insufficient funds for all of the claims against a liable entity to be paid in full as and when they fall due for payment, the Minister may apply to the Supreme Court for orders under subsection (2).
- (2) On any such application, the Supreme Court may, if satisfied that there are or will be insufficient funds for all of the claims against a liable entity to be paid in full as and when they fall due for payment, make the following orders:
 - (a) an order declaring that there will be insufficient funds to pay the liable entity's debts in full for the period specified by the order (the *insufficient funds period*),
 - (b) an order approving a scheme for the part payment or deferral of payment of claims against the entity during the insufficient funds period (an *approved payment scheme*).

- (3) The Supreme Court may not approve a scheme for the part payment or deferral of payment of claims against a liable entity during an insufficient funds period unless the scheme provides for the following:
- (a) the payment in full of the operating expenses and claims processing expenses of the entity during the period in priority over claims of the kind referred to in paragraph (b) or (c),
 - (b) the payment of claims for damages for personal injury or death during the period:
 - (i) in full, or
 - (ii) in part (calculated on an appropriate proportionate basis among claimants whose claims are payable when the period commences or become payable during that period),in priority over claims of the kind referred to in paragraph (c),
 - (c) the payment in part, or the deferral of the payment, of any other kinds of claims during the period.
- (4) The Supreme Court may, on the application of the Minister, revoke or vary any orders made under subsection (2).
- (5) While an approved payment scheme is in force, a liable entity is authorised to pay claims against the entity that are payable and to refuse to pay claims that are deferred, but only to the extent and in accordance with the terms of the scheme.
- (6) Despite the provisions of the *Limitation Act 1969* or any other legislation or law (whether written or unwritten):
- (a) if part payment of a claim is authorised under an approved payment scheme, a claimant is entitled to payment during the insufficient funds period of that part of the total amount payable as is permitted under the scheme (but without prejudice to the right of the claimant to recover the balance of the total amount payable after the end of the period), and
 - (b) if the payment of a claim is deferred under an approved payment scheme:
 - (i) any pending proceedings before any court or other tribunal in respect of the deferred claim may not be continued or maintained until payment of the claim ceases to be deferred under the scheme, and
 - (ii) any limitation period applicable to the making of the claim is taken to stop running on the day on which the insufficient funds period commences and to recommence to run on the day after the period ends.

Division 4 Reporting requirements, information and assistance

27 External administration accounts

- (1) A liable entity must, within 1 month after the end of such period as the Minister may direct from time to time (a *specified period*) by order served on the entity, lodge with the Minister:
 - (a) an account in the form prescribed by the regulations verified by statement in writing showing:
 - (i) the entity's receipts and payments during the specified period, and
 - (ii) in the case of the second account lodged under this subsection and all subsequent accounts—the aggregate amount of receipts and payments during all preceding specified periods, and
 - (b) a statement in the form prescribed by the regulations relating to the position in the external administration, verified by a statement in writing.
- (2) Without limiting subsection (1), the Minister may direct that a specified period includes a period occurring before the commencement of the external administration period.
- (3) An account or statement is verified in writing for the purposes of subsection (1) if a director or secretary of the liable entity concerned makes a statutory declaration to the effect that the account or statement is true and fair.
- (4) The Minister may:
 - (a) cause the account and, where a statement of the position in the external administration has been lodged, that statement to be audited by a registered company auditor, who must prepare a report on the account and the statement (if any), or
 - (b) require a liable entity to have the account and, where a statement of the position in the external administration is to be lodged, that statement to be audited by a registered company auditor, who must prepare a report on the account and the statement (if any) for lodgment.
- (5) For the purposes of the audit under subsection (4), the liable entity must give the auditor access to such books and information as the auditor requires.
- (6) If the Minister causes an account, or an account and a statement, to be audited (or requires a liable entity to have the account, or account and statement, audited) under subsection (4):

- (a) in the case of an audit that the Minister causes to be undertaken under subsection (4) (a)—the Minister must give to the liable entity a copy of the report prepared by the auditor, and
 - (b) the preparation or publication of the report does not subject the Minister or the auditor personally to any action, liability, claim or demand.
- (7) The costs of an audit under this section:
- (a) in the case of an audit that the Minister causes to be undertaken under subsection (4) (a)—must be fixed by the Minister, and
 - (b) form part of the operating expenses of the liable entity.

Division 7 Displacement of Corporations legislation

36 Displacement of certain provisions of the Corporations Act

- (1) The provisions of Divisions 1–6 of this Part are declared to be Corporations legislation displacement provisions for the purposes of section 5G of the Corporations Act in relation to Chapter 5 of the Corporations Act.

Note. Chapter 5 of the Corporations Act makes provision for the external administration of companies and certain other bodies.

Section 5G (4) of the Corporations Act provides that a provision of the Corporations legislation does not:

- (a) prohibit the doing of an act, or
- (b) impose a liability (whether civil or criminal) for doing an act,

if a provision of a law of a State or Territory specifically authorises or requires the doing of that act. Section 21 of this Act specifically authorises a liable entity and its directors and other officers to conduct the entity's business as provided by this Part even if insolvent. Part 5.7B of the Corporations Act prohibits a company and its directors and officers from trading while insolvent.

Section 5G (8) of the Corporations Act provides that the provisions of Chapter 5 of that Act do not apply to a scheme of arrangement, receivership, winding up or other external administration of a company to the extent to which the scheme, receivership, winding up or administration is carried out in accordance with a provision of a law of a State or Territory.

Section 5G (9) of the Corporations Act provides that if a provision of a law of a State or Territory provides that a provision is included, or taken to be included, in a company's constitution, the provision is included in the company's constitution even though the procedures and other requirements of that Act are not complied with in relation to the provision. Section 30 (3) of this Act provides that certain provisions relating to the removal of directors are taken to be part of the constitution of a liable entity.

Section 5G (11) of the Corporations Act provides that if a State law declares a provision of a State law to be a Corporations legislation displacement provision, any provision of the Corporations legislation with which the State provision would otherwise be inconsistent does not apply to the extent necessary to avoid the inconsistency.

However, section 5G (3) of the Corporations Act provides that section 5G will only apply to a provision of a law of a State or Territory enacted after the commencement of that Act if a law of the State or Territory declares the provision to be a Corporations legislation displacement provision for the purposes of that section.

- (2) Without limiting subsection (1), section 20 is declared to be a Corporations legislation displacement provision for the purposes of section 5G of the Corporations Act in relation to the provisions of Part 2B.6 of that Act.

Note. Part 2B.6 of the Corporations Act makes provision for the use of names by companies.

Section 5G (6) of the Corporations Act provides that the provisions of Part 2B.6 and Part 5B.3 of that Act (which relate to the use of names) do not:

- (a) prohibit a company or other body from using a name if the use of the name is expressly provided for, or authorised by, a provision of a law of a State or Territory, or
- (b) require a company or other body to use a word as part of its name if the company or body is expressly authorised not to use that word by a provision of a law of a State or Territory.

- (3) Without limiting subsection (1), section 22 is declared to be a Corporations legislation displacement provision for the purposes of section 5G of the Corporations Act in relation to Part 5A.1 of the Corporations Act.

Note. Part 5A.1 of the Corporations Act makes provision for the deregistration of companies.

Section 5G (5) of the Corporations Act provides that if a provision of a law of a State or Territory specifically:

- (a) authorises a person to give instructions to the directors or other officers of a company or body, or
- (b) requires the directors of a company or body to:
 - (i) comply with instructions given by a person, or
 - (ii) have regard to matters communicated to the company or body by a person, or
- (c) provides that a company or body is subject to the control or direction of a person,

a provision of the Corporations legislation does not:

Section 36 James Hardie Former Subsidiaries (Special Provisions) Act 2005 No 45

Part 3 External administration of liable entities

- (d) prevent the person from giving an instruction to the directors or exercising control or direction over the company or body, or
- (e) prohibit a director from complying with the instruction or direction, or
- (f) impose a liability (whether civil or criminal) on a director for complying with the instruction or direction.

Section 5G (11) of the Corporations Act provides that if a State law declares a provision of a State law to be a Corporations legislation displacement provision, any provision of the Corporations legislation with which the State provision would otherwise be inconsistent does not apply to the extent necessary to avoid the inconsistency.
