[3] Section 97DD Conditions of accreditation

Omit section 97DD (2).

[4] Section 97DD (3) (a) and (b)

Omit “for the purposes of compliance with another mandatory scheme (whether of this State or another jurisdiction)” wherever occurring.

Insert instead “for the purposes of compliance with another scheme (whether mandatory or voluntary and whether or not imposed by or under a law of this State or another jurisdiction or otherwise), or in accordance with any agreement, arrangement or undertaking of any kind.”.

[5] Section 97DDA

Insert after section 97DD:

97DDA Variation or revocation of conditions of accreditation

- (1) An accredited abatement certificate provider may apply to the Scheme Administrator for the variation or revocation of any condition of accreditation imposed by the Scheme Administrator under section 97DD (1) (b).
- (2) The regulations may make provision for or with respect to the variation or revocation of any conditions of accreditation that are imposed by the Scheme Administrator, including the fee (if any) to be paid to the Scheme Administrator in respect of an application under subsection (1).
- (3) The Scheme Administrator may charge a fee (in addition to any application fee) in respect of the investigation and determination of an application under subsection (1). The fee is to be determined by the Scheme Administrator on a cost recovery basis.

[6] Section 97GBA

Insert after section 97GB:

97GBA Information from registers

- (1) The Scheme Administrator may compile information concerning the following from the register of accredited abatement certificate providers and the register of abatement certificates:
 - (a) the creation or cancellation of abatement certificates under this Part,
 - (b) current and previous registered owners of abatement certificates,
 - (c) the transfer of abatement certificates,
 - (d) other information of a kind prescribed by the regulations.
- (2) The Scheme Administrator may make information compiled under subsection (1) available for public inspection (free of charge) in such form as the Administrator thinks fit.

[7] Section 97HF Annual report by Tribunal

Omit “30 June” from section 97HF (1). Insert instead “31 July”.

[8] Part 8A, Division 12

Insert after Division 11:

Division 12 Termination of operation of Part

97KB Termination of operation of Part on establishment of national scheme for reduction of greenhouse gas emissions

- (1) The Governor may, by proclamation published in the Gazette, terminate the operation of any or all of the provisions of this Part.
- (2) A proclamation may be made only if the Minister has certified to the Governor that the Minister is satisfied that New South Wales is, or will be, a participant in a scheme that:
 - (a) has been or will be established (either nationally or in this State and at least one or more other States or Territories), and
 - (b) is designed to achieve outcomes that include the reduction of greenhouse gas emissions associated with the production and use of electricity and encouragement of participation in activities to offset the production of greenhouse gas emissions nationally or in the participating jurisdictions.
- (3) The termination of the operation of the provisions concerned takes effect on the day (not being a day earlier than the day on which the proclamation is published in the Gazette) specified in the proclamation.
- (4) The day specified in the proclamation must not be a day that is earlier than the day on which New South Wales becomes, or will become, a participant in the scheme concerned.
- (5) Regulations may be made for or with respect to the effect of the termination of any provisions on rights conferred or obligations imposed under this Part.
- (6) Without limiting subsection (5), regulations may specify conditions that must be complied with in respect of termination of a provision.
