permanent employee means an employee of NSW Lotteries whose employment is in a category of employment that is described in the relevant award as permanent employment.

relevant award means:

- (a) *New South Wales Lotteries Corporation (Salaries, Allowances and Conditions of Employment) 2008 Award* of the Industrial Relations Commission, or
- (b) any award, agreement or industrial instrument (under a law of the State or of the Commonwealth) to which NSW Lotteries is a party and that is expressed to cover employees of NSW Lotteries, to the extent that it replaces or supersedes the Award referred to in paragraph (a).

temporary employee means an employee of NSW Lotteries whose employment is in a category of employment that is described in the relevant award as temporary employment.

transaction completion means the day certified by the Treasurer by order in writing as the day on which the authorised transaction is completed.

transferred employee means an employee of NSW Lotteries whose employment is transferred under this Schedule.

2 Transfer of employees

- (1) The Treasurer may by order in writing transfer the employment of an employee of NSW Lotteries to the employment of a Department of the Public Service or to the employment of an employer in the private sector.
- (2) A transaction company is considered to be an employer in the private sector for the purposes of this Schedule even while it is a public sector agency.
- (3) A person who is a permanent employee or temporary employee of NSW Lotteries may decline to be transferred to employment in the private sector, in which case the employee may only be transferred under this Schedule to the employment of a Department of the Public Service.

-
- (4) The employer to whose employment an employee is transferred under this Schedule is the *new employer*.

3 Employment protection for employees transferred to private sector

- (1) The employment of a transferred employee with the new employer in the private sector is to be on the same terms and conditions as applied to the employee under the relevant award or the employee's contract of employment immediately before the transfer of employment.
- (2) Those terms and conditions cannot be varied during the employment guarantee period for the transferred employee except by agreement entered into by or on behalf of the transferred employee.
- (3) The employment of a transferred employee with the new employer cannot be terminated by the new employer during the employment guarantee period, except:
- (a) for serious misconduct, or
 - (b) pursuant to the proper application of reasonable disciplinary procedures, or
 - (c) pursuant to a direction in respect of which section 57 (Power to terminate employment of key employee at Minister's direction) of the *Public Lotteries Act 1996* applies, or
 - (d) by agreement with the employee.
- (4) The *employment guarantee period* for a transferred employee is:
- (a) for permanent employees—the period of 3 years after the transaction completion, and
 - (b) for temporary employees—the remainder of the employee's current term of employment (as specified in the contract under which the employee was engaged as a temporary employee) immediately before the transaction completion or the period of 3 years after the transaction completion, whichever period ends first, and
 - (c) for contract employees—there is no employment guarantee period for contract employees.

Note. The employment of a transferred employee who is a contract employee remains governed by the contract of employment.

4 Employment protection for employees transferred to Public Service

- (1) The employment of a person who is transferred to a Department under this Schedule is to be on the same terms and conditions as applied to the employee under the relevant award immediately before the transfer, subject to this clause.

- (2) The employment of a transferred employee with the new employer is to be managed in accordance with any relevant public sector policy (an *excess employee policy*) applicable to excess employees of Departments, and for that purpose the employee is to be treated as an employee declared excess by the Department to which the employee is transferred on the basis that the employee's substantive position in the Department has been deleted.
- (3) The terms and conditions of employment of the transferred employee cannot be varied for 12 months after the employee becomes an employee of the new employer except by agreement with the employee or in accordance with an excess employee policy.
- (4) This clause does not operate to extend the period of engagement of a temporary employee of NSW Lotteries. A transferred employee who was a temporary employee of NSW Lotteries immediately before the transfer is not entitled to employment as a transferred employee beyond the finishing date of the person's employment as a temporary employee of NSW Lotteries (as specified in the contract under which the employee was engaged as a temporary employee).

5 Superannuation

- (1) A transferred employee is entitled to continue as a contributor, member or employee for the purposes of any superannuation scheme in respect of which he or she was a contributor, member or employee (as an employee of NSW Lotteries) immediately before the transfer of employment and remains so entitled subject to any variation to that entitlement made either by agreement or otherwise in accordance with law.
- (2) The new employer is taken to be an employer for the purposes of any superannuation scheme in respect of which the transferred employee continues as a contributor, member or employee pursuant to an entitlement under this clause.

6 Continuity of employment

The continuity of a transferred employee's employment is taken not to have been broken by the transfer of employment, and service of the employee with NSW Lotteries (including service deemed to be service with NSW Lotteries) that is continuous service up to the time of transfer is deemed for all purposes to be service with the new employer.

7 Accrued leave entitlements

- (1) A transferred employee retains any rights to sick leave, annual leave or long service leave accrued or accruing immediately before the transfer of employment (except accrued leave for which the employee has, on

ceasing to be an employee of NSW Lotteries, been paid the monetary value in pursuance of any other entitlement of the employee).

- (2) Nothing in the *Industrial Relations Act 1996*, the *Long Service Leave Act 1955* or the *Annual Holidays Act 1944* prevents payment in connection with the operation of this Act of the monetary value of annual leave or long service leave in lieu of an entitlement to that leave accrued by a person as an employee of a public sector agency before the transfer of the employee's employment under this Schedule.

8 Transfer payments

- (1) A transferred employee is not entitled to receive any payment or other benefit (including in the nature of severance pay or redundancy or other compensation) merely because the employee ceased to be an employee of NSW Lotteries, or the employee's contract of employment with NSW Lotteries was terminated, as a result of the transfer of employment (but without affecting any entitlement to a transfer payment under this clause).
- (2) The Treasurer or another public sector agency may enter into agreements or other arrangements with respect to the making of transfer payments to employees in connection with the transfer of employment of employees under this Schedule or otherwise in connection with the operation of this Act.
- (3) Any such arrangements may provide for the payment of any such transfer payments to be payments on the occasion of the termination of employment with the current employer despite any provision of this Schedule.

9 Workplace relations

The Treasurer may negotiate and enter into agreements or industrial instruments concerning workplace relations for or on behalf of the State or a public sector agency in connection with the operation of this Schedule.

10 Operation of Commonwealth law

- (1) A provision of this Schedule (including a provision to the extent that it imposes or continues a term or condition of employment) has no effect to the extent of any inconsistency with any provision of the *Workplace Relations Act 1996* or *Fair Work Act 2009* of the Commonwealth or of any instrument under either of those Acts.
- (2) This clause is not intended to limit the operation of section 21 (Construction of Act and instruments so as not to exceed legislative power) of this Act.

relevant financial interest, in relation to a business, means:

- (c) any entitlement to receive any rent, profit or other income in connection with the use or occupation of premises on which the lottery business of the other person is to be carried on (such as, for example, an entitlement of the owner of premises to receive rent as lessor of the premises).

relevant position means:

- (a) the position of director, manager or secretary, or
- (b) any other position, however designated, if it is an executive position.

Part 3 Licences to conduct public lotteries

Division 1 Grant of licences

10 Operator licences and product licences

- (1) The Minister can grant the following kinds of licences for the purposes of this Act:
 - (a) an ***operator licence***, which is a licence to conduct any public lottery for which the licensee holds a product licence,

- (b) a **product licence**, which is a licence for a particular public lottery that is issued to the licensee under an operator licence to authorise the licensee to conduct the particular public lottery.
- (2) The grant of an operator licence requires the approval of the Treasurer.
- (3) A product licence can only be held by the holder of an operator licence.
- (4) Both kinds of licence can only be held by a corporation or by 2 or more corporations jointly.

11 Considerations for grant of operator licence

- (1) The Minister is not to grant an operator licence to a person (***the applicant***) unless satisfied that the applicant and each close associate of the applicant is a suitable person to be concerned in or associated with the management and operation of the business (***the lottery business***) to be conducted under the licence.
- (2) For the purpose of determining suitability to be concerned in or associated with the management and operation of a lottery business the Minister is to consider whether:
 - (a) the applicant and each close associate is of good repute, having regard to character, honesty and integrity, and
 - (b) the applicant and each close associate is of sound and stable financial background, and
 - (c) the applicant has, or has arranged, a satisfactory ownership or corporate structure, and
 - (d) the applicant has or is able to obtain financial resources that are both suitable and adequate for ensuring the financial viability of the lottery business, and
 - (e) the applicant has or is able to obtain the services of persons who have sufficient experience in the management and operation of a lottery business, and
 - (f) the applicant has sufficient business ability to establish and maintain a successful lottery business, and
 - (g) the applicant has sufficient technical expertise and resources to conduct lotteries of the kind to be conducted as part of the lottery business, and
 - (h) the applicant or any close associate has any business association with any person, body or association who, in the opinion of the Minister, is not of good repute having

regard to character, honesty and integrity or has undesirable or unsatisfactory financial sources, and

- (i) each director, partner, executive officer and secretary and any other officer or person determined by the Minister to be associated or connected with the ownership, administration or management of the operations of the lottery business of the applicant is a suitable person to act in that capacity.
- (3) This section does not limit the matters that the Minister can consider in determining suitability to be concerned in or associated with the management and operation of a lottery business and does not limit the matters that the Minister can consider in deciding whether to grant an operator licence to the applicant.

12 Considerations for grant of product licence

- (1) The Minister is not to grant a product licence for the conduct of a game as a public lottery unless satisfied that the game is suitable to be conducted as a public lottery.
- (2) For the purpose of determining the suitability of a game to be conducted as a public lottery the Minister is to consider:
 - (a) whether the proposed rules of the game are appropriate and sufficient to ensure the game's integrity as a public lottery, and
 - (b) whether the harm minimisation and consumer protection measures proposed for the conduct of the game are appropriate and sufficient for the purposes of the conduct of the game as a public lottery, and
 - (c) such other matters as the Minister considers relevant.

13 Police assistance

- (1) The Minister and the Commissioner of Police may enter into arrangements for the supply to the Minister of information contained in the records of the NSW Police Force to assist in the effectual administration of this Part. Those arrangements are sufficient authority for the supply of that information.
- (2) The Minister may arrange with the Commissioner of Police for police officers to be seconded or otherwise engaged to assist the Minister in the exercise of functions under this Part.

14 Conditions of licence

- (1) The Minister may impose any conditions on a licence at the time of its issue.
- (2) The Minister may at any time amend the conditions of a licence (by imposing further conditions or by altering or removing existing conditions) but only with the agreement of the licensee. In addition, in the case of an operator licence, the Minister may not amend the conditions of the licence without the approval of the Treasurer.
- (3) The agreement of the licensee is not required for an amendment to the conditions of a licence under Division 2 (Disciplinary action).
- (4) The approval of the Treasurer must be obtained for the inclusion in a licence (either at the time of issue or by subsequent amendment) of a condition specifying the general duty or licence duty, or both, to be paid by the licensee to the Treasurer in accordance with Part 5.
Note. Part 5 provides for the inclusion of conditions in the licence relating to the prize fund for a public lottery, and to the payment of duty by the licensee in connection with the grant of the licence and the conduct of the public lottery.
- (5) The conditions of a licence must at all times include the conditions specified in Schedule 1 as the mandatory conditions of the licence.
- (6) Without limiting the conditions that can be imposed on a licence, any of the conditions specified in Schedule 1 as the optional conditions of a licence can be imposed on a licence.
- (7) A licensee may apply to the Minister for an amendment of the conditions of the licence and any such application is to be made and determined in accordance with any relevant conditions of the licence.

15 Licence fees

The Minister may require the payment of fees for or in connection with the consideration and determination of an application for the grant or transfer of a licence (including fees to cover reasonable costs incurred in investigating and inquiring into any application or proposal for the grant or transfer of a licence).

16 Consideration payment for licence

- (1) The Minister may, on the occasion of the grant of an operator licence, require the licensee to pay a *consideration payment* in connection with the grant of the licence.
- (2) The Minister may determine that the consideration payment is to be payable wholly in respect of the operator licence or may determine that it is to be apportioned between the operator licence and any one or more of the product licences issued to the licensee when the operator licence is issued.
- (3) The Minister may determine that a consideration payment is to be:
 - (a) a single amount payable on grant of the licence or licences concerned or by a later time determined by the Minister, as consideration for the grant of the licence or licences, or
 - (b) an amount (or variable amounts) payable periodically for the duration of the licence or licences concerned and at the times determined by the Minister, as consideration for the continuation of the licence or licences.
- (4) A requirement or determination of the Minister under this section requires the approval of the Treasurer.
- (5) It is a condition of a licence that the licensee must pay any consideration payment that the licensee is required to pay under this section.
- (6) A consideration payment paid by a licensee pursuant to a requirement under this section is not recoverable on the grounds of, or on any ground arising from, the surrender, cancellation, suspension or transfer of the licence concerned.
- (7) A consideration payment paid to the Minister under this section is to be paid into the Consolidated Fund.

17 Term of licence

- (1) A licence is granted for the term specified in the licence.
- (2) The maximum term for which a licence may be granted is 40 years.

18 Exclusive operator licence

- (1) An operator licence can, if the Minister thinks fit, be granted as an exclusive licence for any period (the *exclusivity period*) up to the term for which the licence is granted.

- (2) If an operator licence is granted as an exclusive licence, no other operator licence can be granted to be in force during the exclusivity period. This does not affect a licence already in force when the exclusive licence is granted.
- (3) The grant of an exclusive licence does not create an exclusivity period for games of keno, with the result that one or more operator licences limited to a product licence for games of keno can be granted to be in force during the exclusivity period.

19 Transfer of licence

- (1) A licence can be transferred but only with the approval of the Minister given at the Minister's absolute discretion. The Minister must consult with the Treasurer before approving the transfer of a licence.
- (2) A product licence can only be transferred to the holder of an operator licence.
- (3) The Minister is not to approve of the transfer of an operator licence to a person (*the transferee*) unless satisfied that:
 - (a) the transferee and each close associate of the transferee is a suitable person to be concerned in or associated with the management and operation of the business to be conducted under the licence, and
 - (b) there are satisfactory arrangements for the transfer to the transferee of responsibilities for the conduct and completion of any public lottery being conducted at the time of transfer of the licence.
- (4) For the purpose of determining whether the transferee or any close associate of the transferee is a suitable person to be concerned in or associated with the management and operation of the business being conducted under the licence, the Minister is to have regard to the same matters to which the Minister is required to have regard in deciding whether an applicant or close associate of an applicant is a suitable person for that purpose.

20 Changes to ownership structure of licensee

- (1) A significant change in the ownership structure of a licensee must not occur unless the Minister has given consent in writing for the change to occur.

-
- (2) A significant change in the ownership structure of a licensee is considered to occur when:
- (a) a person acquires a relevant interest in issued voting shares in the licensee or any holding company of the licensee and the acquisition results in that person's, or some other person's, voting power in the licensee or holding company increasing from 20% or below to more than 20%, or
 - (b) a person becomes a person who controls, or ceases to be a person who controls, the licensee or any holding company of the licensee.
- (3) The regulations may prescribe another percentage to replace 20% in subsection (2).
- (4) Words and expressions used in this section that are defined in section 9 of the *Corporations Act 2001* of the Commonwealth have the same meanings as in that section, except in so far as they are defined differently in this Act or the context or subject-matter otherwise indicates or requires.

21 Surrender of licence

- (1) A licensee may surrender the licence by giving notice in writing to the Minister. If the licence is held by more than one licensee, all licensees must surrender the licence.
- (2) The surrender takes effect only if the Minister consents to the surrender.

Division 2 Disciplinary action

21A Review of suitability of licensee

- (1) The Minister may from time to time determine whether in the opinion of the Minister the licensee under an operator licence and each close associate of the licensee remains a suitable person to be concerned in or associated with the management and operation of the business conducted under the licence.
- (2) For the purpose of determining whether the licensee or any close associate of the licensee is a suitable person to be concerned in or associated with the management and operation of the business conducted under the licence, the Minister is to have regard to the same matters to which the Minister is required to have regard in deciding whether an applicant or close associate of an applicant is a suitable person for that purpose.

- (3) The Minister may require the licensee under an operator licence to pay to the Minister such reasonable costs as may be incurred by or on behalf of the Minister in conducting any inquiry or investigation for the purposes of a determination under this section.
- (4) It is a condition of an operator licence that the licensee must:
 - (a) provide such information (including necessary consents to facilitate the provision of information) as the Minister may reasonably request for the purpose of making a determination under this section, and
 - (b) pay the costs that the Minister requires the licensee to pay under this section in connection with any inquiry or investigation conducted for the purposes of a determination under this section.
- (5) The Minister may recover from a licensee (as a debt due to the Crown) any costs that the Minister has required the licensee to pay under this section.
- (6) The Minister may give a certificate as to the amount of the reasonable costs incurred by or on behalf of the Minister in conducting any inquiry or investigation for the purposes of a determination under this section, and such a certificate is in any proceedings evidence of the matter certified.

21B Grounds for disciplinary action against licensee

- (1) Each of the following grounds constitutes grounds for disciplinary action against a licensee under this Division:
 - (a) the licensee or any close associate of the licensee is not a suitable person to be concerned in or associated with the management and operation of the business being conducted under the licence,
 - (b) the licensee has failed to comply with a provision of this Act or the regulations,
 - (c) the licensee or any close associate of the licensee has been convicted of an offence under a relevant gaming law,
 - (d) the licensee or any close associate of the licensee has been convicted in the State or elsewhere of an offence in connection with the management or operation of a public lotteries, gaming or wagering business,
 - (e) the licensee or any close associate of the licensee has been convicted of an offence in the State that is an indictable offence or has been convicted elsewhere than in the State

of an offence that, if committed in the State, would be an indictable offence,

- (f) the licensee has failed to comply with the rules of a public lottery conducted by the licensee,
- (g) the licensee has failed to comply with a condition of the licence or a direction given to the licensee under Division 2 of Part 7,
- (h) a significant change in the ownership structure of the licensee (as referred to in section 20) occurs without the consent in writing of the Minister as required by that section,
- (i) the licensee has failed to use reasonable endeavours to ensure that the licensee's agents comply with this Act, the regulations and any direction given by the Minister under Division 2 of Part 7,
- (j) the licensee has entered into or authorised a dealing with or in respect of securities of, or other instruments issued by, the licensee without the consent in writing of the Minister that, in the opinion of the Minister, affects the control of the licensee,
- (k) the licensee has become insolvent or an externally-administered body corporate within the meaning of the *Corporations Act 2001* of the Commonwealth,
- (l) the licensee has failed to promptly terminate the employment of a person concerned in the management of the licensee who is convicted of an offence involving fraud or dishonesty,
- (m) the licence was granted as a result of a material false or misleading representation or declaration.

Note. Division 2 of Part 7 enables the Minister to give directions to licensees and other persons engaged in the conduct of public lotteries on a licensee's behalf to protect the integrity of public lotteries and to require the termination of arrangements between licensees and agents and the employment of key employees of licensees for a similar purpose.

- (2) For the purpose of determining whether the licensee or any close associate of the licensee is a suitable person to be concerned in or associated with the management and operation of the business being conducted under the licence, the Minister is to have regard to the same matters to which the Minister is required to have regard in deciding whether an applicant or close associate of an applicant is a suitable person for that purpose.

- (3) In this section:
relevant gaming law means any of the following laws:
- (a) *Unlawful Gambling Act 1998*,
 - (b) *Lotteries and Art Unions Act 1901*,
 - (c) *Gaming Machines Act 2001*,
 - (d) *Casino Control Act 1992*,
 - (e) any other law (including any law of another State or Territory or of another country) that is prescribed by the regulations as a relevant gaming law for the purposes of this definition.

21C Disciplinary action

- (1) The Minister can take any of the following **disciplinary actions** against a licensee if satisfied that there are grounds for disciplinary action against the licensee under this Division:
- (a) suspend or cancel the licence (but only if there is a **sufficient ground** for the suspension or cancellation as provided by this Division),
 - (b) amend the conditions of the licence to deal with any act, omission or other circumstance that constitutes a ground for disciplinary action,
 - (c) impose a monetary penalty on the licensee of an amount not exceeding \$250,000,
 - (d) direct the licensee to rectify a matter that relates to any act, omission or other circumstance that constitutes a ground for disciplinary action,
 - (e) censure the licensee for any act, omission or other circumstance that constitutes a ground for disciplinary action.
- (2) A direction to rectify a matter must direct that the matter be rectified within a specified period that is reasonable in the circumstances having regard to the nature of the matter to be rectified.
- (3) The Minister is not to suspend or cancel a licence except with the approval of the Treasurer.
- (4) A monetary penalty imposed under this section may be recovered as a debt due to the Crown in a court of competent jurisdiction.

21D Sufficient grounds for suspension or cancellation of licence

A ground for disciplinary action is a *sufficient ground* for the suspension or cancellation of a licence if (and only if) the Minister is satisfied that:

- (a) the act, omission or other circumstance constituting the ground for disciplinary action is of a serious and fundamental nature and the integrity of the conduct of a public lottery may be jeopardised in a material way or the public interest may be adversely affected in a material way, or
- (b) the ground for disciplinary action is failure by the licensee to pay any duty payable by the licensee under Division 2 of Part 5.

21E Procedure for taking disciplinary action

- (1) Before taking disciplinary action, the Minister must first follow the show cause procedure provided for by this Division and then decide whether there is a sufficient ground for the taking of the proposed disciplinary action.
- (2) The Minister is not required to follow the show cause procedure before:
 - (a) immediately suspending the licence as authorised by this Division, or
 - (b) censuring a licensee for any act, omission or other circumstance that constitutes a ground for disciplinary action.
- (3) If the licensee fails to comply with a direction (imposed as disciplinary action) to rectify a matter within the period allowed for compliance, the Minister may take any other disciplinary action that the Minister could have taken in respect of the ground for disciplinary action concerned (without again following the show cause procedure for that other disciplinary action).
- (4) The Minister takes disciplinary action by giving notice of the action to the licensee concerned.
- (5) Disciplinary action takes effect when notice of it is given to the licensee or on such later date as may be specified in the notice of disciplinary action.
- (6) The Minister may at any time by notice in writing to the licensee under a suspended licence cancel the remaining period of suspension or reduce the remaining period of suspension by a stated period.

21F Immediate suspension of licence

- (1) The Minister may suspend a licence immediately if the Minister considers there is a sufficient ground for the suspension or cancellation of the licence and the circumstances are so extraordinary that it is imperative to suspend the licence immediately to ensure that the integrity of the conduct of a public lottery is not jeopardised in a material way or the public interest is not adversely affected in a material way.
- (2) An immediate suspension is effected by giving written notice of the suspension (a *suspension notice*) to the licensee and then following the show cause procedure provided for by this Division.
- (3) The suspension takes effect when the suspension notice is given and continues to have effect until the show cause procedure is completed.

21G Show cause procedure

- (1) The following procedure is the *show cause procedure* for proposed disciplinary action under this Division:
 - (a) the Minister must give the licensee a show cause notice that requires the licensee to show why the proposed disciplinary action should not be taken,
 - (b) the Minister must promptly give each interested person a copy of the show cause notice,
 - (c) the Minister must consider all written representations made during the show cause period by the licensee or any interested person to whom a copy of the show cause notice is given.
- (2) A show cause notice must indicate the following:
 - (a) the disciplinary action that the Minister proposes to take,
 - (b) the ground for the proposed disciplinary action and the act, omission or other circumstance constituting the ground for the proposed action,
 - (c) the period (the *show cause period*) within which the licensee must show why the proposed disciplinary action should not be taken.
- (3) The show cause period is to be a period of not less than 21 days after the show cause notice is given.

-
- (4) An *interested person* is a person who appears to the Minister to have an interest in the licence that may be adversely affected by the proposed disciplinary action. An interested person is only to be given a copy of the show cause notice if the Minister is satisfied that it is appropriate in the circumstances.
 - (5) In considering whether it is appropriate to give a copy of the show cause notice to an interested person, the matters to which the Minister may have regard include the following:
 - (a) the nature of the person's interest in the licence,
 - (b) whether the licensee's interests may be improperly prejudiced.
 - (6) An interested person to whom a copy of the show cause notice is given may make representations about the proposed disciplinary action to the Minister during the show cause period.

21H Withdrawal of approval or appointment of agent under conditions of licence

- (1) The Minister may withdraw the approval or appointment of an agent of a licensee under the conditions of a licence if the Minister is of the opinion that the integrity or apparent integrity of a public lottery conducted by the licensee is likely to be seriously prejudiced because of the criminal record, character or reputation of the agent.
- (2) An agent ceases to be an agent of the licensee if the approval or appointment is so withdrawn, and any arrangement under which the agent was appointed as the agent of the licensee is taken to be terminated.
- (3) The Minister is not to withdraw the approval or appointment unless the Minister:
 - (a) has given the licensee and the agent notice, in writing, of the proposed withdrawal, and
 - (b) has invited the licensee and the agent to make representations to the Minister, within the period specified in the notice, concerning the proposed withdrawal, and
 - (c) has, after the end of that period, considered any representations so made.

- (4) The withdrawal of the approval or appointment takes effect:
 - (a) on the day that is 14 days after the day on which a notice advising the licensee and the agent of the withdrawal is given to the licensee and the agent by the Minister, or
 - (b) if a later day is specified in the notice—on that day.
- (5) It is taken to be a condition of any arrangement under which a person is appointed as an agent of a licensee that, in the event of the termination of the arrangement because of the withdrawal of an approval or appointment under this section, the licensee does not incur any liability to the agent by reason only of that termination (except to the extent agreed on between the licensee and the agent).

21I Completion of public lottery following cancellation or suspension of licence

- (1) If a licence is suspended or cancelled, the Minister may authorise a person to complete the conduct of any game in a public lottery that was in the course of being conducted when the licence was suspended or cancelled.
- (2) In that event:
 - (a) the person so authorised is taken to be the licensee under the suspended or cancelled licence, and
 - (b) the suspended or cancelled licence is, for the purposes of enabling the completion of the conduct of the public lottery, taken not to have been suspended or cancelled.

Division 3 Temporary licences

21J Grant of temporary licence on suspension, cancellation or surrender of licence

- (1) Following the suspension, cancellation or surrender of a licence (the *original licence*), the Minister may grant a temporary licence to be in force for the period determined by the Minister.
- (2) The Minister may grant a temporary licence only if satisfied that the proposed licensee and each close associate of the proposed licensee is a suitable person to be concerned in or associated with the management and operation of the business to be conducted under the licence.
- (3) A temporary licence is granted on such terms and conditions as the Minister determines and Division 1 does not apply to a temporary licence.

-
- (4) A temporary licence:
 - (a) may be extended once only for a period determined by the Minister, and
 - (b) may be cancelled at any time by the Minister, and

- (2) An existing lottery being conducted by NSW Lotteries immediately before the commencement of the new licensing arrangements is to be completed:
 - (a) by the licensee under a product licence that takes effect on the commencement of the new licensing arrangements and that authorises the conduct of a lottery of the same kind as the existing lottery, and
 - (b) in accordance with any directions given to that licensee by the Minister.
- (3) This clause does not prevent the subsequent amendment of the transitional rules in accordance with this Act.

37 Payment to Consolidated Fund of surplus prize money on transaction completion

- (1) The Minister may, with the approval of the Treasurer, require a licensee to pay to the Treasurer for payment into the Consolidated Fund the fund surplus as at the transaction completion date for each prize fund kept in respect of the licensee.

existing retail agency agreement means a retail agency agreement under which a retail agent was an agent of NSW Lotteries immediately before the commencement of the new licensing arrangements (and includes such an agreement as in force after that commencement).

retail agency agreement means an agency agreement that provides for the agent to sell lottery tickets only at:

- (a) the premises of a newsagency, convenience store or other retail business, or
- (b) any premises prescribed (or of a kind prescribed) by the regulations for the purposes of this definition.

termination for convenience provision means a provision of an existing retail agency agreement that permits the termination of the agreement by giving a period of notice of intention to terminate and does not require any ground or cause for the termination.

7-Eleven agency agreement means an agency agreement entered into with a person as a franchisee of 7-Eleven Stores Pty Limited.

40 Protections for existing agency agreements

- (1) The following protections apply to an existing retail agency agreement:
 - (a) the agreement continues in force after the commencement of the new licensing arrangements on the same terms and conditions as applied to the agreement immediately before the commencement of the new licensing arrangements,
 - (b) the terms and conditions of the agreement cannot be varied during the agency protection period except by agreement between the licensee and the agent,
 - (c) if the agreement is due to expire before the end of the agency protection period, the term of the agreement is extended until the end of that period unless the agent and the licensee otherwise agree,
 - (d) the agreement cannot be terminated by the licensee pursuant to a termination for convenience provision of the agreement during the agency protection period unless the agent consents to the termination,
 - (e) the terms and conditions of the agreement cannot be varied without the agreement of the agent during the 6 months after the end of the agency protection period unless the licensee has given the agent at least 6 months' notice of the proposed variation,
 - (f) the agreement cannot be terminated by the licensee pursuant to a termination for convenience provision of the agreement during the 6 months after the end of the agency

protection period unless the licensee has given the agent at least 6 months' notice of intention to terminate.

Note. Notice of intention to terminate can be given during the agency protection period (but so that the 6-month period of notice expires after the end of the agency protection period). Paragraph (f) does not extend to an agency agreement that is extended under paragraph (c) (because the agreement expires at the end of the agency protection period).

- (2) A restriction imposed by this clause on the right of a licensee to terminate an agency agreement pursuant to a termination for convenience provision of the agreement does not affect any right of the agent to terminate pursuant to such a provision or any right of the licensee or agent to terminate for a breach of the agreement.
- (3) This clause does not prevent the termination of an agency agreement pursuant to a direction of the Minister under section 21H (Withdrawal of approval or appointment of agent under conditions of licence) or 60 (Minister may direct licensee to terminate certain agency arrangements).

41 Restrictions on new agency agreements

- (1) A licensee must not enter into an agency agreement before the end of the agency protection period that authorises the agent to sell lottery tickets at the premises of a retail business unless the premises are the premises of a newsagency, convenience store or a business that is (or that is of a kind) prescribed by the regulations.
- (2) A licensee must not enter into an agency agreement during the 6 months after the end of the agency protection period that authorises the agent to sell lottery tickets at the premises of a retail business unless:

 - (b) the licensee has given each agent under an existing retail agency agreement not less than 6 months' notice in writing of the licensee's intention to enter into the agency agreement, specifying the general nature of the business carried on by the proposed agent.
- (3) The Minister is not to recommend the making of a regulation for the purposes of this clause unless satisfied that the business or kind of business to be prescribed is of a similar nature to a

business that is an agent under an existing retail agency agreement.

- (4) A failure to comply with this clause does not affect the validity of an agency agreement entered into in contravention of this clause but such a failure constitutes a failure to comply with a provision of this Act for the purposes of section 21B (Grounds for disciplinary action against licensee).

42 Restriction on increase in number of retail agents

- (1) A licensee must not enter into an agency agreement during the agency protection period if the effect of entering into the agreement would be to increase the number of retail agency agreements in force at the time by more than 100 over the allowable limit.
- (2) The *allowable limit* is the sum of:
 - (a) the number of retail agency agreements that are in force immediately before the transaction completion date, and
 - (b) the number of 7-Eleven agency agreements entered into on or after the transaction completion date.

43 New full-service agency agreements—restriction on more favourable terms

- (1) A licensee must not enter into a full-service agency agreement during the agency protection period on terms that are substantially more favourable to the agent than the terms of any existing agency agreement that is a full-service agency agreement unless the licensee has offered to enter into an agency agreement on those terms with each agent of the licensee under an existing agency agreement that is a full-service agency agreement.
- (2) A licensee must publicly advertise opportunities for interested parties to enter into full-service agency agreements with the licensee during the agency protection period.
- (3) A *full-service agency agreement* is an agency agreement that authorises the agent to sell entries in all the public lotteries that the licensee is authorised to conduct.

-
- (4) This clause does not apply to or in respect of a 7-Eleven agency agreement entered into during the agency protection period.
 - (5) A failure to comply with this clause does not affect the validity of an agency agreement entered into in contravention of this clause but such a failure constitutes a failure to comply with a provision of this Act for the purposes of section 21B (Grounds for disciplinary action against licensee).

44 Variation of fit-out obligations of existing agents

- (1) A requirement imposed by or under an existing retail agency agreement with respect to shop fit-out and shop signage (such as a requirement of the Retail Image Program of NSW Lotteries) cannot be varied during the agency protection period without the consent in writing of the agent.
- (2) An existing retail agency agreement cannot be varied during the agency protection period to impose any additional obligation on the agent to pay for any new terminal to be used for selling entries in a public lottery except with the consent in writing of the agent.
- (3) This clause does not apply to or in respect of a 7-Eleven agency agreement.

45 Funds transfer obligations of existing agents

A licensee is not entitled to vary the frequency with which an existing retail agent is required during the agency protection period to forward to the licensee money received by the agent from the sale of entries in a public lottery, unless the agent consents in writing to the variation.

46 Training and operational support for existing agents

During the agency protection period, the licensee under an existing retail agency agreement must provide to the agent (at no cost to the agent) training and operational support of the kind and of a standard provided to existing retail agents by NSW Lotteries before the transaction completion date.

47 Minister's approval of changes to commission rates

- (1) The Minister must not approve any change to an existing agent commission rate (or any rule or amendment of a rule that would have the effect of changing an existing agent commission rate) during the agency protection period without first consulting on the proposed change with the persons or bodies that the Minister considers represent the views and interests of existing retail agents.

- (2) An *existing agent commission rate* is the rate at which commission is payable to an agent under an existing retail agency agreement in respect of sales of entries in a public lottery conducted by the licensee.

48 Establishment of industry forum

- (1) The Minister is to establish an industry forum to facilitate discussion between representatives of participants in the public lotteries industry about issues that are of interest or concern to them.
- (2) The Minister is to convene the forum at least twice each year.
- (3) Issues to be discussed at the forum include (but are not limited to) product innovation, product distribution, agent commission rates and the effectiveness or otherwise of harm minimisation initiatives.

49 Inconsistency with existing agreements

- (1) A term or condition of an existing retail agency agreement is of no effect to the extent (if any) that is inconsistent with the operation of this Division.
- (2) Each existing retail agency agreement is deemed to include a provision that the parties agree to give effect to the provisions of this Division.
