with an access arrangement or arrangements applying to that area of land:

- (a) agreed (in writing) between the holder of the prospecting title and each landholder of that area of land, or
 - (b) determined by an arbitrator in accordance with this Division.
- (2) Separate access arrangements may (but need not) be agreed or determined with different landholders of the same area of land, for different areas of the same landholding or with respect to the different matters to which access arrangements relate.
- (3) Separate access arrangements may be made to preserve the confidentiality of provisions of the arrangements, to deal with persons becoming landholders at different times or for any other reason.

[4] Section 141 Matters for which access arrangements to provide

Omit section 141 (1) (i). Insert instead:

- (i) the notification to the holder of the prospecting title of particulars of any person who becomes an additional landholder.

[6] Section 141 (2A)

Insert after section 141 (2):

- (2A) An access arrangement must (if the landholder so requests) specify that the holder of the prospecting title is required to pay the reasonable legal costs of the landholder in obtaining initial advice about the making of the arrangement. Those costs are not to exceed the maximum amount set by the Director-General, with the concurrence of the NSW Farmers Association and the NSW Minerals Council, by order published in the Gazette.

The Director-General is to make such an appointment within 48 hours after being requested to do so by the landholder and the arbitrator is to deal with the matter within 5 business days of the appointment. If the arbitrator does not deal with the matter within that time, the landholder may deny the holder of the prospecting title access to the land until such time as the matter is determined by the arbitrator.

[8] Section 142 Holder of prospecting title to seek access arrangement

Omit section 142 (3). Insert instead:

- (3) The holder of a prospecting title and a landholder of the land concerned may agree in writing (either before or after the prospecting title is granted) on an access arrangement.
- (4) If some but not all of the landholders of any particular land have agreed to an access arrangement, a reference in sections 143–156 to each landholder of the land or to a party to the hearing before an arbitrator does not include a reference to any of those landholders who has agreed to an access arrangement. However, the arbitrator may allow a landholder who has agreed to an access arrangement to become a party to the hearing of the matter in order to ensure consistency in the access arrangements over the same land, and may, for that purpose, replace the agreed access arrangement with the access arrangement determined by the arbitrator.
- (5) In this section, a reference to the holder of a prospecting title includes a reference to the proposed holder of a prospecting title.

[9] Section 142A

Insert after section 142:

- (2) Notice is not required to be served on a mortgagee under this section:
 - (a) if the mortgagee has been given a copy of the written notice referred to in section 142 to the landholder of the intention to obtain the access arrangement, or
 - (b) if the landholder with whom the access arrangement was made is not the mortgagor.
- (3) If notice is required to be served on a mortgagee under this section, the access arrangement does not come into force until the end of the period of 14 days after the notice is served, unless the holder of the prospecting title has reasonable cause to believe that the mortgagee is not a mortgagee in possession of the land concerned.
- (4) The requirement imposed by this section on the holder of a prospecting title is taken to be a condition of the prospecting title.
- (5) This section applies only to access arrangements made after the commencement of this section.

158 Change in landholders etc

- (1) An access arrangement with 2 or more landholders does not terminate because one of those landholders ceases to be a landholder of the land concerned.
- (2) An access arrangement does not terminate because a person becomes a landholder of all or any part of the land concerned after the arrangement was agreed or determined.
- (3) An access arrangement does not run with the land, and accordingly a person does not (except as provided by this section) become a party to the access arrangement merely because the person becomes a landholder of any of the land after the access arrangement was agreed or determined.
- (4) If, after an access arrangement has been agreed or determined, a person becomes a landholder of any of the land to which the arrangement applies in addition to another landholder who continues to be a party to the arrangement, the provisions of the arrangement (other than those relating to the payment of compensation) apply to the new landholder as if the new landholder were a party to the arrangement, but only if the holder of the prospecting title concerned has given the new landholder a copy of the access arrangement.
- (5) If the new landholder objects to the access arrangement within 28 days after being given a copy of the arrangement, the access

arrangement ceases to apply to the new landholder when whichever of the following first happens:

- (a) the new landholder agrees to an access arrangement with the holder of the prospecting title concerned in accordance with this Division,
- (b) an arbitrator is appointed and determines an access arrangement in relation to the new landholder in accordance with this Division,
