## Schedule 1 Principal amendments

### 1.1 Transport Administration Act 1988 No 109

#### [1] Section 2A

Insert after section 2:

#### 2A Objects of Act

The objects of this Act with respect to the administration of the transport services provided to the people of New South Wales include the following:

- (a) to provide an efficient and accountable framework for the governance of the delivery of transport services,
- (b) to enable strategic directions to be set for integrated transport services,
- (c) to enable effective planning and delivery of transport infrastructure and services,
- (d) to facilitate the mobilisation and prioritisation of key resources across the transport sector,
- (e) to co-ordinate the activities of those engaged in the delivery of transport services,
- (f) to maintain independent regulatory arrangements for securing the safety of transport services.

#### [2] Section 3 Definitions

Omit the definition of *Director-General* from section 3 (1). Insert instead:

*Director-General* means the Director-General of Transport NSW.

#### [3] Section 3 (1)

Insert in alphabetical order:

*Transport NSW* means Transport NSW established under Chapter 1A of the *Public Sector Employment and Management Act 2002*.

**[4] Section 3B**

Insert after section 3A:

**3B Ministerial responsibility and delegation**

- (1) The Director-General and the chief executives of the following bodies are, in the exercise of their functions, subject to the control and direction of the Minister:
  - (a) RailCorp,
  - (b) Roads and Traffic Authority,
  - (c) State Transit Authority,
  - (d) Sydney Ferries,
  - (e) Transport Construction Authority,
  - (f) Country Rail Infrastructure Authority.

**Note.** Section 42P provides for limited Ministerial control and direction of the ITSr.
- (2) The Minister may delegate to the Director-General, or to any such chief executive, any function of the Minister under this Act, other than this power of delegation.

**[5] Part 1A**

Insert after Part 1:

**Part 1A Director-General of Transport NSW**

**3C General functions of Director-General**

- (1) The Director-General has the following functions:
  - (a) **Transport planning and policy**

Transport planning and policy, including for integrated transport and land use strategies for metropolitan and regional areas.
  - (b) **Transport public funding**

The administration of the allocation of public funding for public transport agencies.
  - (c) **Transport infrastructure**

The planning, oversight and delivery of transport infrastructure in accordance with integrated transport and land use strategies and available financial resources, including prioritising of expenditure and projects across the transport sector.

- (d) **Contracting for the delivery of transport services**  
Contracting, on behalf of the State, with public transport agencies or the private sector, for the delivery of transport services, including the setting of performance targets and service standards.
- (e) **Transport services co-ordination**  
The co-ordination of transport services, including timetabling for transport services and providing for effective transport interchanges.
- (f) **Incident management**  
The management of incidents affecting the efficiency of road and public transport networks, including the co-ordination of communications with and responses by relevant agencies.
- (g) **Transport information**  
The provision of information about transport services and transport infrastructure to assist people to use those services or infrastructure.
- (h) **Provision and deployment of transport agency staff and services**  
The provision of corporate and shared services to public transport agencies and the deployment to priority areas of public transport agency staff.
- (i) **Ticketing for transport services**  
Regulating the types of tickets and other ticketing arrangements for the setting of fares for transport services.
- (j) **Precinct land planning**  
Assisting the Minister for Planning and other relevant agencies with the preparation of precinct plans for the development of land for, or in the vicinity of, public transport stations or wharves and transport interchanges.
- (k) **Other functions**  
The other functions conferred or imposed on the Director-General by or under:
  - (i) this Part, Division 2A of Part 9 or any other provision of this Act, or
  - (ii) the *Passenger Transport Act 1990* or any other Act.

- (2) The Director-General is to prepare and make publicly available a Transport NSW corporate plan for his or her activities in the next 5 financial years. The Director-General is to revise the plan annually.
- (3) Any function of the Director-General may be exercised in relation to all or to any one or more kinds of transport services.
- (4) In this section:
  - public transport agency* means RailCorp, the Roads and Traffic Authority, the State Transit Authority, Sydney Ferries, the Transport Construction Authority, the Country Rail Infrastructure Authority and their public or private subsidiary corporations.
  - transport infrastructure* includes road and rail infrastructure.
  - transport services* include railway passenger services (including heavy rail, metro rail and light rail services), bus services and ferry services.

### **3D Directions by Director-General to public transport agencies**

- (1) The Director-General may, for the purpose of exercising his or her functions, give directions to the following bodies in relation to the exercise of their functions:
  - (a) RailCorp,
  - (b) Roads and Traffic Authority,
  - (c) State Transit Authority,
  - (d) Sydney Ferries,
  - (e) Transport Construction Authority,
  - (f) Country Rail Infrastructure Authority,
  - (g) a public or private subsidiary corporation (as referred to in Part 6B) of any of those bodies.

**Note.** This Act provides that the Chief Executive of a body referred to in paragraphs (a)–(f) is, in managing the affairs of the body, to do so in accordance with any directions of the Director-General under this section.
- (2) A body referred to in subsection (1) is required to provide the Director-General, at such times and in such form as he or she directs, with the following:
  - (a) the operating and capital works budget of the body for the next year and forward years,

- 
- (b) any other information held by or relating to the body that the Director-General considers is required for the purposes of exercising his or her functions.

If a budget of the body is required to be changed as a result of a direction of the Director-General under this section, the body is to provide the revised budget to the Director-General.

- (3) This section is not subject to any contract under section 3C (1) (d) with a body referred to in subsection (1).

### **3E Review by relevant safety regulator of directions relating to transport safety matters**

- (1) In this section:

*direction* means a direction given by the Director-General under section 3D to a transport authority.

*relevant safety regulator* means:

- (a) in the case of a direction relating to rail services or infrastructure—the Independent Transport Safety Regulator, or
- (b) in the case of a direction relating to bus services—the Independent Transport Safety Regulator (but only if the ITSRR is, in accordance with an arrangement under section 6B of the *Passenger Transport Act 1990*, assisting the Director-General in connection with the exercise of the Director-General's functions under that Act in relation to bus services), or
- (c) in the case of a direction relating to ferry services—the Maritime Authority of NSW.

*safety management system* of a transport authority means any safety management system that the authority is required to have:

- (a) under section 9D or 53D of the *Passenger Transport Act 1990*, or
  - (b) under section 12 of the *Rail Safety Act 2008*.
- (2) A transport authority may advise the Director-General of the likely impact on its safety management system of compliance with a direction of the Director-General (including whether the authority needs to make appropriate modifications to its safety management system before it is able to comply with the direction).

- (3) As a result of that advice, the Director-General may:
  - (a) change or revoke the direction, or
  - (b) suspend the direction and request the relevant safety regulator to review the likely impact of the direction.
- (4) If:
  - (a) the Director-General does not change, revoke or suspend the direction, and
  - (b) the transport authority considers that as a result of the direction it will not be able to comply with its safety management system,  
the transport authority may, within 14 days after receiving the direction, request the relevant safety regulator to review the likely impact of the direction. Any such request operates to suspend the direction.
- (5) The relevant safety regulator is to review the likely impact of the direction on the safety management system within 14 days after being requested to do so, and notify the Director-General and the transport authority of the result of its review.
- (6) The Director-General may, as a result of the review, confirm, change or revoke the direction.
- (7) Unless a suspended direction is sooner revoked, the suspension of the direction ceases:
  - (a) at the end of the period of 14 days after the relevant safety regulator is requested to review the likely impact of the direction, or
  - (b) at such time the Director-General decides, as a result of the review, to change or confirm the direction,  
whichever first occurs. However, the Director-General may extend the suspension beyond the period that it would otherwise cease under this subsection.
- (8) The Director-General may, without limiting any other provision of this section, request the relevant safety regulator for advice on the safety implications of a direction or proposed direction.

**3F Delegation of Director-General's functions**

- (1) The Director-General may delegate to an authorised person any of the Director-General's functions under this Act, other than this power of delegation.

- 
- (2) A delegate may sub-delegate to an authorised person any function delegated by the Director-General if the delegate is authorised in writing to do so by the Director-General.
- (3) In this section, *authorised person* means:
- (a) a member of staff of Transport NSW, or
  - (b) a person of a class prescribed by the regulations.
- [6] Sections 13, 14, 25, 26, 35H and 35I (Boards of RailCorp, STA and Sydney Ferries)**  
Omit the sections.
- [7] Section 15**  
Omit the section. Insert instead:

Omit “Sydney Ferries Board” from section 35QA (3) (b).

Insert instead “Director-General”.

**[18] Part 5**

Omit the Part. Insert instead:

**Part 5 Transport Advisory Council**

**43 Establishment of Transport Advisory Council**

- (1) There is established by this Act a Transport Advisory Council.
- (2) The Advisory Council is to consist of the following members:
  - (a) the Director-General or a member of staff of Transport NSW nominated by the Director-General,
  - (b) no fewer than 3, and no more than 7, members appointed by the Minister.

**Note.** Schedule 3 contains provisions relating to the members and procedure of the Advisory Council.

**44 Functions of Advisory Council**

- (1) The Advisory Council has the following functions:
  - (a) to provide advice to the Minister on such matters as are referred to it by the Minister,
  - (b) to provide advice to the Director-General on such matters as are referred to it by the Director-General,
  - (c) such other functions as are conferred or imposed on it by or under this or any other Act.
- (2) The Advisory Council is:
  - (a) to prepare a draft work plan for approval by the Minister, and
  - (b) to carry out such transport advisory functions as are specified in any such approved work plan.
- (3) The Advisory Council may, with the approval of the Director-General or the Minister, undertake public consultation for the purpose of exercising its functions.

**44A Committees of Advisory Council**

- (1) The Advisory Council may establish committees to assist it in connection with the exercise of any of its functions.
- (2) It does not matter that any or all of the members of a committee are not members of the Advisory Council.
- (3) The procedure for calling meetings of a committee and for the conduct of those meetings is to be determined by the Advisory

Council or (subject to any determination by the Advisory Council) by the committee.

**[19] Section 47**

Omit the section. Insert instead:

**47 Chief Executive of RTA**

The Director-General may, with the approval of the Minister, appoint a Chief Executive of the Roads and Traffic Authority.

**Note.** Schedule 2 contains ancillary provisions relating to the Chief Executive of the RTA.

**[20] Section 48 Chief Executive to manage RTA**

Insert “in accordance with any directions of the Director-General under section 3D” after “that Authority” in section 48 (1).

**[21] Part 6B**

Insert before Part 7:

**Part 6B Subsidiary corporations, joint ventures etc**

**55A Definition of “transport authority”**

In this Part, *transport authority* means any of the following:

- (a) the Director-General,
- (b) RailCorp,
- (c) Roads and Traffic Authority,
- (d) State Transit Authority,
- (e) Sydney Ferries,
- (f) Transport Construction Authority,
- (g) Country Rail Infrastructure Authority.

**55B Exercise of functions through subsidiary corporations, joint ventures etc**

(1) In this section:

*subsidiary corporation* of a transport authority means:

- (a) a public subsidiary corporation referred to in section 55C that is constituted for the purposes of the transport authority, or
- (b) a private subsidiary corporation referred to in section 55D that is formed for the purposes of the transport authority.

- (2) Any function of a transport authority may be exercised:
  - (a) by the transport authority itself, or
  - (b) by a subsidiary corporation of the transport authority, or
  - (c) by the transport authority or a subsidiary corporation of the transport authority, or both, in a partnership, joint venture or other association with other persons or bodies.
- (3) This section does not extend to the function of the Director-General to give directions under section 3D.

**55C Public subsidiary corporations**

- (1) In this section:  
*public subsidiary corporation* means a corporation constituted in accordance with this section for the purposes of a transport authority.
- (2) The regulations may constitute a corporation for the purposes of this section with the corporate name specified in the regulations.
- (3) A public subsidiary corporation:
  - (a) has such of the functions of the transport authority in respect of which it is constituted as are specified in the regulations or delegated to it under this Act, and
  - (b) is, for the purposes of any Act, a NSW Government agency.
- (4) The provisions of or made under this Act or any other Act relating to a transport authority apply to and in respect of a public subsidiary corporation constituted for the purposes of that authority in such manner and to such extent as are prescribed by the regulations.
- (5) With the approval of the Minister:
  - (a) a transport authority may transfer any of its assets, rights or liabilities to a public subsidiary corporation of the authority, and
  - (b) a public subsidiary corporation of a transport authority may transfer any of its assets, rights or liabilities to the transport authority or to another public subsidiary corporation of the authority.
- (6) The regulations may make provision for or with respect to the vesting of those assets, rights and liabilities in the transferee without any transfer, conveyance or assignment.

- (7) A public subsidiary corporation is dissolved by the repeal of the regulations by which it is constituted (unless continued in existence by the regulations), and on any such dissolution the assets, rights and liabilities of the corporation become the assets, rights and liabilities of the transport authority in respect of which the corporation was constituted.

**55D Private subsidiary corporations etc**

- (1) In this section:
- private corporation* means a corporation within the meaning of the *Corporations Act 2001* of the Commonwealth formed in or outside New South Wales.
- private subsidiary corporation* means a private corporation in which a transport authority has a controlling interest.
- (2) A transport authority may, subject to subsection (3):
- (a) form, or participate in the formation of, private corporations, and
  - (b) acquire interests in private corporations, and
  - (c) sell or otherwise dispose of interests in private corporations,
- whether or not the activities or proposed activities of any such private corporation are related to the activities of the transport authority.
- (3) A transport authority must not, without the approval of the Minister:
- (a) form, or participate in the formation of, a private subsidiary corporation, or
  - (b) acquire an interest in a private corporation so that, as a result of the acquisition, the corporation becomes a private subsidiary corporation, or
  - (c) sell or otherwise dispose of any interest in a private subsidiary corporation so that, as a result of the sale or disposal, it ceases to be a private subsidiary corporation.
- (4) A private subsidiary corporation is not a NSW Government agency.

**[22] Part 7, Division 4**

Insert after Division 3:

**Division 4 Transfer of staff**

**65 Definitions**

In this Division:

***transferred staff member*** means a member of staff of a transport authority who is the subject of an order under this Division.

***transport authority*** means any of the following:

- (a) Transport NSW,
- (b) RailCorp,
- (c) Roads and Traffic Authority,
- (d) State Transit Authority,
- (e) Sydney Ferries,
- (f) Transport Construction Authority,
- (g) Country Rail Infrastructure Authority,
- (h) a public subsidiary corporation (as referred to in Part 6B) of any of the above bodies,
- (i) Independent Transport Safety Regulator,
- (j) until their dissolution, Sydney Metro and the Public Transport Ticketing Corporation.

**66 Orders providing for transfer of staff of transport authorities**

- (1) The Director-General may, by order in writing, provide that any member of staff of a transport authority who is specified or described in the order is transferred to another transport authority specified in the order.
- (2) The transferred staff member is taken for all purposes as having become an employee of the other transport authority, in accordance with the terms of the order, on the day specified in the order.
- (3) The Director-General cannot make an order under this Division that relates to the Independent Transport Safety Regulator except with the approval of the Chief Executive of the Independent Transport Safety Regulator.

**67 Preservation of remuneration and other conditions of employment on transfer**

- (1) Except as otherwise provided by this Division or the regulations, the terms and conditions on which a transferred staff member becomes employed on being transferred by an order under this Division (including terms and conditions as to remuneration, allowances and duration of employment) are, on the transfer date, those on which the staff member was employed immediately before the transfer.
- (2) Nothing in this section prevents the terms and conditions of employment referred to in subsection (1) from being varied.

**68 Preservation of leave and other entitlements for previous service**

- (1) Continuous service of a transferred staff member with any transport authority is taken, for all purposes, as service with the transport authority that is the staff member's current employer.
- (2) This section applies, without limiting its operation, for the purpose of the accrual of leave with the current employer and for the purpose of any entitlements to redundancy payments from the current employer.
- (3) In particular, a transferred staff member retains, on being transferred under this Division, any rights to annual leave, long service leave and sick leave accrued in the staff member's previous employment with a transport authority.
- (4) A transferred staff member's entitlement to any such leave is to be calculated:
  - (a) for the part of any period during which that leave accrued or was accruing that occurred before the day of transfer—at the rate for the time being applicable to the staff member before that day, and
  - (b) for the part of the period that occurred after the day of transfer—at the rate for the time being applicable to the staff member after that day.

**68A No payment out on transfer or dual benefits**

A person who is transferred under this Division:

- (a) is not entitled to receive any payment or other benefit merely because the person ceases to be a member of staff of the transport authority from which the person is transferred, and

- (b) is not entitled to elect, because of the transfer, to be paid the money value of any extended or annual leave that the person accrued as a member of staff of the transport authority from which the person is transferred, and
- (c) is not entitled to claim, under this or any other Act, dual benefits of the same kind for the same period of service.

## **1.2 Public Sector Employment and Management Act 2002 No 43**

## **Schedule 2 Amendments relating to Transport Construction Authority (formerly TIDC)**

### **2.1 Transport Administration Act 1988 No 109**

- [1] **Sections 3 (1) (paragraph (a) of the definition of “rail infrastructure owner”), 88A (definition of “rail authority”), 89 (definition of “rail authority”) and 116 (7) (definition of “parking offence”) and clauses 2 (3), 2A (3) and 2C (5) of Schedule 6A**

Omit “Transport Infrastructure Development Corporation” wherever occurring.

Insert instead “the Transport Construction Authority”.

- [2] **Section 3 Definitions**

Omit the definition of *Transport Infrastructure Development Corporation* (or *TIDC*) from section 3 (1).

Insert instead in alphabetical order:

*Transport Construction Authority* means the Transport Construction Authority constituted under this Act.

- [3] **Part 2A**

Omit the Part. Insert instead:

## **Part 2A Transport Construction Authority**

### **18 Definitions**

- (1) In this Part:

*develop a major railway system or develop a major transport project* includes:

- (a) carry out development for the purposes of a railway system or other transport project (including development of land in the vicinity of transport infrastructure for any such system or project), and
- (b) facilitate, manage, finance or maintain any such development, and
- (c) carry out any function ancillary to any such development.

*development* means development within the meaning of the *Environmental Planning and Assessment Act 1979*, a project within the meaning of Part 3A of that Act or an activity within the meaning of Part 5 of that Act.

**railway** means a guided system designed to transport passengers or freight or both (whether or not passengers, freight or both are being transported) on a railway track, together with its infrastructure and associated sidings, and includes a heavy railway, light railway, metro railway, inclined railway, monorail or tramway.

**railway system** includes a railway, rail infrastructure facilities, stations, platforms, maintenance facilities, depots and any other transport interchanges, works, structures and facilities associated with or incidental to the railway or rail infrastructure facilities.

- (2) In this Part, a reference to a railway system or other transport project includes a reference to part of a system or part of a project.

**18A Constitution of TCA (as a continuation of TIDC)**

- (1) There is constituted by this Act a corporation with the corporate name of the Transport Construction Authority.
- (2) The substitution of this section by the *Transport Administration Amendment Act 2010* operates to change the name of the corporation constituted by this section (as in force immediately before its substitution) from Transport Infrastructure Development Corporation to the Transport Construction Authority, but does not operate to create a new legal entity.
- (3) Accordingly, the Transport Construction Authority is taken for all purposes, including the rules of private international law, to be a continuation of, and the same legal entity as, the Transport Infrastructure Development Corporation.
- (4) The Transport Construction Authority is a NSW Government agency.

**18B Objectives of TCA**

- (1) The principal objectives of the Transport Construction Authority are:
- (a) to develop major railway systems, and
  - (b) to develop other major transport projects, in an efficient, effective and financially responsible manner.
- (2) The other objectives of the Transport Construction Authority are as follows:
- (a) to be a successful business and, to that end:
    - (i) to operate at least as efficiently as any comparable business, and

- (ii) to maximise the net worth of the State's investment in the Transport Construction Authority,
  - (b) to exhibit a sense of social responsibility by having regard to the interests of the community in which it operates,
  - (c) where its activities affect the environment, to conduct its operations in compliance with the principles of ecologically sustainable development contained in section 6 (2) of the *Protection of the Environment Administration Act 1991*,
  - (d) to exhibit a sense of responsibility towards regional development and decentralisation in the way in which it operates.
- (3) The other objectives of the Transport Construction Authority are of equal importance, but are not as important as the principal objectives of the Authority.

**18C Development of major railway systems and other major transport projects**

- (1) The principal functions of the Transport Construction Authority are:
  - (a) to develop major railway systems, and
  - (b) to develop other major transport projects, including facilitating their development by other persons.
- (2) The Transport Construction Authority may not undertake the development of a major railway system or other major transport project except with the approval of the Director-General.

**18D Other functions of TCA**

- (1) The Transport Construction Authority has such functions as are conferred or imposed on it by or under this or any other Act or law.
- (2) The Transport Construction Authority may:
  - (a) hold, manage, maintain and establish assets associated with major railway systems or other major transport projects developed or proposed to be developed by the Transport Construction Authority, and
  - (b) acquire and develop any land, and
  - (c) conduct any business (whether or not related to its principal functions) that it considers will further its objectives, and

- (d) provide goods and services to the rail or other transport industries, and
- (e) provide facilities or services that are ancillary to or incidental to its principal functions, and
- (f) make and enter into leases or licences, or other arrangements, with persons for developing a major railway system or other major transport project, and
- (g) make and enter into contracts or arrangements for the carrying out of works or the performance of services or the supply of goods or materials, and
- (h) appoint agents, and act as agent for other persons.

**18E Acquisition of land by TCA**

- (1) The Transport Construction Authority may, for any purposes of the Authority, acquire land (including an interest in land) by agreement or by compulsory process in accordance with the *Land Acquisition (Just Terms Compensation) Act 1991*.
- (2) The other purposes for which land may be acquired under subsection (1) include for the purposes of a future sale, lease or disposal, that is, to enable the Transport Construction Authority to exercise its functions in relation to land under this Act.
- (3) For the purposes of the *Public Works Act 1912*, any such acquisition of land is taken to be for an authorised work and the Transport Construction Authority is, in relation to that authorised work, taken to be the Constructing Authority within the meaning of that Act.
- (4) The Transport Construction Authority may not give a proposed acquisition notice under the *Land Acquisition (Just Terms Compensation) Act 1991* without the approval of the Director-General.
- (5) Any such acquisition is not void merely because it is expressed to be for the purposes of the Transport Construction Authority or for the purposes of this Act.
- (6) Part 3 of the *Public Works Act 1912* does not apply in respect of works constructed for the purposes of this section.

**18F Sale, lease or other disposal of land**

- (1) The Transport Construction Authority may, with the approval of the Minister, sell, lease or otherwise dispose of any of its land.

- (2) Despite subsection (1), the approval of the Minister is not required:
  - (a) for any lease for a term not exceeding 5 years, or
  - (b) for a sale, lease or other disposal of land not exceeding such value, or in such circumstances, as the Minister may determine from time to time.

**18G Chief Executive of TCA**

- (1) The Director-General may, with the approval of the Minister, appoint a Chief Executive of the Transport Construction Authority.

**Note.** Schedule 2 contains ancillary provisions relating to the Chief Executive of the TCA.
- (2) The affairs of the Transport Construction Authority are to be managed and controlled by the Chief Executive of the Authority in accordance with any directions of the Director-General under section 3D.
- (3) Any act, matter or thing done in the name of, or on behalf of, the Transport Construction Authority by the Chief Executive is taken to have been done by the Transport Construction Authority.

**18H TCA to supply information to Minister**

The Transport Construction Authority must:

### **Part 2B Country Rail Infrastructure Authority**

**19A Constitution of Country Rail Infrastructure Authority (as a continuation of RIC)**

- (1) There is constituted by this Act a corporation with the corporate name of the Country Rail Infrastructure Authority.
- (2) The substitution of this Part by the *Transport Administration Amendment Act 2010* operates to change the name of the corporation constituted under this Part (as in force immediately before its substitution) from Rail Infrastructure Corporation to the Country Rail Infrastructure Authority, but does not operate to create a new legal entity.
- (3) Accordingly, the Country Rail Infrastructure Authority is taken for all purposes, including the rules of private international law, to be a continuation of, and the same legal entity as, Rail Infrastructure Corporation.
- (4) The Country Rail Infrastructure Authority is a NSW Government agency.

**19B Objectives of CRIA**

- (1) The principal objective of the Country Rail Infrastructure Authority is to ensure that the part of the NSW rail network vested in or owned by the Country Rail Infrastructure Authority enables safe and reliable passenger and freight services to be provided in an efficient, effective and financially responsible manner.
- (2) The other objectives of the Country Rail Infrastructure Authority are:
  - (a) to promote and facilitate access to the part of the NSW rail network vested in or owned by the Country Rail Infrastructure Authority in accordance with the current NSW rail access undertaking, and
  - (b) to be a successful business and, to that end:
    - (i) to operate at least as efficiently as any comparable businesses, and
    - (ii) to maximise the net worth of the State's investment in the Country Rail Infrastructure Authority, and
  - (c) to exhibit a sense of social responsibility by having regard to the interests of the community in which it operates, and
  - (d) where its activities affect the environment, to conduct its operations in compliance with the principles of ecologically sustainable development contained in section 6 (2) of the *Protection of the Environment Administration Act 1991*, and
  - (e) to exhibit a sense of responsibility towards regional development and decentralisation in the way in which it operates, and
  - (f) to maintain reasonable priority and certainty of access for railway passenger services.
- (3) The other objectives of the Country Rail Infrastructure Authority are of equal importance, but are not as important as the principal objective of the Authority.
- (4) Subsection (2) (a) does not apply to any part of the NSW rail network subject to an ARTC lease or licence.

**19C Functions of CRIA**

- (1) The Country Rail Infrastructure Authority has such functions as are conferred or imposed on it by or under this or any other Act or law.

- (2) The principal functions of the Country Rail Infrastructure Authority are:
  - (a) to hold, manage, maintain and establish rail infrastructure facilities on behalf of the State, and
  - (b) to provide persons with access under the current NSW rail access undertaking to the part of the NSW rail network vested in or owned by the Country Rail Infrastructure Authority and that is not subject to an ARTC lease or licence.
- (3) The Country Rail Infrastructure Authority may also:
  - (a) provide facilities or services that are ancillary or incidental to its principal functions, and
  - (b) supply goods and services to the rail industry, and
  - (c) conduct any business (whether or not related to its principal functions) that it considers will further its objectives, and
  - (d) acquire and develop any land, and  
**Note.** See clause 13 of Schedule 6A which provides for the acquisition of land by CRIA.
  - (e) make and enter into contracts or arrangements for the carrying out of works or the performance of services or the supply of goods or materials, and
  - (f) appoint agents, and act as agent for other persons.
- (4) The Country Rail Infrastructure Authority is not to conduct any business outside the State that is not related to the NSW rail network without the approval of the Premier, Minister and Treasurer.
- (5) Each annual report of the Country Rail Infrastructure Authority prepared under the *Annual Reports (Statutory Bodies) Act 1984* must include a section that:
  - (a) identifies the trends in access for passenger and freight services on the part of the NSW rail network vested in or owned by the Country Rail Infrastructure Authority, and
  - (b) having regard to those trends, identifies any parts of the part of the NSW rail network vested in or owned by the Country Rail Infrastructure Authority where there is or is likely to be insufficient capacity for passenger or freight services, and

- (c) sets out what the Country Rail Infrastructure Authority proposes should be done to ensure sufficient capacity for those services.

**19D Sale, lease or other disposal of land**

- (1) The Country Rail Infrastructure Authority may, with the approval of the Minister, sell, lease or otherwise dispose of any of its land.
- (2) Despite subsection (1), the approval of the Minister is not required:
  - (a) for any lease for a term not exceeding 5 years, or
  - (b) for a sale, lease or other disposal of land not exceeding such value, or in such circumstances, as the Minister may determine from time to time.

**19E Chief Executive of CRIA**

- (1) The Director-General may, with the approval of the Minister, appoint a Chief Executive of the Country Rail Infrastructure Authority.  
**Note.** Schedule 2 contains ancillary provisions relating to the Chief Executive of CRIA.
- (2) The affairs of the Country Rail Infrastructure Authority are to be managed and controlled by the Chief Executive of the Authority in accordance with any directions of the Director-General under section 3D.
- (3) Any act, matter or thing done in the name of, or on behalf of, the Country Rail Infrastructure Authority by the Chief Executive is taken to have been done by the Authority.

**19F CRIA to supply information to Minister**

The Country Rail Infrastructure Authority must:

- (a) supply the Minister or a person nominated by the Minister with any information relating to its activities that the Minister or person may require, and
- (b) keep the Minister informed of the general conduct of its activities, and of any significant development in its activities.

**19G Delegation of functions of CRIA**

- (1) The Country Rail Infrastructure Authority may delegate to an authorised person any of its functions, other than this power of delegation.
- (2) A delegate may subdelegate to an authorised person any function delegated by the Country Rail Infrastructure Authority if the delegate is authorised in writing to do so by the Authority.
- (3) In this section, *authorised person* means:
  - (a) a member of staff of the Country Rail Infrastructure Authority, or
  - (b) a person of a class prescribed by the regulations or approved by the Director-General.

**[7] Schedule 1 Divisions of the Government Service**

Omit “a statutory corporation” from the note at the beginning of Part 3.

Insert instead “an agency”.

**[8] Schedule 2 Executive positions (other than non-statutory SES positions)**

Insert after the position of Chief Executive of RailCorp in Part 2 (Chief executive positions (heads of public authorities)):

Chief Executive of the Transport Construction Authority

Chief Executive of the Country Rail Infrastructure Authority

**7.7 Public Sector Employment and Management (Departmental Amalgamations) Order 2009**

**Clause 35 Transfer of certain staff to new Department**

Omit the clause.
