- (4) A licence of land under section 151 for the purpose of a conference, function or event must not be granted if the licence authorises the use of the land for a cumulative period that exceeds 3 months in any 12 month period.
- (5) The Minister must not grant a lease of land under section 151 for any purpose referred to in subsection (1) (b) that authorises the erection of a new building or structure on the land unless:

151B Matters that Minister must consider before granting lease or licence

- (1) The Minister must not grant a lease or licence of land (including any buildings or structures on the land) under section 151 unless the Minister is satisfied that:

 - (iii) there have been no significant breaches of the current lease, this Act or the regulations during the term of the current lease.

151C Leases and licences subject to conditions

- (1) A lease or licence under section 149, 151 or 151H may be granted subject to conditions.

- (2) The Director-General is (in relation to a lease or licence to which subsection (1) applies):
 - (a) to monitor:
 - (i) the lessee's or licensee's compliance with the relevant environmental performance standards set out in the relevant plan of management, and
 - (ii) the lessee's or licensee's environmental performance as measured against the relevant environmental performance indicators set out in that plan of management, and
 - (b) to report on the results of that monitoring, annually, by:
 - (i) recording the results in the register kept under section 151J, and
 - (ii) placing the results on the Department's website.

- (1) Before granting a lease or licence under section 151 or 151H, the Minister must cause notice of the proposed lease or licence to be published:
 - (a) in a newspaper circulating in the area in which the land is located and on the Department's website if the proposed lease or licence:
 - (i) is for a purpose for which the land (including any buildings or structures on the land) has previously not been used or occupied, or
 - (ii) authorises the erection of a temporary building or structure on the land concerned, and
 - (b) in a newspaper circulating throughout New South Wales, in a newspaper circulating in the area in which the land is located and on the Department's website if the proposed lease or licence:
 - (i) authorises the erection of a new permanent building or structure on the land concerned, or
 - (ii) authorises a significant modification of an existing building or structure on the land concerned or any other significant permanent physical change to the land concerned.
- (2) A notice under subsection (1) must contain the following:
 - (a) sufficient information to identify the land concerned,
 - (b) the purposes for which the land and any building or structure on the land is proposed to be used,
 - (c) the term of the proposed lease or licence (taking into account any option to renew),
 - (d) the name of the person to whom the lease or licence is proposed to be granted,

- (e) the closing date for making submissions on the proposal, being a date not earlier than:
 - (i) in relation to a notice under subsection (1) (a)—

 - (c) within the 2 years prior to the proposed grant of the lease or licence, a public consultation has occurred in relation to development or an activity that is substantially the same as

the use of the land that is to be authorised by the proposed lease or licence.

Note. For example, a public consultation may have been undertaken under the *Environmental Planning and Assessment Act 1979* for approval or consent to the erection and use of a building for a cafe. In that case, public consultation is not necessary under this section in relation to a proposed lease of the building to operate that cafe.
