Schedule 1 Minor amendments

1.1 Aboriginal Land Rights Act 1983 No 42

Section 89 Transfer of assets, rights and liabilities

Insert after section 89 (6):

- (7) An order under this section must, if the Aboriginal Land Council from which the assets, rights or liabilities are to be transferred under this section is a deductible gift recipient, provide for the transfer of the assets, rights or liabilities to an Aboriginal Land Council that is also a deductible gift recipient.
- (8) In this section, an Aboriginal Land Council is a deductible gift recipient if the Council is endorsed as a deductible gift recipient under the *Income Tax Assessment Act 1997* of the Commonwealth.

Explanatory note

The proposed amendment to the *Aboriginal Land Rights Act 1983* (**the Act**) provides that if the Minister makes an order under section 87 of the Act dissolving or changing the name or area of a Local Aboriginal Land Council (an **LALC**) that is a deductible gift recipient, any assets, rights and liabilities of the LALC that are transferred by a subsequent order under section 89 of the Act must be transferred to another LALC that is also a deductible gift recipient. The proposed amendment ensures that the provisions relating to the transfer of assets, rights and liabilities of an LALC that is endorsed as a deductible gift recipient under the *Income Tax Assessment Act 1997* of the Commonwealth are consistent with the requirements for endorsement as a deductible gift recipient under that Act.

1.2 Aboriginal Land Rights Regulation 2002

Schedule 2 Model rules for Local Aboriginal Land Councils

Insert after clause 23:

24 Revocation of endorsement as deductible gift recipient

The Council must, if the Council ceases to be endorsed as a deductible gift recipient under the *Income Tax Assessment Act 1997* of the Commonwealth, transfer to another Local Aboriginal Land Council that is endorsed as a deductible gift recipient under that Act any gifts, contributions or other money as required by section 30–125 (6) of that Act.

Explanatory note

The proposed amendment to the *Aboriginal Land Rights Regulation 2002* amends the model rules for Local Aboriginal Land Councils to provide that if a Council that is endorsed as a deductible gift recipient under the *Income Tax Assessment Act 1997* of the Commonwealth ceases to be so endorsed, certain gifts, contributions and other money received by the Council must be transferred to another Local Aboriginal Land

Council that is endorsed as a deductible gift recipient. The proposed amendment ensures that the rules of Local Aboriginal Land Councils that are endorsed as deductible gift recipients are consistent with the requirements of the *Income Tax Assessment Act 1997* of the Commonwealth for endorsement as a deductible gift recipient. A related amendment is made to the *Aboriginal Land Rights Act 1983* in Schedule 1.1.

1.3 Anatomy Act 1977 No 126

Section 4 Definitions

Insert at the end of paragraph (b) of the definition of *forensic institution* in section 4 (1):

Those services were formerly provided by institutions under the control of a public health organisation but are now provided by institutions under the control of the Health Administration Corporation.

1.4 Biofuels Act 2007 No 23

Section 24 Expert Panel

Omit section 24 (1) (a2). Insert instead:

The amendment is consequential on the transfer of certain staff from the Office of Environment and Heritage to the Office of the Environment Protection Authority by the *Public Sector Employment and Management (Office of the Environment Protection Authority) Order 2012*.

[2] Section 97 (3)

Omit “within 12 months after the end of the period of 7 years”.

Insert instead “before the beginning of December 2016”.

Explanatory note

The proposed amendments to the *Building Professionals Act 2005* (**the Act**) provide that the statutory review of the Act (being the review to determine whether the policy objectives of the Act remain valid and whether the terms of the Act remain appropriate for securing those objectives) is to be undertaken before the beginning of December 2015, rather than as soon as possible after the period of 7 years after the date of assent to the Act (which occurred on 7 December 2005). The report on the outcome of the review is to be tabled in each House of Parliament before the beginning of December 2016.

1.6 Charles Sturt University Act 1989 No 76

Item [2] makes a clarifying amendment to a provision of the Act prohibiting a member of the Council of Charles Sturt University (**the Council**) from taking part in any deliberation or decision of the Council with respect to a matter in which the member has a material interest. The amendment makes it clear that the provision does not prevent the member from taking part in any consideration, discussion or voting with respect to the member’s remuneration pursuant to clause 10 of Schedule 1 to the Act.

1.7 Community Land Management Act 1989 No 202

Section 109G Annual report of Director-General

The report on the operations of the Commissioner will instead be included in the annual

report of the Department of Finance and Services prepared under the *Annual Reports (Departments) Act 1985*.

1.8 Community Services (Complaints, Reviews and Monitoring) Act 1993 No 2

[1] Section 4 Definitions

[3] Section 35 Application of Part

Omit “and authorised or funded under the *Disability Services Act 1993*” from section 35 (1) (f).

Commencement

The amendments to the *Community Services (Complaints, Reviews and Monitoring) Act 1993* commence on 1 July 2013.

Explanatory note

Item [1] of the proposed amendments to the *Community Services (Complaints, Reviews and Monitoring) Act 1993* extends the definition of *service provider* to include a person or organisation that is covered by an arrangement between a Minister of the State of New South Wales and a State or Commonwealth Minister, under which arrangement that State or Commonwealth Minister agrees to the person or organisation being a service provider for the purposes of that Act. This amendment ensures that the intergovernmental agreement for the National Disability Insurance Scheme (made between the Premier of New South Wales and the Prime Minister) is captured by that definition. This amendment will enable the NSW Ombudsman to monitor and review any service provider for people with disability and investigate complaints about a person or organisation who is a service provider.

Item [2] extends the definition of *visitable service* to any accommodation service where a person using the service is in the full-time care of the service provider. Currently, a visitable service is defined to include an accommodation service provided by the Department of Community Services or the Department of Ageing, Disability and Home Care, or by a funded agency where a person using the service is in the full-time care of the service provider. The amendment has the effect of enabling an Official Community Visitor to exercise functions and powers (including powers of entry and inspection) with respect to any accommodation service where a person using the service is in the full-time care of the service provider (whether or not the accommodation service is provided by a Department or funded agency).

Item [3] extends the application of Part 6 (Reviews of deaths of children in care and certain other children and persons with disabilities in care) to a person who was living in, or temporarily absent from, residential care provided by any service provider. Currently, Part 6 applies only to deaths of persons who were living in, or temporarily

absent from, residential care provided by a service provider if the residential care is authorised or funded under the *Disability Services Act 1993*.

Part 4 Provision consequent on enactment of Statute Law (Miscellaneous Provisions) Act 2008

20 Displacement provision

The declaration of a provision of Part 8 of this Act as a Corporations legislation displacement provision for the purposes of section 5G of the Corporations Act extends to a provision of that Part as amended by the *Statute Law (Miscellaneous Provisions) Act 2008*.

Explanatory note

The proposed amendment to the *Conveyancers Licensing Act 2003 (the Act)* ensures that a provision of Part 8 of the Act, as amended by the *Statute Law (Miscellaneous Provisions) Act 2008*, is a Corporations legislation displacement provision for the purposes of section 5G of the *Corporations Act 2001* of the Commonwealth (***the Corporations Act***). Section 5G of the Corporations Act provides that if a State law declares a provision of a State law to be a Corporations legislation displacement provision, any provision of the Corporations legislation with which the State provision would otherwise be inconsistent does not apply to the extent necessary to avoid the inconsistency.

Explanatory note

Items [1] and [2] of the proposed amendments to the *Conveyancing Act 1919 (the Act)* update certain references as a consequence of the repeal of the *Stamp Duties Act 1920*.

Items [3] and [4] make it clear that a separate document in an approved form (known as an administration sheet) must accompany all plans lodged in the office of the Registrar-General for registration or recording under Division 3 of Part 23 of the Act.

Item [5] makes the language of section 195E consistent with that of section 195A.

1.11 Electricity Supply Act 1995 No 94

Section 107 Liable acquisitions

Omit “a person who is” from section 107 (1).

Insert instead “any other person, whether or”.

Explanatory note

The proposed amendment to the *Electricity Supply Act 1995 (the Act)* amends a provision relating to the energy savings scheme established under the Act. Under that scheme, a participant in the scheme is required to meet an individual energy savings target by surrendering energy savings certificates (the total value of which must meet or exceed the individual energy savings target). The individual energy savings target is equivalent to a defined percentage (specified in Schedule 5 to the Act) of the scheme participant’s **liable acquisitions**, as defined in Part 9 of the Act. The proposed amendment extends the definition of **liable acquisition** to include a purchase of electricity by a scheme participant from any person, whether or not a registered participant under the *National Electricity (NSW) Law*. Currently, a purchase of electricity by a scheme participant from a person who is a registered participant under the *National Electricity (NSW) Law* is excluded from that definition (and, consequently, from the calculation of the scheme participant’s individual energy savings target).

Commencement

The amendments to the *Radiation Control Amendment Act 2010* commence, or are taken to have commenced, immediately before the commencement of Schedule 1 [6] to the *Radiation Control Amendment Act 2010*.

Explanatory note

Item [1] of the proposed amendments to the *Radiation Control Amendment Act 2010* (**the amending Act**) amends Schedule 1 [6] to the amending Act (which inserts a proposed new section 18 into the *Radiation Control Act 1990* (the **Principal Act**)) to provide that the Environment Protection Authority (**the Authority**) or a person authorised by the Authority may serve a notice on a person if the Authority or person authorised believes on reasonable grounds that the person is, or is likely to become, responsible for certain contraventions. Currently, only an authorised officer may serve such a notice under that section. Item [2] makes a consequential amendment.

Item [3] makes it clear that a person on whom a notice is served under proposed new section 18 of the Principal Act may appeal to the District Court against the decision to serve the notice, whether the decision is made by the Authority, or a person authorised by the Authority, or by a public body authorised to exercise the functions of the Authority under section 5A of the Principal Act (as inserted by Schedule 1 [4] to the amending Act).

1.25 Real Property Act 1900 No 25**[1] Section 56C Confirmation of identity of mortgagor**

- (b) all registered mortgagees, chargees or covenant chargees under registered mortgages, charges or covenant charges which have less priority than that of the applicant, and
- (c) each caveator (if any) who claims as an unregistered mortgagee or chargee to be entitled to an estate or interest in the land mortgaged or charged.

[4] Section 61 (2) (b)

Omit section 74N (1) (b) (i). Insert instead:

- (i) the address for service of notices specified in the caveat under section 74B (2) (b) (vi) or 74F (5) (b) (viii), or

Explanatory note

Items [1] and [2] of the proposed amendments to the *Real Property Act 1900* provide that a mortgagee will satisfy a certain record-keeping requirement if the mortgagee keeps for 7 years from the date of registration of a mortgage either a written record of the steps taken, or a copy of any document obtained, by the mortgagee to confirm the identity of the mortgagor. It amends the current requirement to keep both, in line with the record-keeping requirements of the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* of the Commonwealth.

Item [3] makes it clear that a notice of a mortgagee's or covenant chargee's intention to make an application for a foreclosure order must be served on various parties in accordance with the *Conveyancing Act 1919*. Item [5] makes a consequential amendment.

Items [4] and [6] together restate an existing exception relating to the giving of notice of intended foreclosure.

Item [7] clarifies that the correct address for service of a notice on a caveator is an address specified in the caveat lodged with the Registrar-General at which notices may be served on the caveator.

1.26 Residential Tenancies Act 2010 No 42

[1] Section 126 Application and interpretation

Insert "(other than section 134 (2A))" after "Division" in section 126 (1).

[2] Section 134 Orders by Tribunal relating to goods

Insert after section 134 (2):

- (2A) The Tribunal may, on application by a former co-tenant, make an order requiring a tenant or co-tenant, or a tenant or co-tenant's agent, to deliver goods left behind on residential premises by the former co-tenant after the co-tenant vacated the premises (in circumstances where one or more other tenants or co-tenants

continue to occupy the premises) into the former co-tenant's possession.

Explanatory note

Items [1] and [2] provide that the Tribunal may make an order requiring a tenant or co-tenant, or a tenant or co-tenant's agent, to deliver to a former co-tenant goods left behind on residential premises by the former co-tenant after vacating the premises (in circumstances where one or more other tenants or co-tenants continue to occupy the premises). A similar provision currently exists in relation to goods left by former tenants on abandoned premises.

1.27 Retirement Villages Act 1999 No 81

[1] Section 102A

Insert before section 103:

102A Meaning of "prescribed CPI variation"

- (1) In relation to a proposed variation in recurrent charges that is the first variation under a village contract, the *prescribed CPI variation* is, for the purposes of this Division, the variation that would result from the recurrent charges being increased in proportion to the difference between:
 - (a) the Consumer Price Index published most recently before the village contract was entered into, and
 - (b) the Consumer Price Index published most recently before the written notice of the proposed variation is given,rounded to the nearest dollar.
- (2) In relation to a proposed variation in recurrent charges that is not the first variation under a village contract, the *prescribed CPI variation* is, for the purposes of this Division, the variation that would result from the recurrent charges being increased in proportion to the difference between:
 - (a) the Consumer Price Index published most recently before those charges were last varied, and
 - (b) the Consumer Price Index published most recently before the written notice of the proposed variation is given,rounded to the nearest dollar.

[2] Section 105A Recurrent charges varied otherwise than by a fixed formula—not exceeding variation in CPI

Omit section 105A (1) (b). Insert instead:

- (b) the variation does not exceed the prescribed CPI variation.

[3] Section 105A (2)

Omit the subsection.

[4] Section 106 Recurrent charges varied otherwise than by a fixed formula—exceeding variation in CPI

Omit section 106 (1) (b). Insert instead:

- (b) the variation exceeds the prescribed CPI variation.

[5] Section 106 (1A)

Omit the subsection.

[6] Section 106 (2) (c)

Omit “variation in the Consumer Price Index”.

Insert instead “prescribed CPI variation”.

[7] Section 180 Payments to former occupants who were registered interest holders

Insert before section 180 (1):

Note. This section deals with payments to such former occupants of residential premises following the sale of the premises. The sale of premises includes:

- (a) in the case where the former occupant was the registered proprietor of land, the owner of a lot in a strata scheme or the proprietor of a lot in a community land scheme and as such had a residence right in respect of residential premises—the sale of that land or interest in that land, and
- (b) in the case where the former occupant was the owner of shares in a company title scheme that gave rise to a residence right in respect of residential premises—the sale of that residence right (see section 4 (3)), and
- (c) in the case where the former occupant's residence contract was in the form of a registered long term lease that included a provision that entitled the former occupant to at least 50% of any capital gain—the sale of that residence right (see section 150).

[8] Schedule 1 Consent of residents

Omit “(including a measure or action that requires a special resolution)” from clause 3 (1).

Insert instead “other than a measure or action that requires a special resolution”.

Explanatory note

Items [1]–[6] of the proposed amendments to the *Retirement Villages Act 1999* provide for the calculation of the CPI variation in recurrent charges payable under a village contract in circumstances where there has not previously been a variation. In such

cases, movements in the Consumer Price Index since the village contract was entered into will be taken into account. (The current provisions only specify how to calculate the CPI variation in cases where there has been a previous variation of recurrent charges.)

Item [7] clarifies the meaning of the expression “sale of the premises” in a provision about payments to former occupants who were registered interest holders. The proposed amendment inserts a note that the sale of premises includes the sale of shares in a company title scheme or the sale of a residence right under a registered long term lease that included a provision that entitled the holder of the residence right to at least 50% of any capital gain.

Item [8] amends a provision that incorrectly provides that a vote in relation to a measure or action that requires a special resolution may be taken by a show of hands. (Clause 5 of Schedule 1 sets out the correct procedure, which is that a special resolution requires a ballot conducted in accordance with the regulations.)

1.28 Southern Cross University Act 1993 No 69

[1] Section 28 Seal of University

Insert at the end of the section:

Note. Documents requiring authentication may be sufficiently authenticated without a seal in accordance with section 50 (3) of the *Interpretation Act 1987*.

[2] Schedule 2A Duties of Council members

Insert “or the person’s remuneration pursuant to clause 10 of Schedule 1” after “section 21G” in clause 5 (7).

Explanatory note

Item [1] of the proposed amendments to the *Southern Cross University Act 1993 (the Act)* inserts a note to make it clear that documents requiring authentication may be sufficiently authenticated without a seal in accordance with section 50 (3) of the *Interpretation Act 1987*.

Item [2] makes a clarifying amendment to a provision of the Act prohibiting a member of the Council of Southern Cross University (*the Council*) from taking part in any deliberation or decision of the Council with respect to a matter in which the member has a material interest. The amendment makes it clear that the provision does not prevent the member from taking part in any consideration, discussion or voting with respect to the member’s remuneration pursuant to clause 10 of Schedule 1 to the Act.

1.29 Strata Schemes Management Act 1996 No 138

Section 216 Annual report of Director-General

Explanatory note

The proposed amendment to the *Strata Schemes Management Act 1996* removes the requirement for the Commissioner for Fair Trading to prepare an annual report for the Minister for Fair Trading of the operations of the Commissioner under that Act. The report on the operations of the Commissioner will instead be included in the annual report of the Department of Finance and Services prepared under the *Annual Reports (Departments) Act 1985*.

1.30 Subordinate Legislation Act 1989 No 146

[1] Section 10A Certain statutory rules to remain in force

Omit section 10A (1A). Insert instead:

- (1) Despite the other provisions of this Part, unless sooner repealed, a statutory rule listed in Schedule 5 remains in force until the date specified in that Schedule for the rule or, if more than one date is so specified, the later of those dates.

[2] Section 10A (3)

Omit the subsection.

[3] Schedule 5

Insert after Schedule 4:

Schedule 5 Further postponement of repeal of certain statutory rules

(Section 10A (1))

1 Postponement of statutory rules due for repeal in 2013

The following statutory rules remain in force until 1 September 2014, unless sooner repealed:

- (a) *Aboriginal Land Rights Regulation 2002,*
- (b) *Adoption Regulation 2003,*
- (c) *Electricity Supply (General) Regulation 2001,*
- (d) *Employment Protection Regulation 2001,*
- (e) *Environmental Planning and Assessment Regulation 2000,*
- (f) *Gas Supply (Natural Gas Retail Competition) Regulation 2001,*
- (g) *Industrial Relations (General) Regulation 2001,*
- (h) *Property, Stock and Business Agents Regulation 2003,*
- (i) *Road Transport (Safety and Traffic Management) Regulation 1999.*

Commencement

Item [2] of the amendments commences on 2 September 2013.

Explanatory note

The proposed amendments to the *Subordinate Legislation Act 1989* (**the Act**) have the effect of keeping a number of regulations in force for a further period of one year after

the date on which they would otherwise be repealed by the Act. However, any of the regulations may be repealed sooner by other legislation.

This is necessary as the regulations have each been postponed on at least 5 occasions and are now due to be repealed by the Act on 1 September 2013.

Each of the regulations continues to be required and the repeal of each of the regulations is to be further postponed until 1 September 2014 for the following reasons:

- (a) The Department of Education and Communities is currently undertaking a review of the *Aboriginal Land Rights Act 1983* that may result in amendments to that Act. It is proposed to await the outcome of that review before remaking the *Aboriginal Land Rights Regulation 2002*.
- (b) The Department of Family and Community Services is undertaking a review of child protection legislation and it is anticipated that consequential amendments to the *Adoption Act 2000* may be required. It is proposed to await the outcome of that review before remaking the *Adoption Regulation 2003*.
- (c) The Ministerial Council on Energy is currently undertaking a national energy market reform program which is expected to result in significant regulatory changes to areas that are dealt with by the *Electricity Supply (General) Regulation 2001* and the *Gas Supply (Natural Gas Retail Competition) Regulation 2001*. It is therefore proposed to await these changes before remaking these regulations.
- (d) The Department of Finance and Services is proposing to undertake a full review of the *Industrial Relations Act 1996* and the *Employment Protection Act 1982* as a consequence of the operation of the *Fair Work Act 2009* of the Commonwealth and the referral of certain matters relating to industrial relations to the Commonwealth. In light of this, it is considered to be premature to remake the *Employment Protection Regulation 2001* and the *Industrial Relations (General) Regulation 2001*.
- (e) The Department of Planning and Infrastructure is currently preparing a new planning bill to repeal and replace the *Environmental Planning and Assessment Act 1979* (and consequently repeal the *Environmental Planning and Assessment Regulation 2000*). It is therefore proposed to postpone the repeal of the *Environmental Planning and Assessment Regulation 2000* under the *Subordinate Legislation Act 1989* pending the replacement regime taking effect.
- (f) Proposed national regulations under the *Occupational Licensing National Law* relating to property occupations are due to be made later in 2013. It is proposed to postpone remaking the *Property, Stock and Business Agents Regulation 2003* until after those national regulations are made.
- (g) The *Road Transport (Safety and Traffic Management) Regulation 1999* is due to be repealed on the commencement of Schedule 1 to the *Road Transport Legislation (Repeal and Amendment) Act 2013*.

The proposed amendments also simplify the structure of the Act by placing these postponements in a new schedule to the Act (rather than in section 10A of the Act, as is currently the case) and by repealing spent provisions.

Explanatory note

Item [2] of the proposed amendments will enable the Sydney Cricket and Sports Ground Trust to lease land for a total period not exceeding 80 years to National Rugby League Limited in respect of the National Rugby League headquarters at Moore Park. Item [1] is a consequential amendment.

1.32 Sydney Water Catchment Management Act 1998 No 171

- (2) A certificate purporting to have been signed by the Commissioner and stating that on a specified day, or during a specified period, specified premises were, or were not, subject to an interim closure order, is admissible in evidence in any proceedings and is evidence of the matters stated.

Explanatory note

The proposed amendment to the *Tattoo Parlours Act 2012* provides that the Commissioner for Fair Trading or Commissioner of Police may issue certificates (relating to licences, permits and interim closure orders) that are admissible in evidence in any proceedings as evidence of the truth of the statements they contain.

The admission of such certificates into evidence means that those matters will not need to be proven in any court or tribunal proceedings, unless a doubt is raised about a matter stated in the certificate. The proposed amendment is consistent with evidentiary provisions of other Acts that create a licensing or registration regime.

Section 57 Regulations

Insert “(including any substitution of the trust deed)” after “trust deed” in section 57 (2) (c).

The scheme, which is set out in Schedule 1 to the *Travel Agents Regulation 2011*, compensates persons who suffer pecuniary loss as a result of the acts or omissions of travel agents. The amendment makes it clear that the amendments of the trust deed which may be incorporated from time to time (by regulations amending that Schedule) include any substitution of the trust deed.
