Accordingly, court fine enforcement orders can be made in relation to registered fines under Division 3 of Part 2 (see section 14). This Part provides for the enforcement of interstate fines to which Part 7 of the Commonwealth Act does not apply, such as administrative fines.

108D Effect of interstate fine enforcement order

- (1) Part 4 (Fine enforcement action) applies to the enforcement of an interstate fine following the making of an interstate fine enforcement order in the same way as it applies to a NSW fine following the making of a NSW fine enforcement order.

 - (a) a reference to a fine included a reference to the interstate fine, and

- (b) a reference to a fine defaulter included a reference to the offender in relation to the interstate fine, and
 - (c) a reference to a fine enforcement order included a reference to an interstate fine enforcement order.
- (4) Parts 4 and 8 apply with any other modifications provided for by this Part or the regulations.

108E Request for interstate fine enforcement order

- (c) the originating jurisdiction and the name of the interstate fine enforcement authority that requested the making of the order,
- (d) the date on which the fine was imposed,
- (e) the amount required to be paid, being the amount of the fine that remains to be paid, together with specified enforcement costs payable in this jurisdiction.

108G Amendment or withdrawal of request for interstate fine enforcement order

- (1) The originating jurisdiction for an interstate fine may, at any time, by notice in writing to the Commissioner, request the Commissioner to amend or withdraw an interstate fine enforcement order for the interstate fine.
- (2) The request may be given by post, facsimile or other electronic transmission, or by any other method approved by the Commissioner.

- (3) The request must include all information required by the Commissioner to amend or withdraw the order.
- (4) A request may be made whether or not the interstate fine has been paid.
- (5) A notice given to the Commissioner by the originating jurisdiction for an interstate fine to the effect that a fine has been partially or fully paid in the originating jurisdiction is taken:

 - (b) to be a request for the withdrawal of an interstate fine enforcement order that applies to the fine or, if the order relates to more than one fine, for the partial withdrawal of the order as it relates to that particular fine (if the fine has been fully paid).

108H Amendment or withdrawal of interstate fine enforcement orders

- (1) The Commissioner may (and, if requested by the originating jurisdiction for the interstate fine, must) amend an interstate fine enforcement order:
 - (a) to reduce the amount that is payable under the order to recognise payments made in the originating jurisdiction to partially discharge the fine, or
 - (b) to otherwise correct an error.
- (2) The Commissioner may withdraw an interstate fine enforcement order if satisfied that:
 - (a) the liability of the offender to pay an interstate fine to which the order applies has been fully discharged (otherwise than by payment to the Commissioner), or
 - (b) the person named in the order is not the same person as the person in respect of whom a fine to which the order applies was imposed, or
 - (c) the order was otherwise made in error.
- (3) An interstate fine enforcement order may be completely withdrawn or partially withdrawn to the extent that it applies to a particular fine.
- (4) An interstate fine enforcement order must be withdrawn, or partially withdrawn, in accordance with any request for withdrawal made by the originating jurisdiction for the interstate fine.
- (5) The Commissioner is to provide written confirmation to the originating jurisdiction that an interstate fine enforcement order has been withdrawn or amended in accordance with a request duly made by that jurisdiction.

108I Effect of amendment or withdrawal of interstate fine enforcement orders

- (1) If an interstate fine enforcement order is amended:
 - (a) the order continues to have effect in its amended form, and
 - (b) any enforcement action already taken is to be reversed, unless the same enforcement action is authorised under the order (as amended), a NSW fine enforcement order or another interstate fine enforcement order, and
 - (c) any amount that has already been paid under the order is taken to have been paid under the order (as amended), and
 - (d) any excess amount paid is repayable to the person by whom it was paid.

- (2) If an interstate fine enforcement order is withdrawn completely:
 - (a) the order then ceases to have effect, and
 - (b) any enforcement action already taken is to be reversed, unless the same enforcement action is authorised under a NSW fine enforcement order or another interstate fine enforcement order, and
 - (c) enforcement costs are not payable under the order, and
 - (d) any excess amount paid is repayable to the person by whom it was paid.
- (3) If an interstate fine enforcement order is partially withdrawn to the extent that it applies to a particular fine:
 - (a) the order continues to have effect in respect of the remaining interstate fines to which it applies, and
 - (b) any excess amount paid is repayable to the person by whom it was paid.
- (4) The withdrawal of an interstate fine enforcement order does not prevent the making of a further order in respect of the interstate fine.
- (5) In this section, an *excess amount paid* is any amount paid in excess of the total of the following:
