Insert after section 63 (2B):

- (2C) Subsection (2B) (c) does not apply if an administrator was appointed to perform all of the functions of the Local Aboriginal Land Council for all or part of the relevant 12-month period.

#### **[2] Section 64 Chairperson and Deputy Chairperson**

Omit section 64 (1). Insert instead:

- (1) A Chairperson and Deputy Chairperson of the Board of a Local Aboriginal Land Council are to be elected from among the Board members.
- (1A) An election for the Chairperson and Deputy Chairperson is to be held at the first meeting of the Board after its election.
- (1B) If there is a vacancy in the office of Chairperson or Deputy Chairperson, an election is to be held to fill the vacant office at the first meeting of the Board after the vacancy.
- (1C) The Chairperson and Deputy Chairperson are to hold office for a term of 2 years and are eligible (if otherwise qualified) for re-election.

#### **[3] Section 79 Certain persons must not be employed**

Omit “4A or 5” from section 79 (1).

Insert instead “4AA, 4AB, 4AC, 4ACA, 4AD, 4AE, 4A, 4B, 5 or 5A”.

#### **[4] Section 106 Functions of New South Wales Aboriginal Land Council**

Omit section 106 (3) (d).

#### **[5] Section 116 Delegation by New South Wales Aboriginal Land Council**

Omit section 116 (1) (g).

#### **[6] Section 144 Certain persons must not be employed**

Omit “4A or 5” from section 144 (1).

Insert instead “4AA, 4AB, 4AC, 4ACA, 4AD, 4AE, 4A, 4B, 5 or 5A”.

#### **[7] Section 165 Functions of Registrar**

Omit “misbehaviour” from section 165 (h). Insert instead “misconduct”.

#### **[8] Section 230 Limitations on certain land dealings by administrator**

Omit “for a period of 12 months or more” from section 230 (2) (d).

#### **[9] Schedule 4 Savings, transitional and other provisions**

Omit “12 months” from clause 61 (2). Insert instead “2 years”.

##### **Commencement**

Item [9] of the amendments to the *Aboriginal Land Rights Act 1983* commences, or is taken to have commenced, on 1 July 2016.

### Explanatory note

Item [1] of the proposed amendments provides that the requirement that a person attend 2 meetings of a Local Aboriginal Land Council within a 12-month period before becoming eligible to nominate another person for election as a Board member of the Council does not apply if an administrator has been appointed to exercise the functions of the Council during that period.

Item [2] provides that the terms of office of the Chairperson and Deputy Chairperson of the Board of a Local Aboriginal Land Council are each 2 years. This is consistent with the terms of office of the Chairperson and Deputy Chairperson of the New South Wales Aboriginal Land Council. The amendment also provides for the conduct of elections of the Chairperson and Deputy Chairperson.

Items [3] and [6] update references to provisions of the *Crimes Act 1900* (which have been amended to modernise the law relating to fraud and forgery offences and to create new offences relating to identity crime) for the purposes of providing that a person is disqualified from being employed by an Aboriginal Land Council if the person is convicted of an offence under any of those provisions.

Items [4] and [5] remove references to the approval of the community, land and business plan of a Local Aboriginal Land Council by the New South Wales Aboriginal Land Council. This oversight function of the New South Wales Aboriginal Land Council was removed by the *Aboriginal Land Rights Amendment Act 2014*.

Item [7] changes terminology used in reference to the misconduct of councillors, Board members and members of staff of, and consultants to, Aboriginal Land Councils (to make a provision relating to the investigative functions of the Registrar under the *Aboriginal Land Rights Act 1983* consistent with other provisions of that Act).

Item [8] enables an administrator to deal with the land of a Local Aboriginal Land Council without its consent for the purposes of the operation of a housing scheme if the LALC has operated the scheme for less than 12 months in contravention of a requirement that the scheme be approved by the NSWALC. Currently, an administrator may only deal with the land for those purposes without consent if the contravention has continued for at least 12 months.

Item [9] extends, by 12 months, a transitional arrangement that grants a Local Aboriginal Land Council time within which to take steps (required by regulations) to cease involvement in the operation or management of a corporation that the Local Aboriginal Land Council is not authorised under the Act to establish or acquire.

## 1.2 Biological Control Act 1985 No 199

### [1] Section 3 Definitions

Omit “live” from the definition of *kind* in section 3 (1).

### [2] Section 3 (1), definition of “organism”

Omit the definition. Insert instead:

*organism* means:

- (a) an organism (whether alive or dead and whether or not indigenous to Australia) other than a human, or
- (b) a virus or a sub-viral agent (whether alive or dead and whether or not indigenous to Australia), or
- (c) a part of, or matter discharged from, an organism within the meaning of paragraph (a) or (b).

### [3] Section 3 (1), definition of “prescribed live organisms”

Omit the definition. Insert instead:

*prescribed organisms* means organisms that are:

- (a) live organisms, or
- (b) viruses or sub-viral agents,  
other than live vaccines or resistant cultivars.

### [4] Section 4 Biological control

Omit “live organisms”. Insert instead “prescribed organisms”.

**[5] Sections 19 (1), 20 (1), 24 (1), 28 (1) (b), 29 (1) (a), 32 (2) (a) and 35 (3)**

Omit “prescribed live organisms” wherever occurring.

Insert instead “prescribed organisms”.

**Explanatory note**

Item [2] of the proposed amendments specifically includes viruses and sub-viral agents in the definition of **organism** in the *Biological Control Act 1985*, to avoid any doubt about whether viruses are already part of the definition. (That doubt arises because there is doubt in the current scientific literature about whether viruses are “organisms” and about whether they are “live”.)

Item [1] updates a reference to organisms being “live”, as a consequence of the change made by item [2].

Item [3] changes a defined term from **prescribed live organisms** to **prescribed organisms** to remove any doubt as to whether organisms (which will now include viruses and sub-viral agents), are “live”. This will mean that viruses and sub-viral agents will be included in the national scheme for the release of prescribed organisms to act as agent organisms to control target organisms.

Item [4] narrows a reference to “live organisms”, to ensure that it refers to “prescribed organisms”, which are the only organisms subject to biological control. This is a consequence of the change made by item [3].

Item [5] updates references to “prescribed live organisms”, as a consequence of the change made by item [3].

The amendments are consistent with those made to the Commonwealth Act that is part of the national scheme (see the *Biological Control Amendment Act 2016* of the Commonwealth).

### **1.3 Biosecurity Act 2015 No 24**

**[1] Section 7 General definitions**

Insert “(whether or not any such stock food is mixed or treated with a stock medicine (within the meaning of the *Stock Medicines Act 1989*)),” after “as stock food,” in the definition of **stock food**.

**[2] Section 7, definition of “stock food”**

Omit paragraph (a). Insert instead:

- (a) a stock medicine (within the meaning of the *Stock Medicines Act 1989*),  
or

**[3] Schedule 8 Amendment of other legislation**

Omit “stock medicine registered under the *Stock Medicines Act 1989*” from Schedule 8.31.

Insert instead “stock medicine (within the meaning of the *Stock Medicines Act 1989*)”.

**Explanatory note**

Item [1] of the proposed amendments makes it clear that a stockfood remains a stockfood for the purposes of the *Biosecurity Act 2015* even if it is mixed or treated with a stock medicine.

Items [2] and [3] correct the description of stock medicines by removing redundant references to the registration of those medicines under the *Stock Medicines Act 1989*.

### **1.4 Children and Young Persons (Care and Protection) Act 1998 No 157**

**[1] Section 231QA**

Insert after section 231Q:

**231QA Effect of registration**

- (1) A child protection order registered in the Children’s Court under this Part is taken for all purposes (except for the purposes of appeal) to be a care order of the relevant type made by the Children’s Court on the day on which it is registered and it may be varied or rescinded, or a breach of it dealt with, under this Act accordingly.

- (2) An interim order registered in the Children’s Court under this Part is taken for all purposes to be an interim care order made by the Children’s Court under this Act having effect, from the day on which it is registered, for the period specified in the order.
- (3) An interim order registered in the Children’s Court under this Part cannot be varied under this Act, but nothing in this subsection prevents an application for a new interim care order being made under this Act and, if the application is granted, the interim order being rescinded.
- (4) Despite subsection (3), a breach of an interim order registered in the Children’s Court under this Part may be dealt with under this Act in the same way as a breach of any other interim care order.
- (5) If an order under an interstate law to transfer a child protection proceeding to New South Wales is registered under this Part, the proceeding is taken to have been commenced in the Children’s Court on the day on which the order is registered.

**[2] Section 245I Commonwealth agencies**

Omit “Federal Magistrates Court” from section 245I (b).

Insert instead “Federal Circuit Court”.

**Explanatory note**

Item [1] of the proposed amendments inserts a provision to clarify the effect of the registration by the Children’s Court of child protection orders and other orders that have been transferred to New South Wales from other jurisdictions. Chapter 14A of the *Children and Young Persons (Care and Protection) Act 1998* forms part of a scheme (along with similar provisions enacted in other Australian jurisdictions and New Zealand) for the transfer of child protection orders and other orders and proceedings for such orders between those jurisdictions. The provisions enacted in each of the jurisdictions are based on a model Bill that was approved by the Community Services Ministers’ Council on 5 August 1999. The proposed amendment enacts (with minor amendments to take account of the New South Wales context and to clarify the period during which a transferred interim order has effect) a provision that was contained in that model Bill.

Item [2] updates a reference to the Federal Circuit Court.

**1.5 Community Services (Complaints, Reviews and Monitoring) Act 1993  
No 2**

**[1] Section 8 Functions of Official Community Visitors**

Omit section 8 (1) (e). Insert instead:

- (e) inform the Minister and the Ombudsman on matters affecting the welfare, interests and conditions of persons using visitable services, and
- (f) encourage the promotion of legal and human rights of persons using visitable services, including the right to privacy, confidentiality, adequate information and consultation in relation to those services and the right to complain, and
- (g) consider matters raised by persons using visitable services, staff of providers of visitable services and people having a genuine concern for the welfare, interests and conditions of persons using visitable services, and
- (h) provide information to persons using visitable services as to the advocacy services available to help them in the presentation of any grievance or matter of concern and, in appropriate cases, to assist such persons to obtain such services, and
- (i) facilitate, wherever it is reasonable and practicable to do so, the early and speedy resolution of grievances or matters of concern affecting

persons using visitable services by referring those grievances or matters to the providers of the relevant services or to other appropriate bodies, and

- (j) exercise such other functions as may be prescribed by the regulations for the purposes of this section.

**[2] Section 28 Applications to Tribunal for administrative reviews of decisions**

Omit section 28 (1) (c). Insert instead:

- (c) a decision made by a service provider not to take action recommended by the Ombudsman under section 26 of the *Ombudsman Act 1974* as a result of an investigation of a complaint under Part 4 of this Act, or to take part only of the action so recommended,

**[3] Section 28 (1A)**

Insert after section 28 (1):

- (1A) A right of review relating to a decision of the kind referred to in subsection (1) (c) applies only to the person from whose complaint the recommendation referred to in that paragraph arose. Accordingly, only that person may apply to the Tribunal for a review of that decision.

**[4] Section 45 Reasons to be given for certain decisions**

Omit section 45 (1). Insert instead:

- (1) A relevant decision maker must record the reasons for the following decisions and give a written copy of the reasons to each person considered by the decision maker to have been directly affected by the decision:
- (a) any decision in respect of which there is a right of review by the Tribunal, other than a decision of a kind referred to in section 28 (1) (c),
- (b) any decision by a service provider that is likely to have a significant impact on the quality or availability of a community service, and that directly affects one or more persons using the service, being a decision in respect of which a request for reasons is made to the service provider by or on behalf of a person so affected within 28 days after the decision is notified to that person.

**Explanatory note**

The proposed amendments insert into the *Community Services (Complaints, Reviews and Monitoring) Act 1993* provisions equivalent to the remaining operative provisions of the *Community Services (Complaints, Reviews and Monitoring) Regulation 2004* (which prescribe functions of Official Community Visitors and decisions that are subject to administrative review or for which reasons must be given). That Regulation is proposed to be repealed by Schedule 4.

## **1.6 Conveyancers Licensing Act 2003 No 3**

**[1] Whole Act (except Schedule 1 and where otherwise amended by this subschedule)**

Omit “Director-General” and “Director-General’s” wherever occurring.

Insert instead “Secretary” and “Secretary’s”, respectively.

**[2] Section 3, definitions of “Department” and “Director-General”**

Omit the definitions. Insert in alphabetical order:

*Department* means the Department of Finance, Services and Innovation.

*Secretary* means:

- (a) the Commissioner for Fair Trading, Department of Finance, Services and Innovation, or
- (b) if there is no person employed as Commissioner for Fair Trading—the Secretary of the Department of Finance, Services and Innovation.

**[3] Section 17 Duration**

Omit “until the following 30 June”. Insert instead “for 1 year”.

**[4] Sections 80 (2) (c) and 144**

Omit “officer” wherever occurring. Insert instead “employee”.

Omit “any officer”. Insert instead “any employee”.

**[7] Section 164 (a)**

**Explanatory note**

Item [3] of the proposed amendments provides that a licence under the *Conveyancers Licensing Act 2003* remains in force for 1 year from the date the licence is granted (rather than only until the following 30 June, as is currently the case).

Items [1], [2] and [4]–[7] update terminology and references as a consequence of the *Government Sector Employment Act 2013* and past administrative changes orders.

## **1.7 Conveyancers Licensing Regulation 2015**

**[1] Clause 3 (1), definition of “Secretary”**

Omit the definition.

**[2] Clause 5 Fees for licence**

Omit clause 5 (4).

**[3] Clause 35 (a)**

Omit “Director-General”. Insert instead “Secretary”.

**Explanatory note**

The proposed amendments are consequent on the proposed amendments to the *Conveyancers Licensing Act 2003* in this Schedule.

## **1.8 Conveyancing Act 1919 No 6**

**Section 184D Registration of instruments**

Insert after section 184D (8):

- (9) The Registrar-General may refuse to register in the General Register of Deeds an instrument that purports to create a prescribed power of attorney for the purposes of the *Powers of Attorney Act 2003* if the Registrar-General is not satisfied that the instrument creates a prescribed power of attorney for the purposes of that Act.

**Explanatory note**

The proposed amendment allows the Registrar-General to refuse to register in the General Register of Deeds under the *Conveyancing Act 1919* an instrument that purports to create a prescribed power of attorney for the purposes of the *Powers of Attorney Act 2003* if the Registrar-General is not satisfied that the instrument meets the formal requirements for creation of a prescribed power of attorney, namely that the instrument:

### **19 Definition**

In this Part, *repeal day* means the day on which Part 8 of this Act is repealed by the *Statute Law (Miscellaneous Provisions) Act 2016*.

### **20 Abolition of Standards Committee**

On the repeal day:

- (a) the Standards Committee is abolished, and
- (b) a person holding office as a member of that Committee ceases to hold that office and is not entitled to compensation because of ceasing to hold that office.

## 21 Existing standards

A standard that was in force under section 192 immediately before the repeal day:

- (a) continues in force under this Act as if Part 8 of this Act had not been repealed, and
- (b) may be amended or repealed by the Minister, by notice published in the Gazette.

### Explanatory note

Item [22] of the proposed amendments abolishes the Standards Committee established under the *Co-operative Housing and Starr-Bowkett Societies Act 1998* (the **principal Act**) and provides for the continued operation of standards made by that Committee before its abolition. Items [3], [6], [9]–[18] consequentially repeal provisions relating to model rules made, and applicable accounting standards declared, by the Committee (which are redundant because there are currently no such model rules or declarations in force). Items [1], [4], [7], [19] and [21] make other consequential amendments.

Items [2], [5], [8] and [20] provide that certain documents required to be provided under the principal Act are to be provided in the form approved by the Secretary of the Department of Finance, Services and Innovation (rather than in the form prescribed by the regulations, as is currently the case).

## 1.10 Co-operative Housing and Starr-Bowkett Societies Regulation 2015

### [1] Clauses 3 (2), 12, 14 (2) and (3) and Schedule 1

### [38] Section 69 Nomination of commercial fisher by holder of shares

Omit section 69 (2).

### Explanatory note

## 1.12 Geographical Names Act 1966 No 13

### [1] Section 5 Powers and functions of board

Omit “tribal” from section 5 (1) (g).

### **Schedule 4 Savings and transitional provisions**

Omit “to which the requirement was subject” from clause 143.

Insert instead “which was subject to the requirement”.

#### **Explanatory note**

The proposed amendment corrects a transitional provision by providing that an amendment made to the *Home Building Act 1989* by the *Home Building Amendment Act 2014* that imposes a former requirement of the regulations extends to any contract or matter that was formerly subject to that requirement (rather than to any contract or matter to which that requirement was formerly subject, as is currently the case).

## 1.14 Marine Estate Management Act 2014 No 72

### **Section 59 General provisions relating to marine park and aquatic reserve notifications**

Insert “in the Gazette” after “publication of the notification” in section 59 (1).

#### **Explanatory note**

The proposed amendment makes it clear that a marine park or aquatic reserve notification (which prohibits an activity at a marine park or aquatic reserve) takes effect on its publication in the Gazette (rather than on its publication on the internet) or on a later date specified in the notification.

## 1.15 Mental Health Act 2007 No 8

### [1] Section 27 Steps for medical examination requirements for ongoing detention in mental health facility

Omit “in the form prescribed by the regulations” from section 27 (b) and (c) wherever occurring.

### [2] Section 27 (2) and (3)

Insert at the end of section 27:

- (2) Any certification under subsection (1) (a) or notification under subsection (1) (b) or (c) of the opinion that a person is, after an examination under this section or section 27A, a mentally ill person or a mentally disordered person, is to be in the form prescribed by the regulations.
- (3) Any form used for the purposes of this section or section 27A (as in force immediately before the commencement of this subsection) is, until such time as a form is prescribed for the purposes of subsection (2), taken to be the form so prescribed.

**Explanatory note**

Item [2] of the proposed amendments makes it clear that any certification or notification of an opinion as to the mental state of a person that is given after the person is detained in a mental health facility and examined by certain medical practitioners or authorised persons is to be in the form prescribed by the regulations (whether the examination is conducted in person or using an audio visual link).

Item [1] makes a consequential amendment.

## **1.16 Mining Act 1992 No 29**

**[1] Section 114A Power of decision-maker in relation to renewal applications for exploration licences**

Omit “new” from section 114A (4). Insert instead “renewed”.

**[2] Section 240D Effect of direction**

Omit “section 126” from the note. Insert instead “Division 3 of Part 7”.

**[3] Section 242AA Prior notice of direction under section 240 or 240A not required**

Insert “or 240A” after “240”.

**[4] Section 282 Liability to pay royalty—publicly owned minerals**

Omit “clause 8 (4)” from section 282 (2). Insert instead “clause 7A (3)”.

**[5] Schedule 1B Further provisions relating to authorisations generally**

Insert after clause 7 (1) (b):

- (b1) in the case of a mining lease—the conditions referred to in clause 7A,  
and

**[6] Schedule 1B, clause 7A**

Insert after clause 7:

**7A Additional conditions of mining leases**

- (1) A mining lease is subject to a condition that the holder of the lease may suspend mining operations in the mining area only if the operations are suspended in accordance with the written consent of the decision-maker.
- (2) However, a mining lease that is granted in relation to a mining purpose or mining purposes only is not subject to such a condition.
- (3) A mining lease granted on the basis of a tender lodged under section 53 is taken to include a condition in the terms specified in the tender for the purposes of section 53 (3).
- (4) The conditions referred to in this clause apply in addition to the conditions referred to in clause 7.

**[7] Schedule 1B, clause 8 (3) and (4)**

Omit the subclauses.

**Explanatory note**

Item [1] of the proposed amendments corrects a reference to a renewed exploration licence to make it clear that the licence is not a new exploration licence.

Item [2] updates a cross-reference in a note relating to the cancellation of authorities.

Item [3] extends to a prohibition notice (which directs a person to discontinue unauthorised mining, prospecting or related activities) a provision that allows certain other directions under the Act to be given without prior notice to any affected person.

Items [6] and [7] transfer provisions creating statutory conditions of mining leases from a provision that applies to mineral claims to a provision that applies only to mining leases. In doing so, a statutory condition requiring consent to the suspension of mining operations is redrafted to clarify its operation. Items [4] and [5] make consequential amendments.

### **1.17 Mining and Petroleum Legislation Amendment (Land Access Arbitration) Act 2015 No 41**

**[1] Schedule 2 Amendment of Petroleum (Onshore) Act 1991 No 84**

Omit proposed section 19 (6) in Schedule 2 [2].

**[2] Schedule 2 [2]**

Renumber proposed section 19 (7) as section 19 (6).

**[3] Schedule 2 [10]**

Insert after proposed section 69G (2):

(3) The Secretary is to appoint a member of the Arbitration Panel as an arbitrator.

**Explanatory note**

Item [1] of the proposed amendments removes an uncommenced provision that duplicates an existing provision of the *Petroleum (Onshore) Act 1991* (the **Petroleum Act**) relating to the renewal of petroleum titles. Item [2] makes a consequential amendment.

Item [3] changes an uncommenced amendment to a provision of the Petroleum Act that provides for the appointment of an arbitrator (on the application of a title holder or landholder) to make it clear that the Secretary of the Department of Industry, Skills and Regional Development is required to make the appointment, but may do so without consulting the heads of certain Departments. The uncommenced amendment repeals a provision that requires the Secretary to make the appointment after consulting the heads of Departments.

The proposed amendments also update terminology and references as a consequence of the *Government Sector Employment Act 2013* and past administrative changes orders.

## 1.23 Professional Standards Act 1994 No 81

**[1] Section 43B**

Insert after section 43A:

**43B Delegation of functions**

**[3] Section 36 Licence to be worn by licensee**

- (4) A person, who has been granted the renewal of a licence but has yet to be issued with the renewed licence, complies with this section if the person instead wears (in the manner required by this section) the most recent licence issued to the person.

**Explanatory note**

A visitor permit under the *Security Industry Act 1997* (the *principal Act*) authorises the holder of the permit to carry out specified security activities during one or more specified events. A visitor permit may be issued to individuals or corporations. If a visitor permit authorises the holder to carry on security activities of a kind authorised by a master licence under the principal Act, the holder of a master licence can enter into an arrangement with the holder of the visitor permit for the provision of persons to carry on security activities. However, this is permitted only if the holder of the visitor permit is a corporation.

Item [1] of the proposed amendments removes this limitation so arrangements can now be entered into regardless of whether the holder of the visitor permit is an individual or a corporation.

Items [2] and [3] provide that a person who has been granted the renewal of a licence under the principal Act but who is yet to receive the renewed licence satisfies a requirement to produce the licence or to wear the licence if the person instead produces or wears the most recent licence issued to the person (even though that licence will have expired).

## 1.25 Sporting Venues (Invasions) Act 2003 No 44

**Section 3 Interpretation**

The renamed venues will be included instead in the regulations.

## 1.26 Sporting Venues (Invasions) Regulation 2011

## 1.28 Subordinate Legislation Act 1989 No 146

### Schedule 5 Further postponement of repeal of certain statutory rules

Insert after clause 5:

#### 6 Postponement of repeal of other statutory rules due for repeal in 2016

The following statutory rules remain in force until 1 September 2017, unless sooner repealed:

- (a) *Commercial Agents and Private Inquiry Agents Regulation 2006*,
- (b) *Commons Management Regulation 2006*,
- (c) *Crown Lands (Continued Tenures) Regulation 2006*,
- (d) *Crown Lands (General Reserves) By-law 2006*,
- (e) *Crown Lands Regulation 2006*,
- (f) *Employment Protection Regulation 2001*,
- (g) *Environmental Planning and Assessment Regulation 2000*,

- (h) *Firearms Regulation 2006*,
- (i) *Local Government (General) Regulation 2005*,
- (j) *Local Government (Manufactured Home Estates, Caravan Parks, Camping Grounds and Moveable Dwellings) Regulation 2005*.

**Explanatory note**

The proposed amendment keeps a number of statutory rules in force for a further period of 1 year after the date on which they would otherwise be repealed by the *Subordinate Legislation Act 1989*. However, any of the statutory rules may be repealed sooner by other legislation.

The proposed amendment is necessary as the statutory rules have each been postponed on at least 5 occasions and are due to be repealed by the *Subordinate Legislation Act 1989* on 1 September 2016.

Each of the statutory rules continues to be required and the repeal of each of the statutory rules is to be further postponed until 1 September 2017 for the following reasons:

- (a) Legislation governing commercial agents and private inquiry agents is currently being reviewed. As changes to the *Commercial Agents and Private Inquiry Agents Act 2004* and its regulations are likely, it is considered that it would be premature to remake the *Commercial Agents and Private Inquiry Agents Regulation 2006* before the conclusion of that review.
- (b) The comprehensive review of NSW Crown Lands Management has proposed new legislation replace the principal Acts under which the *Commons Management Regulation 2006*, the *Crown Lands (Continued Tenures) Regulation 2006*, the *Crown Lands (General Reserves) By-law 2006* and the *Crown Lands Regulation 2006* are made. It is therefore proposed to postpone the repeal of these regulations and the by-law pending the enactment of that legislation.
- (c) NSW Industrial Relations is to undertake a review of the *Employment Protection Act 1982* and other industrial legislation in light of recent government sector reforms and various changes to Commonwealth workplace relations laws. It is considered that it would be premature to remake the *Employment Protection Regulation 2001* before the conclusion of that review.
- (d) The *Environmental Planning and Assessment Act 1979* and its related legislation is under ongoing review. It is considered that it would be premature to remake the *Environmental Planning and Assessment Regulation 2000* until the results of the review are clear.
- (e) The legislation governing firearms and prohibited weapons is under ongoing review. It is considered that it would be premature to remake the *Firearms Regulation 2006* at this time.
- (f) The *Local Government Act 1993* is currently under comprehensive review. It is considered that it would be premature to remake the *Local Government (General) Regulation 2005* before the conclusion of that review.
- (g) A review is being undertaken to determine whether the *Local Government (Manufactured Home Estates, Caravan Parks, Camping Grounds and Moveable Dwellings) Regulation 2005* should be remade or replaced and whether to align it with the outcome of the current review of the *Local Government Act 1993*. It is considered that it would be premature to remake the Regulation before the conclusion of that review.

**Explanatory note**

Item [2] updates a reference to the Murray-Darling Basin Agreement (which, in its current form, is set out in Schedule 1 to the *Water Act 2007* of the Commonwealth).

Item [3] enables the holder of an expired approval, when applying for an extension of the period for which the approval has effect, to give the reasons for the delay in applying by way of written statement (rather than by statutory declaration).

Items [4] and [5] enable the Minister for Lands and Water to confer certain water management functions on a **public authority** (within the meaning of the Act) rather than only on Local Land Services. These functions relate to assisting the Minister in the development or implementation of management plans, managing licensed environmental water under access licences and monitoring water quality and other environmental health objectives. (The section under which the Minister may confer these functions does not limit the Minister’s general power under the Act to delegate any of the Minister’s functions under the Act to any person.)

## Schedule 4 Repeals

### 1 Repeal of Mining and Petroleum Legislation Amendment (Grant of Coal and Petroleum Prospecting Titles) Act 2015 No 39

The *Mining and Petroleum Legislation Amendment (Grant of Coal and Petroleum Prospecting Titles) Act 2015 No 39* is repealed.

#### Explanatory note

The *Mining and Petroleum Legislation Amendment (Grant of Coal and Petroleum Prospecting Titles) Act 2015 (the Amendment Act)* contains an uncommenced amendment to the *Mining Act 1992* that was mistakenly included in the Amendment Act and relates to controlled release areas. If the amendment were commenced, land forming part of a controlled release area for minerals could not be constituted as, or added to, an opal prospecting area. As the whole of the State is a controlled release area for coal under section 368A of the *Mining Act 1992*, the effect of the amendment would be that no land could be constituted as, or added to, an opal prospecting area. The purpose of constituting land as a controlled release area for minerals is not to limit the land on which prospecting and mining may be carried out, but to ensure that exploration licences and assessment leases relating to minerals can generally only be granted following a competitive selection process.

Proposed amendments to other Acts and an instrument that are consequent on the repeal of the *Home Care Service Act 1988* are set out in Schedule 5.

The repeal of the *Community Services (Complaints, Reviews and Monitoring) Regulation 2004* is enabled by the proposed amendments to the *Community Services (Complaints, Reviews and Monitoring) Act 1993* in Schedule 1, which insert the remaining operative provisions of the Regulation into that Act.

- (2) In this clause:  
***amending provision*** means a provision of an Act or instrument that makes a direct amendment to an Act or instrument by:
  - (a) the repeal or omission of matter contained in the amended Act or instrument without the insertion of any matter instead of the repealed or omitted matter, or

Except where it is expressly provided to the contrary, if this Act:

- (b) repeals and re-enacts (with or without modification) a provision of an Act or an instrument,

any act done or decision made under the provision amended or repealed has effect after the amendment or repeal as if it had been done or made under the provision as so amended or repealed.

#### **Explanatory note**

### **3      Effect of amendment on instruments**

Except where expressly provided to the contrary, any instrument made under an Act amended by this Act, that is in force immediately before the commencement of the amendment, is taken to have been made under the Act as amended.

#### 4 Revocation of repeal

Section 29A of the *Interpretation Act 1987* applies to the repeal of Acts or instruments, or provisions of Acts or instruments, by this Act.

##### **Explanatory note**

The effect of this clause is to enable the Governor, by proclamation, to revoke the repeal of any Act or instrument, or any provision of any Act or instrument, by the proposed Act. The Act or provision the subject of the revocation of repeal is taken not to be, and never to have been, repealed.

#### 5 Regulations
