5 Disqualified and presumptively disqualified persons

- (1) A person is a *disqualified person* for the purposes of this Act if the person has a conviction for an offence that is prescribed by the regulations as a disqualifying offence and that offence was committed by the person when an adult.

Note. A disqualified person cannot be granted a clearance. See Part 2.

- (2) A person is a *presumptively disqualified person* for the purposes of this Act if:

- (a) the person has a conviction for an offence that is prescribed by the regulations as a presumptively disqualifying offence and that offence was committed by the person when an adult, or

Note. A presumptively disqualified person is presumed to pose a risk of harm to persons with disability and will not be granted a clearance unless there are exceptional circumstances. See Part 3.

Part 2 Obtaining a clearance

Note. This Act does not require a person who does NDIS work to have an NDIS worker check clearance. The requirement for a clearance arises under the NDIS Act and arrangements made for the purposes of the Intergovernmental Agreement.

6 Making an application for a clearance

- (1) An application for a clearance cannot be made before 1 July 2019 or such earlier date as may be prescribed by the regulations.
- (2) An application for a clearance must:

 - (b) be accompanied by any information required by the Screening Agency, and
 - (c) include or be accompanied by proof of the identity of the applicant in the form approved by the Screening Agency, and
 - (d) be accompanied by the fee prescribed by the regulations.
- (3) The Screening Agency may require an applicant for clearance to provide a recent photograph of the applicant, obtained in accordance with arrangements determined by the Screening Agency.
- (4) An application is not considered to be completed and is not valid until all the requirements of this section for an application have been complied with.
- (5) There is no requirement that an applicant for a clearance under this Act be a resident of NSW or have any other connection with NSW.

7 Certain persons not permitted to apply for clearance

- (1) A person cannot apply for a clearance if:
 - (a) the person has had a clearance refused or cancelled under this Act or a corresponding law because the person is a disqualified person, or
 - (b) the person has made an application for a clearance under this Act or a corresponding law and that application is pending (whether or not the application is subject to an interim bar), or
 - (c) the person currently holds a clearance under this Act or a corresponding law, unless the application is made no more than 3 months before the expiry of the current clearance, or

 - (e) in the previous 12 months, an application by the person for a clearance under this Act or a corresponding law has been rejected because the person failed to comply with a requirement to provide information.
- (2) A person who has had a clearance refused or cancelled under this Act or a corresponding law is banned from applying for a clearance for 5 years following the refusal or cancellation, except in the following situations:
 - (a) if the cancellation was at the request of the person,
 - (b) if there has been a relevant change of circumstances for the purposes of the 5-year ban (as provided by subsection (3)),
 - (c) if the refusal or cancellation was because the person is a disqualified person.
Note. The 5-year ban does not apply to a disqualified person. Such a person is permanently disqualified from reapplying for a clearance that has been refused or cancelled.

- (3) Each of the following is a **relevant change of circumstances** for the purposes of the 5-year ban after refusal or cancellation of a clearance:
 - (a) proceedings for an offence on which the refusal or cancellation was based are withdrawn or dealt with without conviction of the person for the offence,
 - (b) a finding of guilt for an offence on which the refusal or cancellation was based is quashed or set aside,
 - (c) a finding the subject of a risk assessment on which the refusal or cancellation was based is quashed or set aside or otherwise expressly or impliedly ceases to have effect,

8 Determination of application

- (1) An application for a clearance must be granted unless the application is refused under this section.
- (2) An application for a clearance must be refused if:
 - (a) the applicant is a disqualified person, or
 - (b) a risk assessment of the applicant is required (as provided by Part 3) and the risk assessment determines that the applicant poses a risk of harm to persons with disability.

Note. A presumptively disqualified person requires a risk assessment and is presumed to pose a risk of harm to persons with disability unless there are exceptional circumstances. See Part 3.
- (3) An application for a clearance may be refused if the Screening Agency is not satisfied that the applicant is or will be engaged to do NDIS work.

9 Interim bar on applicant

Note. Arrangements under the NDIS Act that allow an applicant for a clearance to do NDIS work while an application is pending will not allow this while an interim bar is in force.

- (1) The Screening Agency may, at any time after receiving an application for a clearance and pending determination of the application, impose an **interim bar** on the applicant if of the opinion that there is a reasonable likelihood that a risk assessment will determine that the person poses a risk of harm to persons with disability.
- (2) The Screening Agency imposes an interim bar by giving written notice of the interim bar to the applicant.
- (3) The Screening Agency may give written notice of an interim bar to any person that the Screening Agency reasonably believes to be a notifiable person in relation to the applicant.

 - (a) on notification in writing by the Screening Agency to the applicant that the interim bar is revoked, or
 - (b) if the application is granted or refused, whichever occurs first.

10 Notice of proposed refusal of application

- (1) If the Screening Agency proposes to refuse to grant a clearance to an applicant, the Screening Agency must notify the applicant in writing of the proposed decision and

that the applicant may make a submission to the Screening Agency within the period specified in the notice.

- (2) The Screening Agency must consent to the withdrawal of an application except in the following circumstances (and must refuse consent in those circumstances):
 - (a) a clearance currently held by the applicant under this Act or a corresponding law is under suspension,
 - (b) the applicant's most recent previous application for a clearance under this Act or a corresponding law was refused or the clearance most recently held by the applicant under this Act or a corresponding law was cancelled (other than cancellation at the request of the holder),

 - (d) the Screening Agency has notified or is proposing to notify the applicant that it proposes to refuse to grant a clearance to the applicant and has not yet determined the application,

- (3) The Screening Agency may give written notice of the withdrawal of an application to any person that the Screening Agency reasonably believes to be a notifiable person in relation to the applicant.

Part 3 Risk assessment

13 Nature of risk assessment

- (1) A **risk assessment** is an assessment and determination by the Screening Agency as to whether a person poses a risk of harm to persons with disability.
- (2) A reference in this Act to a risk of harm to persons with disability is to be interpreted in accordance with the following principles:
 - (a) the risk of harm must be a real and appreciable risk of harm,
 - (b) the risk of harm does not need to be likely or significant,
 - (c) the risk of harm need not arise from recent events.
- (3) In this Act, **harm** includes but is not limited to the following:
 - (a) personal harm, which means any detrimental effect on a person's physical, psychological, emotional or financial well-being,
 - (b) sexual harm, which means non-consensual or inappropriate conduct of a sexual nature with or towards a person (whether or not that conduct poses a risk of personal harm).

14 Requirement for risk assessment

- (1) A risk assessment of an applicant for or the holder of a clearance is required in the following circumstances:
 - (a) if the applicant or holder is a presumptively disqualified person,
 - (b) in circumstances prescribed by the regulations,
 - (c) in such other circumstances as the Screening Agency may determine, either generally or in a particular case.
- (2) A risk assessment of an applicant for a clearance is required at the time of application if there are circumstances at the time of application that require a risk assessment.
- (3) A risk assessment of the holder of a clearance is required if the Screening Agency becomes aware that there are circumstances that require a risk assessment.

15 Risk assessment of presumptively disqualified person

For the purposes of a risk assessment of a presumptively disqualified person, it is to be presumed that the person poses a risk of harm to persons with disability unless there are exceptional circumstances that justify a determination that the person does not pose such a risk.

16 Matters to be considered in risk assessment

The Screening Agency is to consider the following for the purposes of a risk assessment:

- (a) the nature, gravity and circumstances of any offence, misconduct or other event that resulted in or contributed to the requirement for a risk assessment in relation to the person (a **relevant event**), and how it is relevant to NDIS work,
- (b) the length of time that has passed since a relevant event occurred,
- (c) the vulnerability of any victim of a relevant event at the time of the event and the person's relationship to the victim or position of authority over the victim at the time of the event,
- (d) the person's criminal history, history of misconduct and other relevant history, including whether there is a pattern of concerning behaviour,
- (e) the person's conduct since a relevant event,

- (f) all other circumstances in respect of the person's criminal offending, misconduct and other relevant history and their impact on eligibility to be engaged in NDIS work,
- (g) such other matters as the Screening Agency considers appropriate.

Part 4 Duration and termination of clearances

17 Duration of clearances

- (1) A clearance remains in force (unless sooner cancelled or surrendered) for a period of 5 years starting from whichever of the following start dates is applicable in the circumstances:
 - (a) if the applicant is not the holder of a clearance under this Act or a corresponding law when the application for the clearance is granted, the start date is the date on which the application for the clearance is granted,
 - (b) if the application is granted while the applicant is the holder of a clearance (an *existing clearance*) under this Act or a corresponding law, the start date is the date on which the existing clearance ceases to be in force.
- (2) The Screening Agency may extend the period for which a clearance remains in force for a period of up to 6 months after the clearance would otherwise have ceased to be in force if the holder of the clearance has made a valid application for a clearance under this Act or a corresponding law (either before or within 6 months after the clearance ceases to be in force) and that application is pending.
- (3) If the period for which a clearance remains in force is extended under this section after the date on which the clearance ceased to be in force, the clearance is taken to have remained in force from that date until the extension takes effect.
- (4) The following arrangements apply for the purpose of facilitating alignment of the periods for which a clearance granted to a person under this Act and a clearance granted to the person under the *Child Protection (Working with Children) Act 2012* are in force:
 - (a) an NDIS worker check clearance may, at the discretion of the Screening Agency and with the agreement of the applicant, be granted so as to be in force for a period of less than 5 years,
 - (b) the period for which an NDIS worker check clearance is in force may be shortened after the clearance is granted at the discretion of the Screening Agency and on the application of the holder of the clearance,
 - (c) the holder of an NDIS worker check clearance may, with the approval of the Screening Agency, apply for a new NDIS worker check clearance earlier than 3 months before the expiry of the clearance (despite any requirement of this Act that the application be made no more than 3 months before the expiry of the clearance),
 - (d) the Screening Agency may approve a reduction in the fee payable, or a refund of part of any fee paid, to reflect any reduction in the period for which an NDIS worker check clearance is or is to be in force.

18 Requirement to notify change of particulars

- (1) The holder of a clearance must notify the Screening Agency in writing in a form approved by the Screening Agency of any relevant change of particulars within 3 months after the change occurs.

 - (a) any change in the person's name, residential address or contact details,
 - (b) a change of employer by the person,
 - (c) any change prescribed by the regulations.

- (1) The Screening Agency may, by written notice to the holder of a clearance, suspend the clearance if of the opinion that there is a reasonable likelihood that a risk assessment of the holder will determine that the holder poses a risk of harm to persons with disability.
- (2) The Screening Agency may give written notice of the suspension of a clearance to any person that the Screening Agency reasonably believes to be a notifiable person in relation to the holder of the clearance.
- (3) The suspension of a clearance ceases to have effect:
 - (a) on notification in writing by the Screening Agency to the holder that the suspension is revoked, or
 - (b) if the clearance is cancelled,whichever occurs first.

20 Cancellation of clearance

- (1) The Screening Agency must cancel the clearance of a person if the Screening Agency becomes aware that the person is a disqualified person or a risk assessment determines that the person poses a risk of harm to persons with disability.
- (2) The Screening Agency may cancel a clearance for any of the following reasons:
 - (a) the Screening Agency is not satisfied that the person is or will be engaged to do NDIS work,
 - (b) the clearance was granted pursuant to an application that was not valid,
 - (c) the clearance was granted because of a mistake and should not have been granted.
- (3) If the Screening Agency proposes to cancel a clearance other than because the person is a disqualified person, the Screening Agency must notify the person in writing of the proposed cancellation and that the person may make a submission to the Screening Agency within the period specified in the notice.
- (4) The Screening Agency must consider any submission made by the person within the specified period before finally deciding whether to cancel the clearance.
- (5) The Screening Agency must notify the holder of a clearance in writing of the Screening Agency's decision to cancel the clearance. Notice of the decision must set out the reasons for the cancellation and any right to seek a review under Part 6 (Review of decisions).
- (6) The Screening Agency may give written notice of the cancellation of a clearance to any person that the Screening Agency reasonably believes to be a notifiable person in relation to the holder of the clearance.

21 Surrender of clearance
