- [10] **Clause 7.11**  
Insert after clause 7.10:
- 7.11 Workforce accommodation**
- (1) The objectives of this clause are as follows:
- (a) to enable development for workforce accommodation if there is a demonstrated need to accommodate workers due to the nature of the work in which the workers are employed or due to the accommodation needs of the workforce,
- (b) to ensure that workforce accommodation is designed and located such that it will not have an unreasonable adverse impact on adjoining uses or the amenity of the neighbourhood and maximises its potential for beneficial outcomes for the local economy,

- (c) to ensure that workforce accommodation will not prejudice the future use of the land,
  - (d) to minimise the impact of workforce accommodation on local roads and infrastructure.
- (2) This clause applies to land in the following zones:
- (a) Zone R1 General Residential,
  - (b) Zone R2 Low Density Residential,
  - (c) Zone R3 Medium Density Residential,
  - (d) Zone SP3 Tourist.
- (3) Development consent must not be granted for workforce accommodation on land to which this clause applies unless the consent authority is satisfied that:
- (a) there is a need to provide workforce accommodation because of large-scale development being carried out or because of the remote or isolated location of the land on which any development is being carried out, and
  - (b) the accommodation needs of the workforce cannot reasonably be met using other types of residential accommodation (whether existing or otherwise), and
  - (c) water reticulation systems and sewerage systems will be provided to adequately meet the requirements of the workforce accommodation, and
  - (d) any infrastructure provided in connection with the workforce accommodation will, if practicable, continue to be used once the workforce accommodation is no longer required, and
  - (e) the workforce accommodation is not likely to have significant adverse impacts on the use of any adjoining land or the amenity of the neighbourhood, and
  - (f) the workforce accommodation will be appropriately designed and located to maximise residential amenity, and
  - (g) the workforce accommodation will not prejudice the subsequent carrying out of development on the land in accordance with this Plan and any other applicable environmental planning instrument, and
  - (h) the workforce accommodation will not provide services or facilities that are, or can otherwise practicably be, provided within the locality.
- (4) In this clause:
- workforce accommodation** means any habitable buildings and associated amenities erected or altered for the purpose of providing accommodation for persons employed to carry out work of a nature and scale that requires the employment of additional persons on a permanent, temporary or seasonal basis, such as large-scale infrastructure projects.
