SCHEDULE 1

EXPLANATORY NOTE

The object of this Regulation is to repeal and remake, with modifications, the Sydney Market Regulation. Apart from machinery provisions (such as the name by which the new Regulation is to be known and the date of its commencement), the Regulation makes provision for the following:

- the opening hours of the market
- the occupation of stands and stores within the market
- the regulation of vehicles in the market, with special provisions concerning vehicles such as fork lifts
- the regulation of activities and behaviour generally in the market
- penalties for certain offences.

The Regulation is made under the Sydney Market Authority Act 1968, including section 35 (the general regulation-making power) and various other sections mentioned in the Regulation.

The Regulation is made in connection with the staged repeal of subordinate legislation under the Subordinate Legislation Act 1989.
