### **EXPLANATORY NOTE**

The object of this Regulation is to enable restrictions to be imposed, in times of drought or other scarcity, on the use of water in the area of operations of the Water Board. The Regulation makes it an offence to break the restrictions. It enables an offence for breaking those restrictions to be dealt with by way of penalty notice. The Regulation also enables the Water Board to cut off or restrict supply if a person fails to observe the water restrictions.

The Regulation is made under sections 51 and 66 of the Water Board Act 1987.
