

**LORD HOWE ISLAND ACT 1953—REGULATION**

(Relating to vessels and to noxious plants)

NEW SOUTH WALES

[Published in Gazette No. 22 of 23 February 1996]

HIS Excellency the Governor, with the advice of the Executive Council, and in pursuance of the Lord Howe Island Act 1953, has been pleased to make the Regulation set forth hereunder.

Pam Allan  
Minister for the Environment.

---

The Lord Howe Island (General) Regulation 1994 is amended:

- (a) by omitting from the definition of “vessel” in clause 3 (1) the matter “3 metres” and by inserting instead the matter “5 metres”;
- (b) by omitting from Schedule 3 the following matter:

<i>Pennisetum clanderinum</i>	Kikuyu grass
<i>Stenotaphnum secundatum</i>	Buffalo grass

---

**EXPLANATORY NOTE**

This Regulation does the following 2 unconnected things:

- (a) it amends the definition of “vessel” in the Lord Howe Island (General) Regulation 1994 so as to limit the application of the relevant provisions of that Regulation to vessels longer than 5 metres (at present, the Regulation applies in respect of all vessels longer than 3 metres);
- (b) it omits kikuyu grass and buffalo grass from the list of noxious plants in Schedule 3 to the Regulation, with the effect that those grasses are no longer noxious plants for the purposes of the Regulation.

This Regulation is made under the Lord Howe Island Act 1953, in particular, section 38 (the general regulation-making power).
