(2) An owners corporation may resolve that furniture, large objects or deliveries to and from the lot are to be transported through or on the common property (whether in the building or not) in a specified manner.

(3) If the owners corporation has specified, by resolution, the manner in which furniture, large objects or deliveries to and from the lot are to be transported, then an owner or occupier of a lot must not transport any furniture, large object or deliveries to and from the lot through or on common property except in accordance with that resolution.

for the purpose of having the garbage, recyclable material or waste collected, must place the receptacles within an area designated for that purpose by the owners corporation and at a time not more than 12 hours before the time at which garbage, recyclable material or waste is normally collected, and

(d) when the garbage, recyclable material or waste has been collected, must promptly return the receptacles to the lot or other area referred to in paragraph (a),

(e) must not place any thing in the receptacles of the owner or occupier of any other lot except with the permission of that owner or occupier, and
