National Parks and Wildlife (Administration) Amendment (Plans of Management) Regulation 1997

under the

National Parks and Wildlife Act 1974

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *National Parks and Wildlife Act 1974*.

PAM ALLAN, M.P.,

Minister for the Environment

Explanatory note

The *National Parks and Wildlife Amendment (Abercrombie, Jenolan and Wombeyan Karst Conservation Reserves) Act 1997* (the amending Act) inserts (among other provisions) section 75B in the *National Parks and Wildlife Act 1974*. One of the effects of that section is to require the Jenolan Caves Reserve Trust (which is established by the amending Act) to prepare plans of management in relation to lands dedicated as (or as part of) a karst conservation reserve whose care, control and management is vested in that Trust. The section also requires notice of the preparation of such a plan of management to be given “as prescribed”, and allows the making of representations in connection with the plan of management.

The object of this Regulation is to prescribe the way in which the requisite notice is to be given.

This Regulation is made under the *National Parks and Wildlife Act 1974*, and, in particular, under section 155. Section 155 is the general regulation-making power in relation to parks (which include, for the purposes of that section, karst conservation reserves).
