# Survey Co-ordination Amendment (Co-ordinate System) Regulation 2000

under the

Survey Co-ordination Act 1949

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Survey Co-ordination Act 1949*.

Kim Yeadon

Minister for Information Technology

## Explanatory note

Section 5 of the *Survey Co-ordination Act 1949* (*the Act*) requires a public authority (as defined in the Act) to give the Surveyor-General notice “in or to the effect of the prescribed form” of the authority's intention to commence certain surveys. The prescribed form is Form 1 in Schedule 1 to the *Survey Co-ordination Regulation 1998*. That Form provides for a choice of co-ordinate systems under which the survey may be carried out.

The object of this Regulation is to amend Form 1 of Schedule 1 to the *Survey Co-ordination Regulation 1998* so as to remove 2 of the choices currently available.

This Regulation is made under the *Survey Co-ordination Act 1949*, and, in particular, under section 22 (the general regulation-making power).

**2000 No 146**

Clause 1            Survey Co-ordination Amendment (Co-ordinate System) Regulation  
2000

---

**Survey Co-ordination Amendment (Co-ordinate System) Regulation 2000**
