Stock (Chemical Residues) Amendment (Stock Identification) Regulation 2000

under the

Stock (Chemical Residues) Act 1975

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Stock (Chemical Residues) Act 1975*.

RICHARD AMERY, M.P.,

Minister for Agriculture

Explanatory note

The objects of this Regulation are:

- (a) to allow inspectors to make surveys, maps, plans or diagrams of land that may be the subject of a notice for the detention of chemically affected stock or of a prohibition or restriction on grazing, and
- (b) to provide for data recorded under schemes of identification of stock established under the *Stock Diseases Act 1923* to be used for the purposes of the *Stock (Chemical Residues) Act 1975*.

This Regulation is made under section 16 of the *Stock (Chemical Residues) Act 1975*, in particular, section 16 (6), which was inserted by the *Stock (Chemical Residues) Amendment Act 1999*.
