Public Health Miscellaneous Amendments Regulation 2000

under the

Public Health Act 1991

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Public Health Act 1991*.

CRAIG KNOWLES, M.P.,

Minister for Health

Explanatory note

The objects of this Regulation are:

- (a) to amend the *Public Health Act 1991* to provide that Shigellosis is a Category 3 medical condition (as a result, a person suffering from Shigellosis will be required to take reasonable precautions against spreading the condition and a testing laboratory will be required to notify the Director-General of the Department of Health when a test for such a condition returns a positive result), and
- (b) to amend the *Public Health Regulation 1991* to increase the fees payable for an application for an approval of equipment for a crematory and for an application for approval to exhume the remains of a body, and
- (c) to amend the *Public Health (Microbial Control) Regulation 2000* to increase the fee payable for an application for approval of a warm water system for ablution purposes.

This Regulation is made under the *Public Health Act 1991*, including sections 80 and 82 (the general power to make regulations).
