Threatened Species Conservation Act 1995 No 101

Notice of Final Determination and Amendment of Schedule 2 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of plant in Schedule 2 to that Act (Vulnerable species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

Plants

Myrtaceae

Eucalyptus oresbia Hunter and Bruhl

The final determination to insert this species in Schedule 2 has been made because the Scientific Committee is of the opinion that the species is likely to become endangered unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The National Parks Centre
102 George St
The Rocks
Sydney

and at all Area Offices and Visitor Centres of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 18th day of January 2002.
