# Threatened Species Conservation Act 1995 No 101

## Notice of Final Determination and Amendment of Schedule 3 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following matter in Schedule 3 to that Act (Key threatening processes) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

Competition and grazing by the feral European Rabbit, *Oryctolagus cuniculus* (L.)

The final determination to insert this matter in Schedule 3 has been made because the Scientific Committee is of the opinion that competition and grazing by the feral European Rabbit adversely affects two or more threatened species, populations or ecological communities, or could cause species, populations or ecological communities that are not threatened to become threatened.

Copies of the final determination may be inspected during business hours at:

The National Parks Centre  
102 George St  
The Rocks  
Sydney

and at Area Offices or Visitor Centres of the National Parks and Wildlife Service.

Signed at Sydney, this 12th day of April 2002.

Dr Chris Dickman  
Chairperson  
Scientific Committee

**2002 No 285**

Threatened Species Conservation Act 1995 No 101—Final Determination

---

**Annexure “A”**

**Schedule 3** to the *Threatened Species Conservation Act 1995* is amended by inserting in alphabetical order the matter:

Competition and grazing by the feral European Rabbit, *Oryctolagus cuniculus* (L.)
