

Threatened Species Conservation Act 1995 No 101

Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination as follows:

- (a) to insert the following ecological community in Part 3 of Schedule 1 to that Act (Endangered ecological communities):

Duffys Forest Ecological Community in the Sydney Basin Bioregion (as described in the final determination of the Scientific Committee to list the ecological community)

- (b) as a consequence, to omit the following matter from Part 3 of Schedule 1:

Duffys Forest vegetation community (as described in the final determination of the Scientific Committee to list the ecological community)

and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice.

The final determination to insert this ecological community in Part 3 of Schedule 1 has been made because the Scientific Committee is of the opinion that the community is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival cease to operate.

Copies of the final determination may be inspected during business hours at:

The National Parks Centre
102 George St
The Rocks
Sydney

and at Area Offices or Visitor Centres of the National Parks and Wildlife Service.

Signed at Sydney, this 8th day of June 2002.
