

New South Wales

# Threatened Species Conservation Act 1995 No 101

## Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of plant in Part 1 of Schedule 1 to that Act (Endangered species) and, accordingly, that Schedule is amended as set out in Annexure “A” to this Notice:

### Plants

Rutaceae

*Asterolasia buxifolia* Benth.

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected during business hours at:

The National Parks Centre  
102 George St  
The Rocks  
Sydney

and at Area Offices or Visitor Centres of the National Parks and Wildlife Service.

Signed at Sydney, this 19th day of September 2002.

Dr Chris Dickman  
Chairperson  
Scientific Committee

**2002 No 806**

Threatened Species Conservation Act 1995 No 101—Final Determination

---

**Annexure “A”**

**Schedule 1** to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 1 in alphabetical order under the heading “Plants” and the sub-heading “Rutaceae” the matter:

*Asterolasia buxifolia* Benth.
