# Threatened Species Conservation Act 1995 No 101

## Notice of Final Determination and Amendment of Schedules 1 and 2 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination as follows:

- (a) to insert the following species of plant as an endangered species in Part 1 of Schedule 1 to that Act:

### Plants

Orchidaceae

*Diuris aequalis* F. Muell. ex Fitzg.

- (b) as a consequence, to omit reference to that species of plant as a vulnerable species in Schedule 2,

and, accordingly, those Schedules are amended as set out in Annexure “A” to this Notice.

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected during business hours at:

The National Parks Centre  
102 George St  
The Rocks  
Sydney

and at Area Offices or Visitor Centres of the National Parks and Wildlife Service.
