

## Notice of Final Determination and Amendment of Schedule 3 to Act

under the

Threatened Species Conservation Act 1995 No 101

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following matter as a key threatening process in Schedule 3 to that Act and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

Infection by Psittacine Circoviral (beak and feather) Disease affecting endangered psittacine species and populations

The final determination to insert this matter in Schedule 3 has been made because the Scientific Committee is of the opinion that infection by Psittacine Circoviral (beak and feather) Disease affecting endangered psittacine species and populations adversely affects two or more threatened species or populations.

Copies of the final determination may be inspected during business hours at:

The National Parks Centre

102 George St

The Rocks

Sydney

and at Area Offices or Visitor Centres of the National Parks and Wildlife Service.

Signed at Sydney, this 22nd day of November 2002.

## **2002 No 916**

Notice of Final Determination and Amendment of Schedule 3 to Act

---

Dr Chris Dickman  
Chairperson  
Scientific Committee

### **Annexure "A"**

**Schedule 3** to the *Threatened Species Conservation Act 1995* is amended by inserting in alphabetical order the matter:

Infection by Psittacine Circoviral (beak and feather) Disease affecting endangered psittacine species and populations

BY AUTHORITY
