

Notice of Final Determination and Amendment of Schedule 1 to Act

under the

Threatened Species Conservation Act 1995 No 101

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following ecological community as an endangered ecological community in Part 3 of Schedule 1 to that Act and, accordingly, that Schedule is amended as set out in Annexure “A” to this Notice:

Hunter Lowland Redgum Forest in the Sydney Basin and New South Wales North Coast Bioregions (as described in the final determination of the Scientific Committee to list the ecological community)

The final determination to insert this ecological community in Part 3 of Schedule 1 has been made because the Scientific Committee is of the opinion that the community is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival cease to operate.

Copies of the final determination may be inspected during business hours at:

The National Parks Centre
102 George St
The Rocks
Sydney

and at Area Offices or Visitor Centres of the National Parks and Wildlife Service.

Signed at Sydney, this 4th day of December 2002.

2002 No 955

Notice of Final Determination and Amendment of Schedule 1 to Act

Dr Chris Dickman
Chairperson
Scientific Committee

Annexure "A"

Schedule 1 to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 3 in alphabetical order the matter:

Hunter Lowland Redgum Forest in the Sydney Basin and New South Wales North Coast Bioregions (as described in the final determination of the Scientific Committee to list the ecological community)

Note. See Final Determination on page 10599 of Gazette No 255 of 13 December 2002.
