

# Notice of Final Determination and Amendment of Schedules 1 and 2 to Act

under the

Threatened Species Conservation Act 1995 No 101

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination as follows:

- (a) to insert the following species of plant as a vulnerable species in Schedule 2 to that Act:

## Plants

### Rutaceae

*Boronia granitica* Maiden & E. Betcher

- (b) as a consequence, to omit reference to that species of plant as an endangered species in Part 1 of Schedule 1,

and, accordingly, those Schedules are amended as set out in Annexure "A" to this Notice.

The final determination to insert this species in Schedule 2 has been made because the Scientific Committee is of the opinion that the species is likely to become endangered unless the circumstances and factors threatening its survival or evolutionary development cease to operate.
