Long Service Leave (Metalliferous Mining Industry) Act 1963

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Long Service Leave (Metalliferous Mining Industry) Act 1963*.

JOHN DELLA BOSCA, M.L.C.,
Minister for Industrial Relations

Explanatory note

The object of this Regulation is to remake, without substantial change, the *Long Service Leave (Metalliferous Mining Industry) Regulation 2000* which is repealed on 1 September 2005 by section 10 (2) of the *Subordinate Legislation Act 1989*.

The *Long Service Leave (Metalliferous Mining Industry) Act 1963* provides that bonuses paid to workers are to form part of the ordinary pay of a worker for the purposes of payment for long service leave. This Regulation prescribes the annual amount as \$144,000 (the *Long Service Leave (Metalliferous Mining Industry) Regulation 2000* prescribed the amount as \$120,000).

This Regulation relates to matters of a machinery nature and matters that are not likely to impose an appreciable burden, cost or disadvantage on any sector of the public.

This Regulation is made under the *Long Service Leave (Metalliferous Mining Industry) Act 1963* including sections 3 (2C) and 15 (the general regulation-making power).
