

New South Wales

Fisheries Management Amendment (Threatened Species Conservation) Order (No 5) 2005

under the

Fisheries Management Act 1994

I, the Minister for Primary Industries, in pursuance of section 220D of the *Fisheries Management Act 1994*, make the following Order.

Dated, this 28th day of October 2005.

IAN MACDONALD, M.L.C.,
Minister for Primary Industries

Explanatory note

Part 7A of the *Fisheries Management Act 1994* (*the Act*) deals with the conservation of threatened species, populations and ecological communities of fish and marine vegetation. For the purposes of identification and classification, provision is made for the listing:

- (a) in Schedule 4 to the Act, of endangered species, endangered populations and endangered ecological communities and species that are presumed to be extinct, and
- (b) in Schedule 5, of vulnerable species, and
- (c) in Schedule 6, of key threatening processes.

Under the Act, listing and amendments to listing are to be made by the Minister by order on the recommendation of the Fisheries Scientific Committee (*the Committee*).

The object of this Order is to list the introduction of non-indigenous fish and marine vegetation to the coastal waters of New South Wales in Schedule 6 to the Act (Key threatening processes), as recommended by the Committee.

The Committee has recommended this listing because it considers that the process could cause species, populations or ecological communities that are not threatened to become threatened.

This Order is made under section 220D of the *Fisheries Management Act 1994*.

2005 No 715

Clause 1 Fisheries Management Amendment (Threatened Species Conservation)
Order (No 5) 2005

**Fisheries Management Amendment (Threatened
Species Conservation) Order (No 5) 2005**

under the

Fisheries Management Act 1994

1 Name of Order
