Fisheries Management (Aquaculture) Amendment Regulation 2006

under the

Fisheries Management Act 1994

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Fisheries Management Act 1994*.

IAN MACDONALD, M.L.C.,
Minister for Primary Industries

Explanatory note

The objects of this Regulation are:

- (a) to clarify that class A and B aquaculture permits extend to land that is the subject of an aquaculture lease, and that class C, D and E permits do not extend to such land, and
- (b) to confer power on the Minister to waive the contribution towards research that is payable by aquaculture permit holders, in appropriate circumstances, and
- (c) to authorise a quarantine order to contain provisions that prohibit equipment or infrastructure used in the cultivation or taking of fish or marine vegetation in a quarantine area from being moved from that area, or that require such equipment or infrastructure to be tested, treated or handled in any specified manner before being moved.

This Regulation is made under the *Fisheries Management Act 1994*, including sections 144, 156, 183 and 289 (the general regulation-making power).

2006 No 168
