- (3) For the purposes of section 69 (6) (b) of the Act, the nomination of an eligible fisher who is the nominated fisher of another shareholder in another fishery is authorised in all fisheries.
- (4) The nomination of an eligible fisher does not take effect until:
 - (a) the nomination is given to the Director-General in the form and manner required by section 69 (3) of the Act, and
 - (b) if the shareholder has been issued with a fishing business card in respect of the fishing business to which the nomination applies, possession of the fishing business card is given to the nominated fisher.

- (2) A shareholder may nominate one (and not more than one) eligible fisher to take fish on behalf of the shareholder for each fishing business of which he or she is the owner.
- (3) A nomination applies in respect of the fishing business indicated by the shareholder and operates to authorise an eligible fisher to take fish only in respect of those shares that are a component of the relevant business.
- (4) A separate nomination must be made in respect of each separate fishing business.
- (5) If shares held by a shareholder are components of more than one fishing business, either the same or a different eligible fisher may be nominated in respect of each separate fishing business, subject to this clause.
- (6) If the shares held by a shareholder in the abalone fishery are components of 2 or more fishing businesses, a different eligible fisher is to be nominated in respect of each fishing business.
- (7) If the shares held by a shareholder in the lobster fishery are components of 2 or more fishing businesses, a different eligible fisher is to be nominated in respect of each fishing business.

7 Revocation of nomination of commercial fisher

 - (a) by the shareholder, or
 - (b) by the Director-General, if revocation by the Director-General is authorised by this clause.

- (3) The shareholder must inform the nominated fisher of the revocation of the nomination.
- (4) The Director-General is authorised to revoke a shareholder's nomination of a person to take fish on behalf of the shareholder (without the consent of the shareholder) if:
 - (a) the nominated fisher requests the revocation, in a form and manner approved by the Director-General, or

- (b) the Director-General cancels the registration of the person as an eligible fisher in respect of the shareholder under the Regulation, or
 - (c) the shareholder is not entitled to nominate the person to take fish on behalf of the shareholder under section 69 (6) of the Act, this Plan or the share management plan for the fishery.
- (5) The Director-General revokes a nomination by giving the shareholder notice in writing of the revocation.
- (6) The Director-General must, by notice in writing, inform the person whose nomination has been revoked of that revocation.

- (3) The management charge may, with the approval of the Minister, be paid by instalments on such terms as the Minister approves.

Note. Section 76 of the Act provides that if an instalment is not paid by the due date, the balance then becomes due and payable (together with any interest for late payment chargeable under section 76).

11 Community contribution

- (1) For the purposes of section 77 of the Act, a community contribution is payable by a shareholder in a fishery, in respect of each fishing business of the shareholder, for each financial year.
- (2) The community contribution is payable 2 months after the end of each financial year, or on such later date as may be determined by the Minister.
- (3) No community contribution is payable for the financial year commencing on 1 July 2006.
- (4) The community contribution for each subsequent financial year is \$100 for each fishing business the components of which include shares in a fishery.
- (5) A shareholder is liable for only one community contribution under this clause in respect of a fishing business (even if the fishing business includes components in more than one fishery).

-
- (6) If a community contribution is unpaid after the due date for its payment, the balance then becomes due and payable (together with any interest that may be charged on the overdue amount).
- (7) Interest may be charged, at the discretion of the Minister, if a community contribution is unpaid after the due date for its payment, on the overdue amount at the rate payable from time to time in respect of judgments of the Supreme Court.
