

New South Wales

Fisheries Management Amendment (Threatened Species Conservation) Order (No 1) 2009

under the

Fisheries Management Act 1994

The Fisheries Scientific Committee established under the *Fisheries Management Act 1994*, in pursuance of section 220D of that Act, makes the following Order.

Dated, this 21st day of January 2009.

R. WEST,
Chairperson of the Fisheries Scientific Committee

Explanatory note

Part 7A of the *Fisheries Management Act 1994* deals with the conservation of threatened species, populations and ecological communities of fish and marine vegetation. For the purposes of identification and classification, provision is made for the listing of species, populations and ecological communities.

The object of this Order is to give effect to final determinations of the Fisheries Scientific Committee that change the status of the following species:

- (a) *Gadopsis marmoratus* (commonly known as the river blackfish),
- (b) *Galaxias rostratus* (commonly known as the flathead galaxias).

This Order is made under section 220D of the *Fisheries Management Act 1994*.

2009 No 24

Clause 1

Fisheries Management Amendment (Threatened Species Conservation)
Order (No 1) 2009
