# **Energy and Utilities Administration Amendment (Close Control Airconditioners) Regulation 2009**

under the

**Energy and Utilities Administration Act 1987**

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Energy and Utilities Administration Act 1987*.

IAN MACDONALD, MLC  
Minister for Energy

## **Explanatory note**

The object of this Regulation is to introduce mandatory minimum energy performance standards (MEPS) for close control airconditioners.

This Regulation is made under the *Energy and Utilities Administration Act 1987*, including sections 38 and 53 (the general regulation-making power).

**2009 No 450**

Clause 1 Energy and Utilities Administration Amendment (Close Control  
Airconditioners) Regulation 2009

---

**Energy and Utilities Administration Amendment (Close Control Airconditioners) Regulation 2009**

under the

Energy and Utilities Administration Act 1987

**1 Name of Regulation**

This Regulation is the *Energy and Utilities Administration Amendment (Close Control Airconditioners) Regulation 2009*.

**2 Commencement**

This Regulation commences on the day on which it is published on the NSW legislation website.

---

## **Schedule 1      Amendment of Energy and Utilities Administration Regulation 2006**

**[1]    Clause 15 Approval of energy efficiency label**

Omit “or commercial building chiller” from clause 15 (2).

Insert instead “, commercial building chiller or close control airconditioner”.

**[2]    Clause 18 Labels on certain electrical equipment listed in Schedule 2 to  
be approved**

Omit “and commercial building chillers” from clause 18 (1).

Insert instead “, commercial building chillers and close control  
airconditioners”.

**[3]    Schedule 2 Standards for electrical equipment that requires registration  
but not labelling with an energy efficiency label**

Insert after clause 10:

**11    Close control airconditioners**

The following are the relevant standards for close control  
airconditioners:

- (a) AS/NZS 4965.1:2008, *Performance of close control  
airconditioners, Part 1: Testing for rating,*
- (b) AS/NZS 4965.2:2008, *Performance of close control  
airconditioners, Part 2: Minimum energy performance  
standard (MEPS) requirements.*
