

New South Wales

Fisheries Management Amendment (Threatened Species Conservation) Order (No 3) 2009

under the

Fisheries Management Act 1994

The Fisheries Scientific Committee established under the *Fisheries Management Act 1994*, in pursuance of section 220D of the *Fisheries Management Act 1994*, make the following Order.

Dated, this 24th day of September 2009.

Associate Professor Ron West
Chairperson of the Fisheries Scientific Committee

Explanatory note

Part 7A of the *Fisheries Management Act 1994* deals with the conservation of threatened species, populations and ecological communities of fish and marine vegetation. For the purposes of identification and classification, provision is made for the listing of species, populations and ecological communities.

The object of this Order is to give effect to the final determination of the Fisheries Scientific Committee to change the status of the marine slug, *Smeagol hilaris*.

This Order is made under section 220D of the *Fisheries Management Act 1994*.
