Part 2 Animal display establishments

Part 2 Animal display establishments

4 Exemptions from licensing requirements

(1) Freshwater fish

For the purposes of section 4 (1) of the Act, an animal display establishment is exempt from the requirement to be licensed if the only animals exhibited at the establishment are freshwater fish that are kept:

- (a) in a decorative or landscaped pond or ponds of any size, or
- (b) in an aquarium that has a capacity of less than 2,000 litres or aquaria that have a total capacity of less than 2,000 litres.

(2) Saltwater fish

For the purposes of section 4 (1) of the Act, an animal display establishment is exempt from the requirement to be licensed if the only animals exhibited at the establishment are saltwater fish that are kept in an aquarium that has a capacity of less than 2,000 litres or aquaria that have a total capacity of less than 2,000 litres.

(3) Wildlife sanctuaries

For the purposes of section 4 (1) of the Act, an animal display establishment is exempt from the requirement to be licensed in respect of an animal if the animal is in an enclosed area and the Director-General is satisfied that:

Note. Certain wildlife sanctuaries require and maintain very limited human interaction with the animals kept on those premises. In such cases the Director-General may form the view that it is unreasonable to require the operator of the sanctuary to comply with the strict requirements of a licence under the Act.

5 Exhibitions exempted from the operation of the Act

(1) For the purposes of paragraph (c) of the definition of *exhibit* in section 5 (1) of the Act, it is declared that the display, or keeping for display, of an animal in the following circumstances does not constitute an exhibition of the animal for the purposes of the Act:

- (b) that the animal is a lawful captive and is part of a competitive display of household pets,

-

 - (i) that the animal, being an animal of a species listed in Schedule 3 and not being an animal kept pursuant to an approval or permit or at a licensed animal display establishment, is an animal used only for riding or racing,
