# Public Health Amendment (Swine Influenza) Regulation 2010

under the

Public Health Act 1991

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Public Health Act 1991*.

CARMEL TEBBUTT, MP  
Minister for Health

## Explanatory note

The object of this Regulation is to amend the *Public Health Act 1991* so that swine influenza in humans:

- (a) is no longer a scheduled medical condition, and
- (b) is no longer a notifiable disease.

As a result, the notification obligations applicable to medical practitioners under the Act, and certain other special requirements, will no longer apply in respect of that medical condition.

This Regulation is made under the *Public Health Act 1991*, including sections 80 and 82 (the general regulation-making power).
