# Electricity Supply (General) Amendment Regulation 2011

under the

Electricity Supply Act 1995

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Electricity Supply Act 1995*.

PAUL LYNCH, MP  
Minister for Energy

## Explanatory note

The *Electricity Supply Act 1995* provides that applications for accreditation as an abatement certificate provider under the Act cannot be made on or after 1 January 2010 unless the regulations prescribe a later date. The object of this Regulation is to extend the deadline for making such applications to 31 December 2012 if the application is for accreditation in relation to activities in relation to which an abatement certificate provider was accredited on or before 31 December 2009.

This Regulation is made under the *Electricity Supply Act 1995*, including sections 97DB (1A) and 191 (the general regulation-making power).
