Health Practitioner Regulation (New South Wales) Amendment (Savings and Transitional) Regulation 2011

under the

Health Practitioner Regulation National Law (NSW)

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Health Practitioner Regulation National Law (NSW)*.

JILLIAN SKINNER, MP
Minister for Health

Explanatory note

The object of this Regulation is to amend the *Health Practitioner Regulation (New South Wales) Regulation 2010* to make provision for transitional matters as a consequence of the former members of State registration authorities for health practitioners being deemed to be members of State registration Boards under the *Health Practitioner Regulation National Law (NSW)*. In particular the Regulation:

- (a) makes it clear that the expiration of the term of office of such members as members of the previous State registration authority does not affect their membership of the new State registration boards, and
- (b) provides that any such person ceases to hold office as a member of the new State registration board on the first appointment by the Minister under that Law of a member to the relevant State registration board.

This Regulation is made under the *Health Practitioner Regulation National Law (NSW)*, including section 247A (the general-regulation making power) and clause 1 of Schedule 5A to that Law.
