under the

Long Service Leave (Metalliferous Mining Industry) Act 1963

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Long Service Leave (Metalliferous Mining Industry) Act 1963*.

GREG PEARCE, MLC
Minister for Finance and Services

Explanatory note

The object of this Regulation is to remake, with minor amendments, the *Long Service Leave (Metalliferous Mining Industry) Regulation 2005* which is repealed on 1 September 2011 by section 10 (2) of the *Subordinate Legislation Act 1989*.

The *Long Service Leave (Metalliferous Mining Industry) Act 1963* provides that bonuses form part of the ordinary pay of a worker for the purposes of payment for long service leave unless the ordinary annual pay of the worker (excluding bonuses) exceeds an amount prescribed by the regulations. This Regulation prescribes that annual amount as \$144,000 (being the same amount that was prescribed under the *Long Service Leave (Metalliferous Mining Industry) Regulation 2005* immediately before its repeal).

This Regulation comprises or relates to matters set out in Schedule 3 to the *Subordinate Legislation Act 1989*, namely matters of a machinery nature and matters that are not likely to impose an appreciable burden, cost or disadvantage on any sector of the public.

This Regulation is made under the *Long Service Leave (Metalliferous Mining Industry) Act 1963*, including sections 3 (2C) and 15 (the general regulation-making power).
