

New South Wales

Fisheries Management Amendment (Threatened Species Conservation) Order (No 3) 2012

under the

Fisheries Management Act 1994

The Fisheries Scientific Committee established under the *Fisheries Management Act 1994*, in pursuance of section 220D of the *Fisheries Management Act 1994*, makes the following Order.

Dated, this 8th day of May 2012.

Dr Jane Williamson
Chairperson of the Fisheries Scientific Committee

Explanatory note

Part 7A of the *Fisheries Management Act 1994* deals with the conservation of threatened species, populations and ecological communities of fish and marine vegetation. For the purposes of identification and classification, provision is made for the listing of species, populations, ecological communities or threatening processes.

The object of this Order is to give effect to the final determinations of the Fisheries Scientific Committee:

- (a) to list the scalloped hammerhead shark, *Sphyrna lewini*, as an endangered species, and
- (b) to list the great hammerhead shark, *Sphyrna mokarran*, as a vulnerable species.

This Order is made under section 220D of the *Fisheries Management Act 1994*.

2012 No 196

Clause 1 Fisheries Management Amendment (Threatened Species Conservation)
