

Fisheries Management Amendment (Threatened Species Conservation) Order 2013

under the

Fisheries Management Act 1994

The Fisheries Scientific Committee established under the *Fisheries Management Act 1994*, in pursuance of section 220D of the *Fisheries Management Act 1994*, makes the following Order.

Dated, this 22nd day of July 2013.

DR JANE WILLIAMSON
Chairperson of the Fisheries Scientific Committee

Explanatory note

Part 7A of the *Fisheries Management Act 1994* deals with the conservation of threatened species, populations and ecological communities of fish and marine vegetation. For the purposes of identification and classification, provision is made for the listing of species, populations, ecological communities and key threatening processes.

The object of this Order is to give effect to the final determination of the Fisheries Scientific Committee to list the Murray crayfish, *Euastacus armatus*, as a vulnerable species.

This Order is made under section 220D of the *Fisheries Management Act 1994*.
