## Notice of Final Determination

under the

### Threatened Species Conservation Act 1995

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has made a final determination to insert the ecological community referred to in paragraph (a) as a critically endangered ecological community under that Act and, as a consequence, to omit reference to the ecological community referred to in paragraph (b) as an endangered ecological community and, accordingly:

- (a) Schedule 1A to that Act is amended by inserting in alphabetical order in Part 2:

Shale Sandstone Transition Forest in the Sydney Basin Bioregion (as described in the final determination of the Scientific Committee to list the ecological community)

- (b) Schedule 1 to that Act is amended by omitting the following from Part 3:

Shale/Sandstone Transition Forest (as described in the final determination of the Scientific Committee to list the ecological community)

This Notice commences on the day on which it is published in the Gazette.

Dated, this 6th day of November 2014.

Professor Michelle Leishman  
Chairperson of the Scientific Committee
