

## Fisheries Management Amendment (Threatened Species Conservation) Order 2016

under the

Fisheries Management Act 1994

The Fisheries Scientific Committee established under the *Fisheries Management Act 1994*, in pursuance of section 220D of the *Fisheries Management Act 1994*, makes the following Order.

MARK LINTERMANS Chairperson of the Fisheries Scientific Committee

### **Explanatory note**

Part 7A of the *Fisheries Management Act 1994* deals with the conservation of threatened species, populations and ecological communities of fish and marine vegetation. For the purposes of identification and classification, provision is made for the listing of species, populations, ecological communities and key threatening processes.

The object of this Order is to give effect to the final determinations of the Fisheries Scientific Committee:

- (a) to omit *Notopala sublineata* (Conrad, 1850), river snail, as an endangered species from Part 1 of Schedule 4 to the Act, and
- (b) to list *Galaxias tantangara* (Raadik, 2014), Stocky Galaxias, *Notopala hanleyi* (Frauenfeld, 1864), Hanley's River Snail and *Notopala sublineata* (Conrad, 1850), Darling River Snail, as critically endangered species in Part 1 of Schedule 4A to the Act.

This Order is made under section 220D of the Fisheries Management Act 1994.
