Fisheries Management Amendment (Threatened Species Conservation) Order (No 2) 2016

under the

Fisheries Management Act 1994

The Fisheries Scientific Committee established under the *Fisheries Management Act 1994*, in pursuance of section 220D of the *Fisheries Management Act 1994*, makes the following Order.

Dated, this 24th day of November 2016.

MARK LINTERMANS
Chairperson of the Fisheries Scientific Committee

Explanatory note

The object of this Order is to restore the listing of certain species of fish as critically endangered species in Part 1 of Schedule 4A to the *Fisheries Management Act 1994*. The species were listed as critically endangered species on 13 May 2016 by the *Fisheries Management Amendment (Threatened Species Conservation) Order 2016* (the **original Order**), but were inadvertently omitted from the Schedule by amendments made by the *Fisheries Management Amendment Act 2015*. Those amendments were enacted before the commencement of the original Order but were not commenced until 22 July 2016.

This Order is made under section 220D of the *Fisheries Management Act 1994*.
