Passenger Transport (Opal and Other Fares) Amendment (Approved Payment Device Trial on Manly–Circular Quay Ferry Service) Order 2017

under the

Passenger Transport Act 2014

I, Tim Reardon, Secretary of the Department of Transport, in pursuance of section 125 of the *Passenger Transport Act 2014*, make the following Order on behalf of TfNSW.

Dated, this 9th day June 2017.

TIMOTHY REARDON
Secretary
Department of Transport

Explanatory note

Recent changes to the *Passenger Transport Regulation 2007* and *Passenger Transport Regulation 2014* have enabled the payment of passenger transport fares by credit cards, debit cards or other approved payment devices as an additional payment method. A trial using the approved payment devices method is to be introduced on 6 July 2017 on the ferry services between Manly and Circular Quay and Circular Quay and Manly.

The object of this Order is to amend the *Passenger Transport (Opal and Other Fares) Order 2016* to introduce a single trip adult full fare of \$8.90 for that ferry service using an approved payment device. The fare is equivalent to an Opal full fare single trip ticket for ferry distance band 2.

Consequentially, this Order defines **approved payment device** and **Manly–Circular Quay ferry service**. **Approved payment device** has the same meaning as in the *Passenger Transport Regulation 2007* which, in that Regulation, means a smartcard that is a credit or debit card, or other payment device, of a class approved by TfNSW, by notice published in the Gazette, for the payment of fares by scanning at a smartcard reader.

This Order is made under the *Passenger Transport Act 2014*, including section 125.
