Criminal Procedure Regulation 2017

under the

Criminal Procedure Act 1986

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Criminal Procedure Act 1986*.

MARK SPEAKMAN, MP
Attorney General

Explanatory note

The object of this Regulation is to remake, with amendments, the provisions of the *Criminal Procedure Regulation 2010*, which is repealed on 1 September 2017 by section 10 (2) of the *Subordinate Legislation Act 1989*.

This Regulation makes provision with respect to the following:

- (a) the listing of criminal proceedings for hearing,
- (b) the court costs levy payable by accused persons convicted of an offence in summary proceedings before a court,
- (c) the fees payable in relation to criminal proceedings (including prescribing the NSW Government agencies and statutory bodies representing the Crown by whom certain of those fees are payable),
- (d) the use of recorded interviews that were made with vulnerable persons,
- (e) evidentiary matters, including notices of intention to introduce certain evidence, the circumstances in which no, or a short, brief of evidence is required, access to records of original evidence, compellability of spouses and depositions by persons who are dangerously ill and prescribing the persons who are authorised classifiers for the purposes of the *Criminal Procedure Act 1986*,
- (f) the circle sentencing intervention program, the forum sentencing intervention program and the traffic offender intervention program and declaring those programs to be intervention programs for the purposes of Part 4 of Chapter 7 of the Act,
- (g) certain matters relating to children's champions (also called witness intermediaries) involved in the pilot scheme relating to the giving of evidence by children in criminal proceedings concerning certain sexual offences,
- (h) the organisations whose officers and employees are public officers,
- (i) the form of the certificate of the Attorney General or Director of Public Prosecutions stating that no further proceedings are to be taken,
- (j) the offences for which the District Court does not have jurisdiction,
- (k) the issue of subpoenas in apprehended violence order proceedings,

- (l) the making of an election not to have an indictable offence dealt with summarily,
- (m) the delegation of functions by the registrar of a court or the Sheriff,
- (n) the prescribing of penalty notices offences, and certain fees and forms,
- (o) savings and formal matters.

The main changes made by this Regulation are:

- (a) in relation to the circle sentencing program—enabling the Program Officer who administers the program for a declared place to assess the suitability of a referred offender to participate in the program and to report to the referring court on the assessment if a meeting of the relevant Aboriginal Community Justice Group is not able to be convened within a reasonable time for the purpose of its exercising those functions, and
- (b) in relation to the traffic offender intervention program:
 - (i) providing that nothing in the proposed Part dealing with the program prevents an offender from undertaking an approved traffic course otherwise than pursuant to a program participation order, and
 - (ii) inserting a note to clarify the points in criminal proceedings at which an offender may be referred to the program and the program participation orders relevant to the program, and
 - (iii) clarifying that the court may refer an offender to the program to undertake or (if already commenced) to complete an approved traffic course, and
 - (iv) removing a requirement relating to the time by which an approved traffic course provider must report to the court on a referred offender's compliance with an approved traffic course, and
 - (v) enabling certain matters currently provided for in the regulation to be provided for in guidelines issued for the purposes of the program (including the matters relating to an offender's participation in an approved course of which course providers must keep a record, and prerequisites that must be met before the Secretary may approve a course of study or training for the purposes of the program) and enabling the Secretary (rather than the Minister) to issue the guidelines for the purposes of the program, and
- (c) updating certain references to legislation and entities (including the Government entities that are required to pay court fees in relation to certain criminal proceedings, and the legislation to which those proceedings relate).

This Regulation is made under the *Criminal Procedure Act 1986*, including sections 3 (1) (definition of **public officer**), 4 (the general regulation-making power), 4A (1) and (2A), 44 (1), 46 (2), 114 (2), 122, 151 (1), 183 (2), 187 (5), 211A (1) and (2) (e), 218 (2) (definition of **public officer**), 220, 257E (2) (definition of **public officer**), 265 (1) (b), 266 (2) (a) and (b), 279 (5) (b), 284 (2), 289A (definition of **authorised classifier**), 306B (3) (a), 306F (4), 306I (3) (a), 306V (2), 336, 337, 347 (1), (3) and (4), 348 (2) (g) and 351 and clauses 89 (2), 90 (5) and 93 (1) (b) of Schedule 2 to the Act.

- (1) The object of this clause is to reduce the time spent by police officers in producing statements of non-material witnesses for inclusion in certain briefs of evidence and, accordingly, a court is to have regard to that object when exercising its functions under this clause.
- (2) This clause applies only to proceedings for summary offences (including proceedings for indictable offences specified in Table 2 to Schedule 1 to the Act that are being dealt with summarily) for which a brief of evidence is required to be served under section 183 of the Act.

 - (b) a police officer who was responsible for the movement of, or recording the movement of, a thing connected with the offence or the investigation of the offence (for example, a police officer who conveys DNA or a drug sample to the Division of Analytical Laboratories),

- (c) a police officer who operated a device that produced or caused the production of a document, photograph, video or any other thing relied on by the prosecutor to prove the prosecution's case,

 - (e) a person who is a medical practitioner, nurse, paramedic or other health care professional if all the notes of the person (for example, doctor's treatment notes or ambulance officer's checklists) have been included in the brief of evidence.
- (4) For the purposes of section 183 (2) of the Act, a brief of evidence need not include the following:
- (a) any prescribed statement, but only if the brief includes a list of each prescribed statement that, but for this clause, would need to be included in the brief and a summary of what each listed statement would include,
 - (b) any document that was served on the accused person or the accused person's legal representative by or on behalf of the prosecutor after the court attendance notice in relation to the offence concerned was served.
- (5) On application by the accused person in proceedings, the court may order that any prescribed statement, or any document referred to in subclause (4) (b), be served on the accused person by the prosecutor within a specified time before the hearing if the statement or document was not included in the brief of evidence. The court is to give reasons for the making of the order.
- (6) The court may make an order under subclause (5) only if satisfied that:
- (a) in the case of a prescribed statement, the making of the order would assist the accused person to respond to the charge or assist the court in determining the matter, or
 - (b) in the case of a document referred to in subclause (4) (b), the application for the order has been made in good faith.

62 Summary of process for participation in program

- (1) The following is a summary of the process involved in referring an offender for participation in the program:
 - (a) **Suitability assessment order made**

A participating court makes a suitability assessment order and the offender enters into an agreement to be subjected to an assessment of the offender's capacity and prospects for participation in the program.
 - (b) **Operations team employee ensures that assessment is carried out of the appropriateness of the program for the offender**

An operations team employee ensures that an assessment is carried out of the appropriateness of the offender's case for being dealt with under the program.
 - (c) **Operations team employee ensures that assessment is carried out of offender's suitability**

If the offender's case has been assessed as appropriate for being dealt with under the program, an operations team employee ensures that an assessment is carried out of the offender's capacity and prospects for participation in the program.
 - (d) **Victim participation is sought**

If the offender's case has been assessed as appropriate for being dealt with under the program and the offender has been assessed as having the capacity and prospects for participation in the program, an operations team employee contacts any victim of the offender to ascertain whether the victim wishes to participate, or to have his or her nominated representative participate, in the conference.
 - (e) **Offender not eligible if offender's case not appropriate, offender not suitable or no victim consents to participate**

The offender will not be eligible to participate in any program if:

 - (i) the offender's case has been assessed as not appropriate for being dealt with under the program, or
 - (ii) the offender has been assessed as not being suitable for participation in the program, or

- (iii) no victim wishes to participate, or to have his or her nominated representative participate, in any conference.
 - (f) **Participating court determines whether forum participation order should be made**

However, if:

 - (i) the offender's case has been assessed as appropriate for being dealt with under the program, and
 - (ii) the offender has been assessed as being suitable for participation in the program, and
 - (iii) at least one victim wishes to participate, or to have his or her nominated representative participate, in a conference,

the participating court may make a forum participation order if it is satisfied that the offender is otherwise eligible for participation in the program, having regard to the matters set out in clause 70.
 - (g) **Offender enters into agreement to participate**

The offender enters into an agreement to participate in the program.
 - (h) **Offender returned to court if offender becomes unsuitable or all victims withdraw consent to participate in conference**

The offender will be returned to the court for the court to deal with if:

 - (i) the offender becomes unsuitable to participate in the program, or
 - (ii) all victims who wished to participate, or to have their nominated representatives participate, in a conference withdraw their consent to participate, or
 - (iii) the offender's case otherwise becomes inappropriate for being dealt with under the program.
 - (i) **Conference held and draft intervention plan for offender prepared**

A conference is held. Participants are encouraged to agree to appropriate recommendations about the offender. A draft intervention plan is prepared that is based on any recommendations made, and agreed to, by participants in the conference.
 - (j) **Participating court considers draft intervention plan**

Any draft intervention plan arising from the conference is referred to the participating court together with a report on the conference that is prepared by an operations team employee. If the court approves the draft intervention plan, it makes an intervention plan order.
 - (k) **Offender to comply with intervention plan**

An offender who is subject to an intervention plan order must comply with the intervention plan. An operations team employee for the declared place supervises the implementation and completion of the intervention plan. An operations team employee notifies the court as to whether the plan is satisfactorily completed.
 - (l) **Effect of failure to comply with intervention plan**

A failure to satisfactorily complete the intervention plan may result in the offender being returned to the court for the court to deal with the offender.
- (2) This clause does not affect the meaning or interpretation of any provision of this Part that it summarises.
